Specifically, Lessee shall construct a school constituting approximately 30,000 square feet (+/-), together with appurtenant offices, parking and exterior improvements (the "**Improvements**").

3.04 Planning and Construction Approval Process

The parties agree that the construction of any Improvements shall be subject to the customary and routine procedures, as applicable, for submission of any plats, plans, specifications or applications for permits in order to comply with applicable codes, laws or regulations of the City of

Construction is not to commence on any Improvements, Alterations or any parts thereof until the Lessor has reviewed and approved the final plans and specifications and only after approvals and permits have been secured from any and all governmental agencies having any jurisdiction over the Premises. Any material variations in the final plans and specifications after written confirmation from the Lessor must be re-approved by the Lessor.

3.06 Miscellaneous Construction Issues

- (a) Lessee's construction of the Improvements shall be deemed completed upon the issuance of a Certificate of Occupancy for the Improvements.
- (b) In the event a construction lien is filed against the Premises, Lessee shall comply with all applicable provisions of Florida Statutes, Chapter 713, Part I. - (e) Lessee agrees to permit the Lessor's building and fire inspectors, code enforcement

officers, and other authorized building or fire department representatives, agents and employees, access to and right of entry onto the Premises and Improvements, Alterations or any part thereof before, during and after construction for the purposes of monitoring, observing, inspecting and making inquiries in order for the Lessor to determine compliance with this Lease, the approved plans and specifications and any other matter as required by local law, resolution or policy. It is understood by the parties that such activity does not relieve the Lessee of its responsibility for constructing and completing the Improvements or Alterations (or management thereof) pursuant to the covenants and conditions of this Lease and that the Lessor's failure to make such on-site inspections or inquiries shall not constitute a waiver or otherwise limit the Lessor's rights in or the covenants and conditions of this Lease.

- (f) Lessee shall be responsible for repairing or paying for the repair of any damaged curbs, sidewalks, landscaping or roads caused by the Lessee or its contractors during construction of the Improvements or Alterations to the Lessor's property.

- (h) All easements including, but not limited to, utility easements, desired or necessary for construction by Lessee or otherwise on the Premises by Lessee shall be subject to the Lessor's prior written consent, which consent shall not be unreasonably withheld. Lessee is expressly prohibited from granting any easements without the prior written approval of the Lessor. Any easement not approved in writing by the Lessor shall be void and without legal effect.
- (i) Lessee is encouraged to utilize local businesses and small, minority and women owned businesses in all of Lessee's contracting and subcontracting opportunities in planning, designing, constructing and maintaining the Premises, Improvements and Alterations.
- (j) During the construction of the Improvements and Alterations, Lessee shall find suitable alternative parking for construction workers, employees, and visitors if parking is inadequate on the site. Said alternative parking arrangements must be submitted to and approved by Lessor.

3.07 Damage to Premises, Hazardous Substances and Environmental Audit

- (b) Lessee shall not generate, store, produce, place, treat, release, or discharge any contaminants, pollutants or pollution, including, but not limited to, hazardous or toxic substances, chemicals or other agents on, into, or from the Premises or any adjacent lands or waters in any manner not permitted by law. For the purposes of this Lease, "hazardous substances" shall mean and include those elements or compounds defined in 42 USC Section 9601 or which are contained in the list of hazardous substances adopted by the United States Environmental Protection Agency (EPA) and the list of toxic pollutants designated by the United States Congress or the EPA or defined by any other federal,

state or local statute, law, ordinance, code, rule, regulation, order, or decree regulating, relating to, or imposing liability or standards of conduct concerning any hazardous, toxic or dangerous waste, substance, material, pollutant or contaminant. "Pollutants" and "pollution" shall mean those products or substances defined in Chapters 376 and 403, Florida Statutes, and the rules promulgated thereunder, all as amended or updated from time to time. In the event of Lessee's failure to comply with this paragraph, Lessee shall, at its sole cost and expense, promptly commence and diligently pursue any legally required closure, investigation, assessment, cleanup, decontamination, remediation, restoration and monitoring of (1) the Premises, and (2) all off-site ground and surface waters and lands affected by Lessee's such failure to comply, as may be necessary to bring the Premises and affected off-site waters and lands into full compliance with all applicable federal, state or local statutes, laws, ordinances, codes, rules, regulations, orders and decrees, and to restore the damaged property to the condition existing immediately prior to the occurrence which caused the damage. Lessee's obligations set forth in this Section shall survive the termination or expiration of this Lease. This paragraph shall not be construed as a limitation upon obligations or responsibilities of Lessee as set forth herein. Nothing herein shall relieve Lessee of any responsibility or liability prescribed by law for fines, penalties, and damages levied by governmental agencies, and the cost of cleaning up any contamination caused directly or indirectly by Lessee's activities or facilities. Upon discovery of a release of a hazardous substance or pollutant, or any other violation of local, state or federal law, ordinance, code, rule, regulation, order or decree relating to the generation, storage, production, placement, treatment, release or discharge of any contaminant, Lessee shall report such violation to all applicable governmental agencies having jurisdiction, and to Lessor, all within the reporting periods of the applicable agencies.

- (c) At Lessor's discretion, but only if activity on the Premises during the Lease Term provides reasonable grounds to warrant the request, Lessor may request and Lessee shall provide Lessor with a current Phase I environmental site assessment conducted in accordance with the State of Florida Department of Environmental Protection, Division of State Lands' standards prior to termination of this Lease, and if necessary a Phase II environmental site assessment.

3.08 Signs, Lessee Fixtures

The Lessee shall be responsible for the safety and security measures undertaken at the Premises. The Lessee shall at all times take all steps reasonable or necessary to avoid injury, loss or damage to

persons or property on and at the Premises.

ARTICLE IV REPAIR AND MAINTENANCE OF PREMISES

4.01 Responsibilities of Lessee

- (a) Lessee at its sole cost and expense agrees to repair and maintain the Premises and keep the Improvements, Alterations and any parts thereof in good order and condition and consistent with the City's code of ordinances. - (c) If Lessee shall fail to properly repair or maintain any item required to be repaired or maintained by Lessee under this Lease or fails to perform or pay for services or utilities as required by this Lease, within thirty (30) days of notice from the Lessor of the need for such repair, maintenance, performance or payment, the Lessor may complete such repairs, perform the necessary maintenance, or provide or pay for services or utilities and Lessee shall reimburse the Lessor for all reasonable expenses incurred by Lessor in doing so. If the Lessee fails to respond within thirty (30) days of notice from Lessor of the need for replacement of any item required to be replaced, by setting forth a reasonable schedule for replacement acceptable to Lessor, the Lessor at its sole discretion shall

undertake the replacement thereof and the Lessee shall reimburse the Lessor for all reasonable expenses incurred by Lessor in doing so. Any such entrance into the Premises by Lessor and any such inspection, maintenance, repair or replacement shall not constitute an eviction of this Lease in whole or in part. If Lessee's agents or employees are not personally present to open and permit entry into the Premises, at any time, when for any reason an entry therein shall be necessary or permissible, Lessor or Lessor's agents may enter the same without liability therefore and without in any manner affecting the obligations and covenants of this Lease. 6.02 Loss or Damage

Unless agreed to in writing by the Lessor in its reasonable sole discretion, in the event that the Premises, Improvements or Alterations or any part thereof is damaged or destroyed by fire or by other casualty, whether or not such casualty is the fault of or results from the negligence of the Lessee, the Lessee will repair, restore or rebuild the Premises, Improvements, Alterations or any part thereof to its original state, or such modified state as submitted by Lessee and approved by Lessor, by applying all insurance proceeds to payment of the cost of such repair, reconstruction or restoration. Such repair, reconstruction or restoration shall commence within one hundred twenty (120) days of the date of the loss or damage or the receipt of the insurance proceeds, whichever is greater, subject to extension as reasonably required to obtain from Lessor approvals required for repair, reconstruction or restoration of the Improvements. Any repairs or reconstruction shall be performed in accordance with plans and specifications approved by Lessor. If the Lessee refuses or fails to repair, restore or rebuild the Premises, Improvements or Alterations or any such part thereof damaged or destroyed as required herein, the Lessor may by appropriate written notice to the Lessee terminate this Lease for Default in accordance with Article IX hereof. In such event, title to the Premises, Improvements and Alterations and any part thereof shall vest in the Lessor without notice or further action being required on the Lessor's part and the Lessor may undertake the repair, reconstruction and restoration of the Premises, Improvements and Alterations or any part thereof and may complete it by contract or otherwise, and may take possession of and use any materials at the Premises necessary for completing the work. The Lessee and any of its sureties shall be liable for any damages or costs incurred by the Lessor resulting from the Lessee's refusal or failure to complete the work including, but not limited to, such reasonable costs incurred by the Lessor to reconstruct, repair or restore the Premises, Improvements and Alterations or any part thereof including, without limitation, attorney's fees. This liability includes any increased costs to the Lessor in completing the work whether or not such increased costs are covered by insurance proceeds received by Lessee for said damage or destruction.

Notwithstanding anything to the contrary set forth in this Section 6.02, in the event that the Improvements are damaged or destroyed by fire or by other casualty to the extent of more than fifty percent (50%) such that the Improvements are not useable for the purposes intended by Lessee, or the improvements at the Premises cannot be repaired within 180 days after the casualty, then in such case, Lessee may terminate this Lease by giving Lessor written notice to such effect within one hundred twenty (120) days after the date of such casualty, and upon such date as specified in said notice, Lessee shall vacate the Premises and this Lease shall terminate, whereupon Lessee and Lessor shall be released from any further obligation hereunder. Upon such termination by Lessee, any insurance proceeds shall be utilized to demolish the remaining Improvements and render the Premises as a vacant lot. Subject to the rights of a Leasehold Mortgagee, the unused insurance proceeds attributable to the cost of constructing the Improvements (but not to personal property) shall be paid to Lessor.

6.03 Personal Property

All of Lessee's personal property placed or moved in or on the Premises shall be at the risk of the Lessee or owner thereof. Unless otherwise provided herein, Lessor shall not be liable for any damage to said personal property.

6.04 Indemnification

- (a) Lessee covenants and agrees with Lessor from the Effective Date and throughout the Term of this Lease that Lessee shall indemnify and save harmless Lessor, its officers, agents and employees, from and against any and all claims, debts, suits, actions, demands, damages, obligations and/or causes of action which may be made against or upon the Lessor, its officers, agents and employees, or against Lessor's title to the Premises, arising after the Effective Date and during the Term of this Lease by reason of or in connection with any alleged act or omission, including all claims, liabilities, losses, and/or causes of action which may arise from any negligent act, recklessness, or intentional wrongful conduct or omission of Lessee, its officers, agents or employees or for any claims, liabilities, losses, and/or causes of action which may arise from any negligent act of the Lessor, its officers, agents, or employees. Lessee agrees to defend Lessor, with Lessee agreeing to pay all court costs and reasonable attorney's fees incurred by Lessor in effecting such defense (including all appellate levels), as and when said costs and fees become due and payable, in addition to any other sums which the Lessor may be called upon to pay by reason of the entry of a judgment against Lessor in the litigation in which such claim is asserted.
- (b) Lessee shall also protect, defend, indemnify and hold Lessor harmless against any loss or damage, including reasonable attorney's fees and costs, arising out of or resulting from any claim, action or lawsuit brought by a third party to challenge the validity or enforceability of this Lease, or to enjoin this Lease arising solely from a claim that Lessee lacks capacity to sign or enter into, or improperly executed this Lease. If any litigation is instituted against Lessor and Lessee as a result of the foregoing, then Lessee shall defend Lessor and save Lessor harmless from any and all attorney's fees and costs that may be incurred, both at trial and all appellate levels.
- (c) Lessee shall pay all claims, losses, liens, fines, settlements or judgments of any nature whatsoever in connection with the foregoing indemnifications including, but not limited to, all costs, expert witness fees, reasonable attorney's fees, and court and/or arbitration costs. These indemnifications shall survive the term of this Lease.
- (d) Nothing in the Lease shall constitute a waiver of sovereign immunity of Lessor nor shall the same be construed as an agreement by the Lessor to be sued by third parties.

6.05 Contractor's Indemnification

Lessee shall require in any and all contracts with any and all contractors, subcontractors, suppliers, materialmen, design professionals or the like in privity with Lessee, for any and all work to be performed at or for the Premises an indemnification provision substantially similar to the indemnification contained in Section 6.04(a) for the indemnification of the Lessor from such contractors, subcontractors, suppliers, materialmen, design professionals or the like unless another indemnification provision is required by Florida law.

**ARTICLE VII
ENCUMBRANCE OR ASSIGNMENT OF LEASEHOLD**

7.01 Leasehold Mortgages

- (a) Lessee shall have the right, at any time and from time to time, to encumber, hypothecate or mortgage Lessee's leasehold estate. In the event the Lessee so elects to mortgage its leasehold interest ("Leasehold Mortgage"), such mortgage shall in no way obligate Lessor to pay or repay the mortgage. In the event of a Leasehold Mortgage, the lender or its assigns shall be deemed the "Leasehold Mortgagee" and the Lessee or its assigns shall be deemed the "Leasehold Mortgagor." Lessor owns the fee simple of the Premises and in no event shall any Leasehold Mortgage be deemed a mortgage on Lessor's interest in the Premises. Lessor's interest in the Premises shall be superior in title and right to any Leasehold Mortgage and the Lessor's fee simple interest shall not be affected by any Leasehold Mortgage.
- (b) The Leasehold Mortgagee shall have no interest in the Premises other than its interest as Leasehold Mortgagee or as Tenant under and pursuant to this Lease or any new Lease.
- (c) Should Lessee give a valid Leasehold Mortgage on its leasehold estate, and on Lessee's Improvements, to a Leasehold Mortgagee and provided notice of such Leasehold Mortgage and notice address of such Leasehold Mortgagee has been provided to Lessor, it is agreed by and between Lessor and Lessee as follows:
 - (i) Lessor agrees to provide such Leasehold Mortgagee with copies of any notices under this Lease, including without limitation, notices of default issued pursuant to Article IX of this Lease, and delivered by Lessor to Lessee. Any such notice shall state the nature of the notice or the alleged default and shall specify the default and the date when the condition must be cured pursuant to the provisions contained in this Lease. Any Leasehold Mortgagee must designate in writing to the Lessor an address to which all notices may be hand-delivered or served by recognized overnight delivery service. Delivery shall be deemed accepted upon hand delivery or receipt from overnight delivery service. There shall be no additional time given pursuant to the "mailbox rule" for delivery, response, and/or cure periods. Notice to the Lessee shall not be effective unless notice is also provided to the Leasehold Mortgagee who shall designate in writing to the Lessor an address to which all notices may be hand-delivered or served by overnight delivery service.
 - (ii) Defaults and Cure Rights. In the event of a default by Lessee hereunder, Lessor shall accept any curative acts undertaken by or at the instigation of any Leasehold Mortgagee in accordance with the terms of this Lease as if the same had been undertaken by Lessee. The Leasehold Mortgagee is not entitled to any additional time or cure rights other than those specified in this or Article IX of this Lease. Notwithstanding the foregoing, in the event of any Default by Lessee under any of the provisions of this Lease, and if within forty five (45) days of notice of the Default, the Leasehold Mortgagee shall give Lessor written notice that it intends to undertake the curing of such Default, or to cause the same to

be cured, or to exercise its rights to acquire the interest of Lessee in this Lease and in the Improvements by foreclosure or otherwise, and shall immediately commence and then proceed with all due diligence to do so, whether by performance on behalf of Lessee of its obligations under this Lease or by entry on the Property by foreclosure or otherwise, then Lessor agrees that the time for curing said Default shall be extended up to ninety days for the benefit of the Leasehold Mortgagee so long as (1) the Leasehold Mortgagee is with all due diligence and in good faith continually engaged in effecting such foreclosure or in the curing of such Default, and (2) all Rent is being paid currently.

- (iii) In the event of a default under this Lease by Lessee, the Leasehold Mortgagee may exercise with respect to the Premises any right, power or remedy under the Leasehold Mortgage which is not in conflict with any of the provisions of this Lease.
- (iv) There shall be no merger of Lessee's Leasehold Estate with the fee estate in the Premises by reason of the fact that Lessee's Leasehold Estate may be held directly or indirectly by or for the account of any person who shall also hold directly or indirectly the fee estate, or any interest in such fee estate, nor shall there be any such merger by reason of the fact that all or any part of Lessee's Leasehold Estate may be conveyed or mortgaged to a Leasehold Mortgagee who shall also hold directly or indirectly the fee estate, or any part thereof, in the Premises or any interest of Lessor under this Lease.
- (v) No liability for the payment of Rent or the performance of any of Lessee's covenants and agreements hereunder shall attempt to or be imposed upon any Leasehold Mortgagee by reason of its exercise, or attempt to exercise any of the rights provided for or reserved herein, unless such Leasehold Mortgagee expressly assumes the same in writing, all such liability being hereby expressly waived by Lessor; provided, such waiver shall not be deemed a cure of any default of the performance of any of Lessee's covenants and agreements in this Lease.
- (vi) In the event this Lease is terminated by or against Lessee, prior to the expiration of the Term, Leasehold Mortgagee may within thirty (30) days after receipt of notice of such termination, elect to enter into a new lease of the Premises with Lessor ("New Lease") in accordance with and subject to the terms and conditions set forth herein, including the permitted uses, provided that Leasehold Mortgagee or its designee or assignee pays (1) all sums due under this Lease at the time of such termination, (2) all costs incurred for the recovery of possession of the Premises, and (3) all document preparation costs. The New Lease shall be effective on the date of termination of this Lease, at the rent and upon all the agreements, terms, covenants and conditions hereof. The Lessee under the New Lease shall be the Leasehold Mortgagee or its designee reasonably approved by Lessor ("New Tenant").

7.02 Assignment or Subletting of Leasehold

Lessee may not assign this Lease in whole or in part, nor sublet, enter into any concession or license agreement with respect to all or any portion of the Premises, Improvements, Alterations or parts thereof, subject to the provisions of Section 7.03 herein, without the prior written consent of the Lessor in each instance. The consent by the Lessor to any assignment or subletting shall not constitute a waiver of the necessity for such consent to any subsequent assignment or subletting. It is understood that the Lessor may not, under any circumstances, be required or compelled to grant such consent, other than as set forth below in this Section 7.02. For the purposes hereof, any merger, consolidation or transfer by sale of stock or assignment of interest, or otherwise, of the ownership or control of Lessee, if Lessee shall be a corporation, partnership or trust, shall constitute an assignment of this Lease; provided however, Lessor shall not unreasonably withhold its approval of any merger, consolidation or assignment to a successor entity which provides the same programs and services as the named Lessee. This prohibition against assignment and subletting specifically includes a prohibition against Lessee entering into any management agreement to manage the Premises, Improvements and Alterations or any part thereof, without the prior written consent of the Lessor. This prohibition against assignment and subletting shall be construed to include a prohibition against any assignment or subleasing by operation of law, legal process, receivership, bankruptcy or otherwise, whether voluntary or involuntary and shall include a prohibition against any encumbrance of all or any part of the Lessee's leasehold interest. Notwithstanding any assignment, sublease or concession agreement duly approved by the Lessor, Lessee shall remain fully liable on this Lease and shall not be released from performing any of the covenants and conditions hereof.

7.03 Use of Premises by Outside Persons

Lessee may permit other persons to use the Premises, Improvements and Alterations or any part thereof on the condition that such use is in accordance with this Lease. For purposes of this Section, "Persons" includes, but is not limited to, any individuals, group, association, non-profit, for-profit organization (public or private). Lessee shall be solely liable for such use by other Persons. This Section shall not be construed to allow any encumbrances, assignment or sublease and shall be read in accordance with all other covenants and conditions in this Lease.

ARTICLE VIII EMINENT DOMAIN

It is understood and agreed that, if at any time after the Effective Date of this Lease or during the Term of this Lease, the Premises, Improvements, Alterations or any part thereof be taken, appropriated or condemned by reason of eminent domain, there shall be such division of the proceeds and awards in such condemnation proceedings and such abatement of Rent and other adjustments made, as shall be just and equitable under the circumstances. If Lessee and Lessor are unable to agree upon what division, annual abatement of Rent or other adjustments are just and equitable within thirty (30) days after such award shall have been made, then the matters in dispute shall, by appropriate proceedings, be submitted to a court having jurisdiction of the subject matter of such controversy in Palm Beach County, Florida, for its decision and the determination of the matters in dispute. If the legal title to the entire Premises be wholly taken by condemnation, the Lease shall automatically and without notice be terminated. If a partial taking by an entity renders the remainder

of the Premises unsuitable for the permitted use hereunder, then Lessee shall have the right to terminate this Lease as of the date Lessee is required to surrender possession to the condemning authority; however, nothing contained herein shall authorize Lessor to be the condemning authority.

Although title to the Improvements and Alterations and all parts thereof placed by Lessee upon the Premises will pass to Lessor upon the expiration or termination of this Lease, nevertheless, for purposes of condemnation, the fact that Lessee places such Improvements and Alterations and all parts thereof upon the Premises at Lessee's sole expense, shall be taken into account and the deprivation of Lessee of the use of such Improvements and Alterations and any part thereof shall, pro tanto, be an item of damage in determining the portion of the condemnation award to which Lessee is entitled. In general, it is the intent of this Article VIII that upon condemnation, the parties shall share in their awards to the extent that their interests respectively are depreciated, damaged or destroyed by the exercise of the right of eminent domain.

ARTICLE IX DEFAULT

9.01 Default by Lessee

The occurrence of any one or more of the following shall constitute an Event of Default by Lessee under this Lease: (i) Lessee shall fail to perform or observe any of the covenants or conditions contained in the Lease on Lessee's part to be performed or observed; (ii) Lessee shall vacate or abandon the Premises; (iii) Lessee shall fail to pay or otherwise resolve any taxes, assessments or liens as provided for herein; (iv) Lessee shall fail to obtain or maintain the Insurance required herein; (v) Lessee shall fail to use any and all insurance proceeds received from insurance required under this Lease to restore, repair or reconstruct the Premises, Improvements, Alterations or any parts thereof as required in this Lease; (vi) Lessee shall encumber the Premises or its leasehold interest without Lessor's prior written consent if required under Article VII; (vii) the filing of a voluntary or involuntary petition under any federal or state bankruptcy, insolvency or similar law; or, (viii) Lessee's leasehold estate shall be taken by execution, attachment or process of law;. If any Event of Default occurs and is not cured by Lessee within sixty (60) days following written notice thereof from Lessor, or if not capable of being cured within such cure period, then in the event Lessee fails to commence to cure during said sixty (60) days and thereafter diligently pursue such cure, then, at any time thereafter while the Event of Default continues, Lessor shall have the right, at its sole option, to cure the default and Lessee shall reimburse Lessor for all reasonable expenses incurred by Lessor in doing so including, but not limited to, reasonable attorney's fees and court costs (at all trial and administrative levels); to give Lessee notice that Lessor intends to terminate this Lease upon a specified date no less than three (3) days after the date the notice is received by Lessee, and this Lease shall then terminate on the date specified as if that date had been originally fixed as the expiration date of the Term of this Lease; or, to afford Lessee a longer period of time to cure the default. If, however, the default is cured within said sixty (60) day period, or as applicable, commenced to cure within the sixty (60) day notice period and thereafter diligently pursued such cure, this Lease will continue. If the default is not cured, or as applicable commenced and thereafter diligently pursued within the sixty (60) day notice period, and the Lessor terminates this Lease, the Lessor shall have the right to re-enter said Premises, including all Improvements, Alterations or any

parts thereof with or without process of law, with the Lessee hereby waiving any demand for possession of the Premises, Improvements, Alterations or parts thereof; and, the Lessee covenants and agrees that upon said termination of said Lease, Lessee will surrender and deliver up the said Premises peacefully to the Lessor, its agents and attorneys, immediately upon said expiration of the Term of this Lease; and, if Lessee, its agents, attorneys, employees, and invitees shall hold the said Premises or any part thereof one (1) day after the same should be surrendered according to the covenants and conditions of this Lease, Lessee and/or its agents, attorneys, employees and invitees shall be deemed guilty of forcible detainer of the Premises and shall be subject to eviction or removal, forcibly or otherwise, as permitted by law. Nothing herein contained shall be construed as precluding the Lessor from having such remedy as may be or become necessary in order to preserve Lessor's rights and the interests of the Lessor in the Premises and in this Lease even before the expiration of the grace or notice periods provided for in this Section 9.01 if, under the particular circumstances then existing, the allowance of such grace or the giving of such notice would prejudice or endanger the rights and estate of Lessor in the Premises, this Lease or the general safety, health or welfare.

9.02 Default by Lessor

Lessor shall be in default of this Lease if Lessor shall fail to observe or perform any provision, covenant or condition of this Lease on Lessor's part to be observed or performed, and Lessor shall fail to remedy same within sixty (60) days after notice from Lessee. In the event the default is of such nature that it cannot be reasonably cured within the foregoing sixty (60) day period, Lessor shall be entitled to a reasonable period of time under the circumstances in which to cure said default, provided that Lessor diligently proceeds with the curing of the default. In the event that the default is not cured by Lessor within the foregoing time period, Lessee, at Lessee's option, may cure either said default and Lessor shall reimburse Lessee for all expenses incurred by Lessee in doing so, or Lessee may give to the Lessor a three (3) day notice specifying that Lessee intends to terminate this Lease. Upon receipt of said notice and expiration of the three (3) day time period, this Lease and all obligations of Lessee hereunder shall terminate and Lessee shall thereupon be relieved of all further obligations hereunder.

9.03 Landlord/Tenant Relationship

Although this is a long term lease, the parties understand and agree that the relationship between them is that of landlord and tenant, and Lessee specifically acknowledges that the statutory proceedings in the State of Florida relating to the recovery of possession of the Premises accrue to the landlord hereunder.

9.04 Property of Lessor as Liquidated Damages for Default

It is further covenanted and agreed by and between the parties hereto that in the event of the termination of this Lease due to Lessee's default, subject to the rights of the holder of any Leasehold Mortgage, all of the right, estate and interest of Lessee in and under this Lease and in the Premises, Improvements, Alterations or any part thereof, together with all insurance proceeds paid or payable hereunder, shall without compensation made therefore unto Lessee, at once pass to and become the property of the Lessor, not as a penalty or forfeiture, but as liquidated damages to the Lessor because of such default by Lessee and the consequent termination of this Lease; each of the parties acknowledging it to be the fact that for said default and consequent termination of a long-term lease

of this character, Lessor will sustain substantial damages, being damage of such character as to make it most burdensome and tedious, if not actually impossible, to ascertain with mathematical precision, and each of the parties therefore having agreed upon this provision for liquidated damages in the interests of obviating what would otherwise be burdensome and difficult litigation to maintain or to defend, as the case may be; and, this provision for liquidated damages has been taken into account by both parties in fixing the Term of and the consideration for the making of this Lease.

ARTICLE X QUIET ENJOYMENT

Upon the Effective Date and upon the observance and performance of all the covenants, provisions and conditions on Lessee's part to be observed and performed, Lessee shall peaceably and quietly hold and enjoy the Premises commencing on the Effective Date and for the Term hereby demised without hindrance or interruption, subject to the covenants and conditions of this Lease.

ARTICLE XI LESSEE TO COMPLY WITH ALL LAWS

Lessee shall comply with all laws, ordinances, resolution and orders of federal, state and local authorities pertaining to the Premises, Improvements and Alterations or any part thereof. Lessee at its sole expense shall comply with all laws, rules, orders, ordinances, directions, regulations and requirements of federal, state and local authorities pertaining to Lessee's use of the Premises and with the recorded covenants, conditions and restrictions, including without limitation, all applicable federal, state and local laws, regulations or ordinances pertaining to air and water quality; Hazardous Materials, waste disposal, air emissions and other environmental matters, all zoning and other land use matters, and utility availability, and with any lawful direction of any public officer or officers pursuant to law, which shall impose any duty upon Lessor or Lessee with respect to the use or occupation of the Premises. Lessee shall pay at its sole expense all costs, fines, penalties, damages and/or other related expenses which may be imposed because of the failure of Lessee to comply with this Article XI and Lessee shall indemnify Lessor from any and all liability arising from such non-compliance.

ARTICLE XII SURRENDER OF PREMISES

Lessee shall on or before the last day of the Term of this Lease, whether by termination or expiration, peaceably and quietly leave, surrender and yield upon to Lessor, the Premises, together with any and all equipment or personal property but excluding fixtures, furnishings, appliances or other personal property located at or on the Premises and used by Lessee in the maintenance, management and operation of the Premises, free of all liens, claims and encumbrances and rights of others, together with all structural changes, Improvements, Alterations and parts thereof which may have been made upon the Premises, in good order, condition and repair, reasonable wear and tear expected, subject, however to the subsequent provisions of this Article XII. Any property which, pursuant to the provision of this Article XII, is removable by Lessee on or at the Premises upon the

termination or expiration of this Lease and is not so removed, may at the option of the Lessor, be deemed abandoned by Lessee and either may be retained by Lessor as its property or may be removed and disposed of at the sole expense of Lessee in such a manner as the Lessor sees fit. If the Premises and personal property shall not be surrendered at the end of the Term of this Lease as provided in this Article XII or as elsewhere specified in this Lease, Lessee shall make good to Lessor all damages and expenses (including reasonable attorney's fees and costs at all trial and administrative levels) which Lessor shall suffer by reason thereof, and shall indemnify Lessor against all claims made by any succeeding tenant or purchaser, so far as such delay is occasioned by the failure of Lessee to surrender the Premises as and when herein required.

ARTICLE XIII FORCE MAJEURE

Either party hereto shall be excused from performing any of its respective obligations or undertakings provided in this Lease, except as provided in Article XII (Surrender of Premises) for so long as the performance of such obligations are prevented or delayed, retarded or hindered by act of God, whether of unusual severity, fire, earthquake, flood, hurricane, explosion, action of the elements, war, invasion, insurrection, riot, mob, violence, sabotage, malicious mischief, inability to produce or general shortage of labor, equipment, facilities, materials or supplies in the open market, failure of transportation, strikes, lockouts, action of labor unions, condemnation, public requisition, laws, order of government or any other cause, whether similar or dissimilar to the foregoing, not within the reasonable control of the respective party.

ARTICLE XIV REPRESENTATIONS

Each party hereto represents that: (i) it has full corporate power and authority to execute this Lease; (ii) its Board of Directors or Council has duly authorized, empowered and directed it to enter into this Lease and to consummate the obligations and covenants contemplated hereby; (iii) this Lease constitutes a valid and binding corporate obligation and is enforceable in accordance with its covenants and conditions; and, (iv) it is not limited, barred nor prohibited from entering into or performing any of the obligations and covenants required hereunder, whether due to contractual, statutory, legal or financial impediments except as set forth herein.

ARTICLE XV NO DISCRIMINATION

As a condition of obtaining this Lease, Lessee hereby agrees not to discriminate against any individual because of that individual's race, color, religion, sex, national origin, age, handicap, or marital status with respect to any activity occurring within the Premises or upon lands adjacent to and used as an adjunct of the Premises.

**ARTICLE XVI
RIGHT OF AUDIT**

Upon prior request of Lessor to comply with audit requirements, Lessee shall make available to the Lessor all financial and other records relating to this Lease and Lessor shall have the right to audit such records at any reasonable time. This right shall be continuous until this Lease expires or is terminated.

**ARTICLE XVII

17.02 Time is of the Essence

Time is of the essence with respect to the performance of every covenant and condition of this Lease in which time of performance is a factor. Any reference to a certain number of days shall be deemed to be calendar days.

17.03 Severability

If any covenant or condition of this Lease or the application thereof to any person or circumstances, shall to any extent be invalid or unenforceable, the remainder of this Lease, or the application of such covenant or condition to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each covenant and condition of this Lease, shall be valid and enforceable to the fullest extent permitted by law.

17.04 Applicable Law, Venue and Remedies

This Lease shall be construed and enforced under the laws of the State of Florida, except as modified herein, and venue for any action to construe or arising out of or from this Lease shall be in Palm Beach County, Florida. No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

17.05 Captions and Headings

The captions and headings in this Lease are included for convenience only and shall not be taken into consideration in any construction or interpretations of this Lease or any of its provisions.

17.06 No Representations - Entire Agreement

This Lease and the Existing Lease constitute all agreements, conditions and understanding between Lessor and Lessee concerning the Premises and the Existing Premises and there are no covenants, promises, representations, conditions or understandings by any party or the agent of any party hereto, either oral or written, between the parties or relied upon by the parties, other than as set forth herein and in the Existing Lease. No subsequent alteration, waiver, change or addition to this Lease shall be binding upon Lessor or Lessee unless reduced to writing and signed by them.

17.07 Radon

Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from the public health unit.

17.08 Benefit and Binding Effect

This Lease shall be binding upon and inure to the benefit of the heirs, successors, legal representatives and assigns of the parties hereto.

17.09 Third Party Beneficiary

Nothing contained in this Lease shall be construed so as to confer upon any other party the rights of a third party beneficiary.

17.10 Relationship of Parties

It is understood and agreed that Lessor shall, in no event, be construed or held to be a joint venturer, partner, agent, representative, associate or other relationship of the Lessee for any purpose expressly or by implication in the conduct of Lessee's business, nor shall Lessor be liable for any debts incurred by Lessee in the conduct of Lessee's business; and, it is understood and agreed that the relationship is and at all times shall remain that as stated in Article IX herein. Accordingly, nothing herein shall be deemed to confer any rights of sovereign immunity to Lessee or its officers, directors, employees, agents, contractors, and representatives, and as such, all rights and interests of sovereign immunity shall be strictly limited to the Lessor under the laws and constitution of the State of Florida. Lessee shall not claim for itself, and it shall ensure that its officers, directors, employees, agents, contractors, and representatives do not assert as a defense or claim any rights of sovereign immunity in any legal or other proceeding.

17.11 Waiver

The failure of Lessor or Lessee to insist in any one or more instances upon strict performance of any one or more of the covenants, provisions and conditions of this Lease shall not be construed as a waiver of such covenants, provisions and conditions, but the same shall continue in full force and effect, and no waiver of Lessor or Lessee of any of the provisions hereof shall in any event be deemed to have been made unless the waiver is set forth in writing, signed by Lessor or Lessee, as applicable.

17.12 Conditions and Covenants

All of the provisions of this Lease shall be deemed covenants running with the land included in the Premises, and construed to be "conditions" as well as "covenants" as though the words specifically expressing or imparting covenants and conditions were used in each separate provision.

17.13 Preparation

This Lease shall not be construed more strongly against either party regardless of who was more responsible for its preparation.

17.14 Survival

Termination or expiration of this Lease shall not end any of the parties' rights and/or liabilities under this Lease that may apply and be enforced hereafter due to events and circumstances arising after the Effective Date of this Lease and at any time during the Term of this Lease.

17.15 Waiver of Jury Trial

WAIVER OF JURY TRIAL. TO ENCOURAGE PROMPT AND EQUITABLE RESOLUTION OF ANY LITIGATION, EACH PARTY HEREBY WAIVES ITS RIGHTS TO A TRIAL BY JURY IN ANY LITIGATION RELATED TO THIS LEASE.

17.16 Public Entity Crimes

Pursuant to section 287.133, Florida Statutes, the Lessee acknowledges and agrees that a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier or sub-contractor under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list. The Lessee will advise the Lessor immediately if it becomes aware of any violation of the statute.

17.17 Legal Effect

This Lease shall not become binding and effective until approved by the Lessor's City Council.

17.18 Notice of Complaints, Suits and Regulatory Violations

Each party will promptly notify the other of any complaint, claim, suit or cause of action threatened or commenced against it which arises out of or relates, in any manner, to this Lease. Each party agrees to cooperate with the other in any investigation either may conduct, the defense of any claim or suit in which either party is named, and shall do nothing to impair or invalidate any applicable insurance coverage.

17.19 Notice of Complaints, Suits and Regulatory

No member, official or employee of the Lessor or any other governing body (including, without limitation, the mayor or members of the City Council) shall be personally liable to Lessee, or any successor in interest, in the event of any default or breach by Lessor or for any amount or obligation which may become due to Lessee or successor under the terms of this Lease; and any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such person, or under or by reason of the obligations, covenants or agreements contained in this Lease, or implied therefrom are expressly waived and released as a condition of, and as a consideration for, the execution of this Lease.

17.19 Broker

Lessor and Lessee represent and warrant that neither consulted nor negotiated with any broker or finder regarding the Premises.

17.20 Mold

Lessee is advised that mold and/or other microscopic organisms ("Mold Conditions") are prevalent in Florida's humid climate and locations especially in proximity to bodies of water. Mold Conditions may cause allergic reactions, respiratory reactions or other problems, particularly in persons with immune system problems, young children and elderly persons. Lessee acknowledges

that it is fully responsible to maintain the proper operation of the HVAC system in the Premises at all times to inhibit Mold Conditions. Lessee shall ensure property maintenance of the Premises to limit the accumulation of water and excessive moisture inside the Premises. Lessee shall notify Lessor immediately of any water intrusion conditions arising within the Premises. LESSEE ACKNOWLEDGES THE FOREGOING AND AGREES TO ACCEPT FULL RESPONSIBILITY FOR ANY AND ALL RISKS RELATED TO MOLD CONDITIONS IN THE PREMISES. LESSEE AGREES TO RELEASE, HOLD HARMLESS AND INDEMNIFY LESSOR, ITS OFFICIALS, OFFICERS, AGENTS, EMPLOYEES AND SUCCESSORS FROM ANY AND ALL LIABILITY OR DAMAGES INCLUDING ATTORNEY'S FEES, WHETHER FINANCIAL OR OTHERWISE ARISING FROM OR RELATED TO MOLD CONDITIONS IN THE PREMISES.
