RE: Engagement/Extending Representation - Close Construction Project

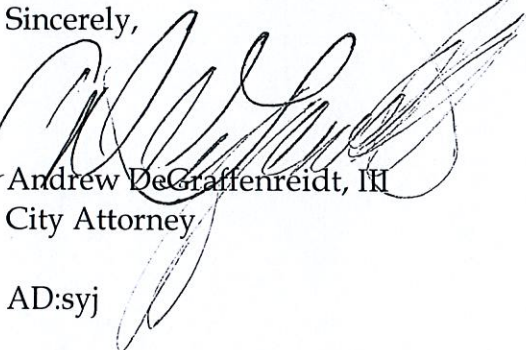

Dear Mr. Cunningham:

Your firm has been representing the City of Riviera Beach Utility Special District in the above referenced matter and operating under an engagement letter which limits compensation to \$25,000 "unless and until the City extends your representation".

The Utility Special District wishes to extend your representation for the duration of this dispute with Close Construction, including potential litigation. The Utility Special District will be responsible for payment of the fees and costs, but please send invoices to the City Attorney's attention. Finally, you will report to myself, or Mr. Danny Jones, throughout the engagement.

The formal approval for this extension of legal representation will be made by the Utility Special District Board at the next Utility Special District meeting to be held on November 21, 2016. If you have any questions, please do not hesitate to contact me.

Sincerely,

Andrew DeGraffenreidt, III
City Attorney
