RE: Purchasing Recommendation for Globaltech

Please be advised that Purchasing is recommending the award of an agreement with Globaltech to provide engineer and construction services to install the BYPASS and Chemical Injection for Softener 3 at the Water Treatment Plant.

Two solicitations were obtained, one from Globaltech and one from US Water. Both firms presented proposals. After review of the proposal, the Utility District elected to proceed with Globaltech.

The prices submitted were:

- Globaltech - \$71,210.84
- US Water - \$78,000.00

Both firms have excellent references.

Should you have any questions, please do not hesitate to contact me.

Respectfully,

Dean Mealy, II

City Purchasing Director
