RIVIERA BEACH CRA 2017-2018 BUDGET & WORKPLAN

August 22, 2017

Dear Chairperson Miller-Anderson and Board of Commissioners:

I am pleased to submit the Riviera Beach Community Redevelopment Agency's budget proposal for the Fiscal Year October 1, 2017 to September 30, 2018. This proposal for FY 2018 is a balanced budget that combined with our Agency's Workplan, provides an excellent summary of the redevelopment projects, programs, and investments proposed for the coming year. All revenues and expenditures were carefully evaluated to identify possible revenue enhancements or cost reductions to produce a balance budget.

The Agency will introduce an increased focus on our Housing and Neighborhood Stabilization efforts in the coming year and continue to forge partnerships with Palm Beach County, the City of Riviera Beach, and other non-profit organizations to leverage Agency's funds to have a greater impact on our community. In accordance with Board direction, the coming year will include implementing the Marina Village Phase II Development Opportunity, which will seek to attract new private development that will provide a destination for local residents and visitors alike; continuing our existing economic development programs; and completing some needed enhancements to Marina Village. Mindful of Commission and City priorities, we are keeping local opportunity and participation at the forefront of our planning.

Highlights of the budget include:

- An increase in TIF funding of 10% due to increased property values – a positive sign of CRA success, and a healthy economy.
- A reduction in costs related to the Administration & Operating Budget equaling a savings of more than 14% from last year's budget.
- Implementing the proposed first step in streamlining the multiple agreements and coordination between the City of Riviera Beach and the Agency. A new Interlocal Agreement, a companion to the City and CRA Fiscal Budgets, will need to be approved in September.
- Continuing and expanding our Workforce and Affordable housing programs that enhance the quality of life of the members of the community, increase our residential property values, and provide our residents with improved neighborhoods and housing opportunities.
- The proposed staffing resources and positions remain unchanged from last year as we focus on achieving increased productivity and cost savings through enhanced coordination by obtaining direct services for our redevelopment efforts from the City's Finance, Procurement, and Human Resources Departments.

RIVIERA BEACH CRA 2017-2018 BUDGET & WORKPLAN

The exciting challenges ahead for the CRA in FY 2018 include growing our partnership with Palm Beach County to participate in their new housing initiatives towards leveraging our expanding neighborhood stabilization and affordable housing programs. The Agency will embark upon selecting a new Marina Village developer and negotiating and implementing the Phase II private development opportunities within the Marina Village. The budget includes providing immediate surface parking within the Marina and working with the City to develop the Parking Enterprise and a needed Marina Public Parking Garage. The Agency will seek to encourage real estate development, build upon our existing industries, and attract the related new jobs and business opportunities within the CRA district. The Budget & Workplan is enhanced this year to provide various implementation schedules to provide the Commission with more information and tools to track the Agency's progress.

The CRA will support and assist the City's efforts to create a new Vision for our Broadway Corridor and to implement those outcomes into a comprehensive update to the City's Comprehensive Plan, Land Development Regulations, and the Community Redevelopment Plan.

Developing the budget is an extensive process which requires cooperation and involvement of many CRA team members. Our team carefully and creatively examined their operations and Board direction to develop new initiatives and enhance our existing ones.

I would like to express my gratitude to the new City Manager, Jonathan Evans, and his staff who have been gracious partners with the CRA in our joint efforts to work together to make Riviera Beach all that it can be: "The Best Place To Live, Work And Play." I wish to thank the CRA Board of Commissioners for continuing commitment to share your priorities and ideas to direct the Agency in our diligent efforts to make a difference in our community. We are One City!

Sincerely,

Scott Evans, AICP
Interim Executive Director

BUDGET MODIFICATIONS FOR FISCAL YEAR 2017/2018

Explanation of differences:

The following table outlines the significant differences in the adopted budget between the FY 2016/2017 Budget and the proposed FY 2017/2018 budget.

1.	Increase to Housing & Neighborhood Programs	\$1,155,00	The CRA will work to leverage the increased housing funding working with P.B. County, local financial institutions and the CDC to make a significant impact within our Neighborhoods.
2.	Reduction of Administration & Operations Budget	-\$199,421	Cost savings achieved by carefully reviewing each line item and implementing multiple small reductions. (14%)
3.	Increase: Payment for City Direct Services	\$76,000	Increase the amount of Direct Services purchased from the City of Riviera Beach
4.	Increase: Clean & Safe Step Program	\$24,000	New evaluation and wage enhancement program to improve employee retention and pay scale for employees who remain with the Agency
5.	Increase: Elimination of City Program Sponsorship	\$1,300,000	As a part of the revisions to the various Interlocal agreements between the City and CRA this eliminates program support that was provided previously. This impact is offset by an increase of the CRA TIF Revenue.
6.	Increase: Property Acquisition Dollars	\$600,000	These dollars are programmed within the Neighborhood Stabilization and Housing budget and will be leveraged through partnerships with PBC and other Non-Profits including the CDC.
7.	The above increases were offset by additional TIF revenue of \$757,991 a reduction of new spending on Capital Projects, and Grant Programs which will continue utilizing funds allocated in the previous year (Carry-over.)		

The CRA Budget was developed based on the planned reduction of the various Interlocal Agreements between the City and CRA. A single new Interlocal Agreement is planned to replace the following agreements: Marina Uplands Ground Lease, Bicentennial Park Lease Fee, Debt Service for Marina Infrastructure, Marina Public Infrastructure Rebate, Program Sponsorship, old City Services Agreement.

The CRA will continue to fund the Maintenance of Marina Village, and will issue the RFP for the Phase II development of Marina Village. The review, selection, and negotiation process will be a combined effort with final approval required by the City Council. The CRA will negotiate with the City for them to assume the maintenance responsibilities for Marina Village in the coming year and proposes to re-assign any cost savings to immediately begin repaying the Ocean Mall debt in a new modified payment structure.

Re: 2017 Preliminary Tax Roll

Dear Mr. Brown:

Below are your certified 2017 Preliminary Tax Roll values for **Riviera Beach CRA**.
Your taxable value may differ from that of the county's because of value adjustments made for the county-wide senior, historic, or economic exemptions which do not apply to your CRA district.

Total Taxable Value: \$ 806,061,279
Net New Construction: \$ 1,016,343
Current Year Tax Increment: \$ 673,293,780

If you have any questions or concerns, please call.

Sincerely yours,

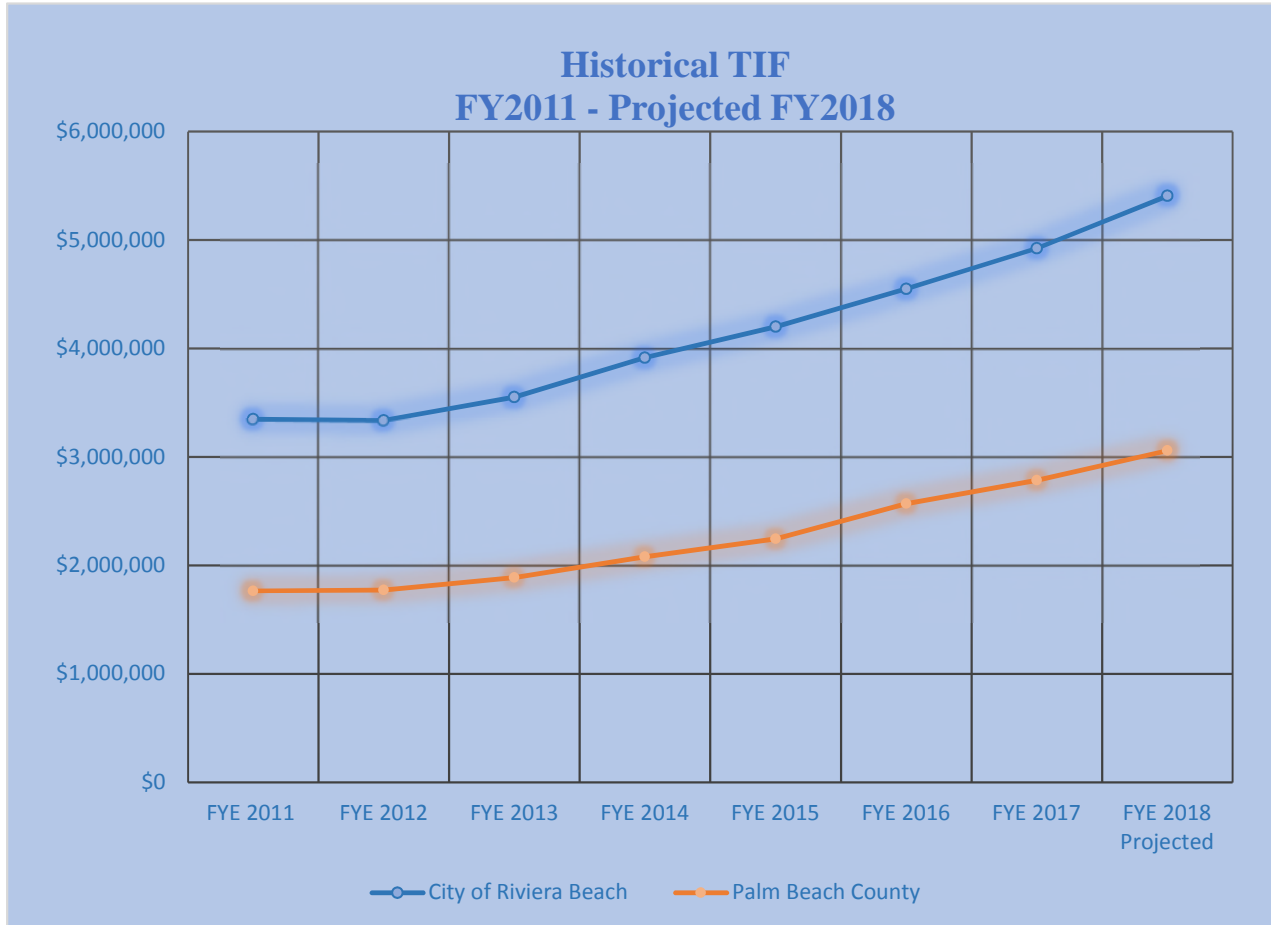

Constantine Dino Maniotis, CFE
Tax Roll Coordinator

FYE 2018 Projected	\$5,406,145	\$3,058,387	\$8,464,532

HISTORY OF RBCRA TIF FUNDING

The trend in CRA TIF revenue has moved steadily upward for the last 8 years. This has been a result of increased property values within the CRA District. Total property values include new construction minus demolition plus changes in values of existing properties. These value changes are due to the work of the CRA as well as natural changes in property value. The CRA receives the County and City Millage rate for only 95% of the increased values of property after the base period, i.e., when the property became a part of the CRA District. The other 5% of the change in the property value is added to the City and County Base Real Estate Value for Property Tax purposes.

It is anticipated that the trend will continue and that property values, and thus TIF Revenue, will increase as the current CRA initiatives accomplish their goal of increasing property values in the CRA District. Residential and Commercial Property improvements will continue to increase property values in the area surrounding those improvements. The new Singer Island parking as well as ongoing safety initiatives will increase values in the CRA District located on Singer Island. The Marina District revitalization will spur increased values all along the Broadway Corridor and will have a direct impact for the property near the Marina.

MARINA VILLAGE ENTERPRISE

The CRA's Marina Village Enterprise project consists of over 15 acres of City and CRA controlled property on the Intracoastal Waterway. The redevelopment of this area has been a major CRA priority over the last several years. The CRA has invested millions of dollars in upgrading the property and in improving infrastructure such as utilities and flood control in order to prepare the property for further development.

This effort has resulted in the Marina Village having four distinct sections:

- Bicentennial Park
- The Marina Event Center
- Marina Uplands
- Marina Docks

Bicentennial Park is a 3.5-acre public park area that has an Interactive Splash Fountain water feature, a pavilion, bathrooms and kiosks for watersport vendors. The pavilion is ideal for hosting festivals and concerts. The park can accommodate a variety of both formal and informal outdoor events. The private companies who rent the kiosks provide rentals of kayaks, paddleboards, jet-skis, boats and more.

The Marina Event Center is a two story state of the art conference center with 6,500 square feet of indoor ballrooms and meeting rooms as well as a 6,000-square foot rooftop outdoor area. Gatherings for up to 300 people are possible. Uses of the facility have included weddings, corporate meetings, family reunions, community group events, and public gatherings. The facility has a warming kitchen that provides equipment for catered events. There is also a Café that is open to the public. The Marina Event Center is booked for almost every weekend. The rental fee for the facility is deeply discounted for Riviera Beach residents. The building was built using the New Markets Tax Credit Program allowing over \$2,000,000 in non-local additional sources to be made available for construction.

RIVIERA BEACH CRA 2017-2018 BUDGET & WORKPLAN

The Marina Uplands area of Marina Village includes several surface parking areas and the Marina Operations building, which is used by the City to oversee the Docks area. The Marina Uplands is the subject of the new RFP that will seek private firms to develop this area. Possible future development includes a hotel, a parking garage, a public market, and several restaurants. The Marina Uplands serves as the gateway to the Docks and accommodates the parking of Dock users.

The Docks area of Marina Village is operated by the City and provides spaces for boats to dock. In addition, fishing boats, diving charters, dining cruises, tourist attractions, and a water taxi to Peanut Island operate from the docks.

The CRA's Marina Village Enterprise is responsible for the operation of Bicentennial Park, The Marina Event Center, and Marina Uplands. Each area has its own budget that includes the direct costs of operating that area as well as the indirect costs, i.e., an allocation of the Common Area Maintenance costs. Staff salaries, including related taxes and benefits, are allocated to the area where the work is performed. The Phase II development opportunity will provide the City and CRA with new lease revenues and property taxes towards creating a profit center at Marina Village.

FYE 2018 MARINA VILLAGE ENTERPRISE SUMMARY

REDEVELOPMENT PROJECTS & PROGRAMS

ECONOMIC DEVELOPMENT PROGRAMS

Overview

Having a vibrant economic framework is critical to successful revitalization of our City. We know that reinforcing and expanding local, existing small businesses will insure that our residents participate in the growth that is to come but also serve to stabilize our neighborhoods. Our economic development programs will be focused on these business owners operating within the City of Riviera Beach, with emphasis on the Riviera Beach Community Redevelopment Area. We will also propose to have programming for young entrepreneurs and emerging business owners and operators. These programs will provide a critical component that is lacking for potential customers in terms of strengthened business capacity; assist business operators in becoming bankable: shore up lagging area demographics as increased business acumen with raise incomes, creates jobs, stabilize neighborhoods and improve economic revitalization in this challenged market.

Strategic Partnerships

There are several very fine programs operating in our county. We propose to partner with several of these in order to bring to our City very effective programs with a proven track record:

The Comerica Bank Small Business Resource Center will indirectly serve residents in and around the City of Riviera Beach, by providing the resources necessary for business expansion and economic growth, creating new job opportunities. Comerica Bank has given grant funds to our nonprofit partner, Riviera Beach CDC, to create the Comerica Bank Small Business Resource Center to provide business development training for both new and emerging small businesses located in Riviera Beach. In partnership with Paragon Florida, Inc., a certified CDFI dedicated to providing comprehensive financial services, training and asset development for businesses in Palm Beach County, the Center will provide a curriculum-guided slate of resources based upon Paragon's established and proven Business Readiness Certification Program. The program will also include a financial literacy/readiness component in conjunction with Consolidated Credit Solutions, a nonprofit financial services organization based in Ft. Lauderdale.

Junior Achievement: Junior Achievement of the Palm Beaches & Treasure Coast, Inc., has as its mission: To prepare and inspire young people to succeed in a global economy through classroom programs and simulations that focus on work readiness, entrepreneurship, and financial literacy. For over 90 years, Junior Achievement has provided quality financial education to millions of children around the world. Right here in Palm Beach, Martin, St. Lucie, Indian River & Hendry counties, Junior Achievement reaches nearly 20,000 students each year. Their programs teach students the key concepts of financial literacy, work readiness, and entrepreneurship; crucial life skills for today's economy. JA educates the next generation on how to create a budget, stay out of debt, and save for the future. Their work readiness programs teach the next generation how to enter the job market, interview for a job, and most importantly, the skills that are needed to retain that job. Junior Achievement is teaching the next generation how an entrepreneur can bring about powerful economic change in our global economy!

RIVIERA BEACH CRA 2017-2018 BUDGET & WORKPLAN

Junior Achievement of the Palm Beaches & Treasure Coast reaches students through classroom programs (K-12), the JA Company Program (where high school students produce, market, and sell a product during a semester), JA BizTown® Mobile and our newest program, JA Finance Park Virtual.

Budget Narrative

Comerica Small Business Resource Center: Counselor/Facilitator, marketing, facility charge, supplies and marketing materials. Thirty (30) small business owners or hopeful entrepreneurs registered in the Center's program. Twenty (20) registered participants complete the program and receive Paragon's Business Readiness Certificate. Twenty-five (25) people attend specialty workshops. Five (5) participants establish new businesses within the City of Riviera Beach boundaries. Ten (10) businesses achieve bankable status.

JA Spark: Riviera Beach Youth Entrepreneur Center: Facilitator, materials, facility expense and marketing material. Two hundred (200) children participate in the various program components.

'Tween Financial Literacy Camps: Facilitator, materials, marketing and supplies. Twenty-five (25) children participate in the camps.

Small Business Loan Program: Loan capital. Five (5) businesses access loan capital.

Programs

Comerica Small Business Resource Center: Through a combination of mechanisms that include, but are not limited to, one-on-one counseling, referrals, printed materials, web-based learning and structured class format (one-hour sessions over a six-week period), the Center will endeavor to provide comprehensive training in business development and capacity building for owners of start-ups as well as existing small business seeking growth opportunities.

The above-mentioned training mechanisms will be supplemented by quick-start opportunities with lenders, marketing professionals, financial coaches and management consultants who will offer additional reinforcement specific to individual participant needs. The Center will also offer occasional specialty sessions, delivered in a variety of formats -- lunch presentations, early breakfast Fast Breaks, Saturday workshops -- as well as individual counseling sessions for those businesses with unique needs.

The Center will be housed at the Riviera Beach Ambassador Service Center, located at 1229 East Blue Heron Boulevard in

RIVIERA BEACH CRA

2017-2018 BUDGET & WORKPLAN

Riviera Beach. The site can accommodate technology, be set up in a classroom style and has ample free parking. Kiosks providing pamphlets and brochures with useful business tidbits and information about applicable product offerings from Resource Center partners will be set up at the Riviera Beach Branch of Comerica Bank and at the Riviera Beach CRA's main office at 2001 Broadway, Suite 300.

Business participants will become knowledgeable in business essentials and fundamentals including business plan development, finance and accounting, credit readiness, business operations, marketing, contracting, negotiating, insurance and more; become business-ready to apply for a Paragon business loan, and receive a Business Readiness Certificate from Paragon Florida, Inc.

The Comerica Bank Small Business Resource Center will address the following issues facing small business owners and those seeking to establish new businesses within the City of Riviera Beach:

- Lack of an accessible, comprehensive source for information related to small business development
- Lack of affordable consulting services
- Need to enhance the skill sets of start-up entrepreneurs with little or no experience in business management
- Need for skilled professional advice geared to business owners in emerging markets
- Need for an easily accessible path for small business owners to secure eligibility and apply for financial support programs offered by the Riviera Beach Community Redevelopment Agency

Specific topics that will be addressed within the Center's comprehensive curriculum include, but are not limited to:

- . Start Smart: What Every Start-up Business Should Know
- . Legal Structure for Starting a Small Business
- . Business Planning for Success
- . Marketing and Social Media Strategies
- . HR Basics for Small Business
- . Insurance and Bonding
- . Contracting with Corporations & Government
- . Record Keeping
- . De-mystifying The Financial Puzzle
- . Credit for Small Business/Credit as an Asset
- . Business Banking Basics
- . Budgeting for Small Business
- . Business & Personal Finances -- Why it's Important to Keep them Separate
- . Avoid Money Mistakes
- . Coping with Financial Stress
- . ID Theft -- Protect Yourself & Protect your Business

RIVIERA BEACH CRA 2017-2018 BUDGET & WORKPLAN

JA Spark: Riviera Beach Youth Entrepreneur Center:

JA SPARK Riviera Beach Youth Entrepreneur Center is a program for High School students who have a passion for business and entrepreneurship. Students will participate in *JA SPARK* during Winter, Spring and Summer school breaks. Students will have the opportunity to work with their peers, participate in hands on and experiential activities. This initiative targets Junior Achievement's at-risk high school students in Riviera Beach. *JA* will purposefully work with a high-percentage of "Federal Free or Reduced Lunch" schools and students ("Title 1") as they correspond to the highest levels of those in need. *JA SPARK* will be held tentatively at the Riviera Beach Marina. During the week long program, students will participate in both the *JA Be Entrepreneurial*

and *JA Company* programs. *JA Be Entrepreneurial* challenges students, through interactive activities, to start their own entrepreneurial venture while still in high school. The program provides useful, practical content to assist teens in the transition from being students to productive, contributing members of society. *JA Company* unlocks the innate ability in students to solve a problem or fill a need in their community through an entrepreneurial spirit. Students are introduced to key elements involving on organizing and operating a business, while empowering them to solve problems and address local needs through the entrepreneurial spirit. *JA SPARK* will culminate in a business model presentation and competition.

‘Tween Financial Literacy Camps: We will develop financial literacy camps for young entrepreneurs, from the ages of 8-13. These camps will operate with students participating during Winter, Spring and Summer school breaks. Students will have coaching sessions from bankers, financial literacy experts, investment and business counselor's familiar with working with children. Mini-grants will be given to each participant to open a savings account, along with piggy banks. Children will have classes in terms, credit, and budgeting as well as an introduction to small business/entrepreneurship. Some of the older children will also be encouraged to participate in the BisCamps.

Small Business Loan Fund: In preparing small business entrepreneurs and start-ups for sound, long-term operations, we will link participants to the RBCRA's Small Business Loan Fund, a newly revised multi-million-dollar loan program aimed at retaining current businesses and attracting new businesses to its primary business districts by providing small business loans from \$10,000-\$1,000,000 to entities that meet key public benefit thresholds. The CRA Board discontinued this program last year with concerns that we only had partnered with a single loan entity. This year the CRA proposes to set-up new agreements with several entities to provide choices for potential applicants to obtain funding.

RIVIERA BEACH CRA 2017-2018 BUDGET & WORKPLAN

NEW ECONOMIC DEVELOPMENT INITIATIVES BUDGET

PROGRAM SERVICES		
	Comerica Small Business Resource Center	\$ 15,000
	JA Spark: Riviera Beach Youth Entrepreneur Center	25,000
	'Tween Financial Literacy Camps	5,000
	Resident & Youth Technology Outreach	20,000
	CRA Partnership Support & Outreach	10,000
PROPERTY OF DISTINCTION GRANTS		
	Property Improvements	300,000
	Property of Distinction-Program Support	45,000
	Corridor Enhancement Program	<u>120,000</u>
	TOTAL PROGRAM SERVICES	<u>\$ 540,000</u>

PROPERTY OF DISTINCTION GRANT PROGRAM

In FY 2018, The CRA will continue the Properties of Distinction Program. The program allows the agency to select properties identified as significant redevelopment opportunities which will eliminate blight and dilapidation within the CRA district and the City as a whole. The rehabilitation of these properties will promote Agency's vision of economic development and transformation. This includes dollars earmarked for the Tony's Subs Development Project and future enhancements of the CRA owned property located at the corner of Broadway and Blue Heron. New for FY 2018, the program will include \$120,000 reserved as matching dollars to partner with individual property owners to beautify and enhance our major corridors. These dollars can be used in amounts not to exceed \$20,000 to enhance our vacant properties with landscaping and decorative elements. These improvements will assist the City in attracting the type of future development that will be consistent with the new City Council adopted vision.

JOB CREATION GRANT PROGRAM

The On-the-Job Training Program provides financial assistance to the City of Riviera Beach employers within the CRA to hire and train eligible individuals from Riviera Beach. The program will reduce the first year's salary costs and provide more training time for new hires who earn more than \$15.00 per hour.

COMMERCIAL GRANT PROGRAM

The Riviera Beach Community Redevelopment Agency is commencing with our Commercial Grant Program in the coming budget year. The program's funding was approved in the 2016/2017 fiscal year budget, and the program was authorized to begin implementation in May 2017. The funds will be carried forward in the coming fiscal year for disbursement; no new funds have been allocated for the coming years.

The program has two distinct initiatives: The Property Improvement Incentive Program and The Beautification Incentive Program. Both programs are focused on eliminating blighted structures within the CRA boundary and incentivizing commercial property owners to make improvements which will improve the overall aesthetics and value of the commercial properties in Riviera Beach.

- The **Property Improvement Grant Program** provides business and property owners with grants of up to \$40,000 to make exterior and façade improvements to their property. The program requires \$1 in private contribution which is matched by \$4 of public funds. The business owners are encouraged to utilize our local and minority contractors. Additional points will be provided to businesses during the applicant review process.
- The **Beautification Incentive Program** allows the CRA to fund 100% of the cost to paint, landscape and/or pressure clean an existing commercial building within the redevelopment area, up to \$4,000.

The criteria for each program are as follows:

- The commercial property must be located in the CRA District.
- All proposed exterior improvements must meet the CRA's design guidelines.
- Funding can only be used for exterior improvements, renovations and rehabilitation as well as landscaping.
- All work must be done in compliance with applicable City of Riviera Beach building codes and land development regulations.

All contractors must be licensed in Riviera Beach/Palm Beach County.

2017-18 BUDGET NARRATIVE NEIGHBORHOOD SERVICES Strategic Initiatives, Projects and Partnerships

Overview

Riviera Beach is strongly committed to neighborhood revitalization and development. We are increasing our staff and financial resources to address various issues of code-challenged properties, vacant lots, delayed maintenance of our housing stock, community beautification and neighborhood capacity building. We are anticipating an exciting year with new and enhanced programs and initiatives developed because of input from our Board of Commissioners, residents and stakeholders. The Marina development is off to a good start. As promised, we are shifting more resources to our neighborhoods. One of the top priorities is stabilizing the neighborhoods through homeownership. Studies have shown that there is a direct correlation between economic development, improved perceptions and realities of crime, better education outcomes, and improvements in civic pride. Riviera Beach has a 65% rental rate—a trend we must reverse. Also, the proportion of vacant and derelict properties is very high. For instance, in Riviera Beach Heights, of almost 500 properties, about 200 are vacant or derelict. Riviera Beach Heights also had a high incidence of Part I crime-- in burglary and larceny. With the introduction of the SmartWater™ program, along with other safety interventions, those particular crimes have drastically been reduced in numbers.

Strategic Partnerships

For the past several years, the City has dedicated fewer resources to neighborhood services. The CRA Commissioners endeavored to try and fill some of the gap by creating the Riviera Beach Community Development Corporation (CDC) to serve as one of the nonprofit partners of the CRA. Created to qualify as a Community Housing Development Organization (CHDO), the CDC can attract federal, state, and philanthropic dollars. Many of these grants can be used to enhance or support neighborhood priorities within the CRA. Other key partnerships are with the Riviera Beach Housing Authority, several neighborhood and civic associations, our business operators, and with local contractors and subcontractors. To date this fiscal year, CDC has completed five new homes, has over 65 people enrolled in the Riviera Beach Homebuyers Club, has assisted five homeowners with painting and landscaping, and welcomed more than 500 volunteers to assist throughout the neighborhoods.

HOUSING & NEIGHBORHOOD STABILIZATION PROGRAM SUMMARY

Community Garden: The Community Garden is an award-winning green project located at 1010 W. 10th Street. Programming and management is conducted by a Professional Gardener, Dennis Reichel. These dollars will support his stipend, programs, seeds, supplies, utilities and maintenance. Scores of residents and kids frequent the garden on a weekly basis, to pick vegetables, pull weeds, participate in projects and to visit. Some of the planned events in FY18 include: harvesting and planting events; our popular Evenings in the Garden; Art, Wine & Cheese events; Volunteer/Holiday Evening; Read-Ins with the Police Department; Earth Day of Service event; Health Fairs; and cooking demonstrations.

House X House: This initiative, often in conjunction with Code Compliance, offers free house painting for elders and the disabled, neighborhood clean ups, assistance with landscaping and sprinkler repairs, and flower planting. This program done on a modest budget, depends on many volunteers and partners.

Smart Home Program: This community safety program offers SmartWater™ throughout the CRA area to residents and businesses, motion lights, and replacement of house numbers.

Housing Initiatives: These various housing programs will create homeownership opportunities for first time homebuyers who have received intensive education and counseling. Our rent to own program will be available for those who desire homeownership, but require a little longer to be ready. The Single-Family Housing Beautification Program will assist owner occupied residencies with rehabilitation and beautification grants for exterior improvements. Lot acquisitions will allow the Agency to purchase properties for residential redevelopment.

HFHL: Healthy Food, Healthy Living, Inc., is a nonprofit food bank providing assistance to our most vulnerable citizens. This pass-through grant provides support for operational expenses like rent, utilities, insurance, taxes, maintenance, and trash. Additionally, capacity building support is available to the organization.

Parks, Trails & Signs: This program provides funding for development and enhancement of green space throughout the redevelopment area, including parklets, wayfinding signage, and trail development.

HOUSING INITIATIVES

Overview

Riviera Beach Heights, Inlet City and Park Manor, priority focus areas, are distressed low-income neighborhoods located within the Community Redevelopment Area. Due to the economic downturn and the real estate crisis, these neighborhoods have experienced disinvestment and high levels of foreclosures which have led to a significant number of abandoned and derelict properties throughout the neighborhoods. We estimate that at least 450 such properties qualify for this description. These properties, along with vacant properties, are contributing to neighborhood decline and instability which are negatively affecting the desirability of the community.

In an effort to avoid further decline, the Agency has implemented programs to provide assistance to homeowners, multi-family property owners, and business owners to rehabilitate distressed and vacant properties within RBCRA neighborhoods. These programs will improve the stability of the neighborhood and foster revitalization to improve the quality of life of residents.

All properties must be located within the Riviera Beach Community Redevelopment Area. Each property rehabilitated as part of RBCRA's current rehabilitation program must be single family homes. Properties are required to be insured (property/ homeowners, including flood insurance, if located in a flood area.) Property taxes and mortgages must be current and not delinquent. RBCRA will not provide financial assistance outlined in these programs, to properties that are delinquent on taxes, delinquent on mortgage / loan payments, or in the foreclosure process.

Additionally, RBCRA has endeavored to work with City Code Compliance to address code violations that affect health and safety on the exterior of properties. One of the top priorities is stabilizing the neighborhoods through homeownership. Studies have shown that there is a direct correlation between economic development, improved perceptions and realities of crime, better education outcomes, and improvements in civic pride. Riviera Beach has a 65% rental rate—a trend we must reverse.

RBCRA will endeavor to leverage our investment whenever the opportunity presents itself. If other funding sources (US HUD, State of Florida, etc.) require income restrictions, i.e., 80% AMI, 120% AMI, etc., then we will follow those income restrictions with any dollars contributed to a project, if required by the funding source.

Strategic Partnerships

For the past several years, the City has dedicated fewer resources to neighborhood services. The CRA Commissioners endeavored to try and fill some of the gap by creating the Riviera Beach Community Development Corporation (CDC) to serve as one of the nonprofit partners of the CRA. Created to qualify as a Community Housing Development Organization (CHDO), the CDC can attract federal, state, and philanthropic dollars. Many of these grants can be used to enhance or support neighborhood priorities within the CRA.

Other key partnerships are with the Riviera Beach Housing Authority, several neighborhood and civic associations, our business operators, and with local contractors and subcontractors. We propose to work with the CDC to produce our first-time homebuyer programs.

Programs

First Time Homebuyer/Workforce Program

The First Time Homebuyer/Workforce Program will provide down payment and housing rehabilitation assistance to first time homebuyers purchasing single family homes within the Community Redevelopment Area. As part of the program, homebuyers can make exterior and interior improvements to their homes. Eligible improvements include painting, kitchens, bathrooms, plumbing, landscaping, weatherization (windows and doors), air conditioning/heating, roof repair/replacement, and other repairs necessary to correct health, safety, and code violations. Applicants will be selected on a first come, first ready, first served basis.

As part of the First Time Homebuyer/Workforce Program, RBCRA will acquire derelict properties and vacant land for demolition and reconstruction for development of new construction homes for purchase by first time homebuyers. Properties and vacant land must be located within the Community Redevelopment Area.

Workforce Rent to Own

This program will work similarly to the First-Time homebuyer/Workforce Program, but title will not transfer until the buyer has repaired credit, completed the Homebuyers Club, increased income, and/or saved adequate minimum down payments. This allows residents who desire homeownership but require a longer period of counseling and assistance. Rent payments will remain affordable based on income. Depending on incomes, a portion of rent payments may be reserved in escrow towards a down payment.

Single Family Housing Beautification Program

The Single-Family Housing Beautification Program will provide funding through the Riviera Beach Community Redevelopment Agency (RBCRA) to eligible single family (one unit) homeowners to make exterior improvements to their property. Eligible improvements include fence replacement, painting, irrigation, landscaping, weatherization (windows and doors), roof repair/replacement, driveway repair and other minor exterior repairs to improve RBCRA identified key homes within the Community Redevelopment Area. Priority will be given to improvements that are necessary to correct health, safety, and code violations.

Renaissance

This program allows for acquisition of vacant lots or residential properties for redevelopment and rehabilitation. Thereafter, the property will be available for ownership or the rent to own scenario. The funding includes both acquisition and due diligence costs.

House X House: This initiative, often in conjunction with Code Compliance, offers free house painting for elders and the disabled, neighborhood clean ups, assistance with landscaping and sprinkler repairs, and flower planting. This program attracts, done on a modest budget, depends on many volunteers and partners.

Budget Narrative

Housing Initiatives: Assist 8 homeowners, 2 Rent to Own, 15 rehabilitations, 15 beautifications, property acquisition

First Time Homebuyer/Workforce:

Workforce Rent to Own: Assist 8 Homeowners

House Beautification: Assist 15 rehabs and 15 beautifications

Renaissance: Acquire various lots or derelict properties

House X House: Includes 10 houses – painting and landscaping

Amenities and Features

The homes will enjoy the following amenities:

- Energy efficient appliances
- Energy efficient lighting fixtures
- Washer/dryer connections and appliances
- Tankless water heaters
- Impact resistant windows and doors
- Porcelain tile/alternative flooring
- Low flow plumbing features
- Upgraded countertops
- Low VOC paints
- Wood cabinets
- Outdoor entertainment area
- Gathering spot features

RIVIERA BEACH CRA 2017-2018 BUDGET & WORKPLAN

Homebuyer Counseling

RBCDC will provide a program of counseling, in conjunction with our partner, Housing Foundation Association, to provide eight (8) hours of homeownership counseling, at least six (6) hours in a classroom setting, and two (2) hours of one-on-one (individual) counseling sessions. We will produce a certificate identifying the date of counseling, total hours counseled, the name of the HUD approved agency provider, and signature of the authorized counselor, within one (1) year from the date of issue. Additionally, all participants will be members of our Homebuyers Club, which meets monthly at our Clean and Safe Ambassador Center for two hours, obtaining more in depth counseling covering the areas of: Benefits of Club Membership, 1:1 Credit Management Assistance, Re-Learn Behavior in Handling Credit, Learn to Budget and Increase Savings, Become Educated on Financial Matters, Guidance from Application to Closing, Help with Grants and Down Payment Assistance, and Hear Testimonials from Recent Homeowners.

CLEAN & SAFE PROGRAM

CLEAN & SAFE OPERATIONS FY 2018 EXECUTIVE SUMMARY

For FY 2018, the Clean & Safe Operations will continue Ambassador Operations at Ocean Mall, along the Broadway Corridor (11th Street to Silver Beach Road), Blue Heron Corridor (President Barak Obama Hwy east to North Ocean Avenue), 13th Street Corridor from the Marina west to President Barak Obama Hwy, Avenue E Corridor (11th Street to Blue Heron Blvd), Riviera Beach Heights (between 6th and 10th Streets between President Barak Obama Hwy to Australian Avenue), and the Marina Village.

Ocean Mall

Public Service Ambassadors assist in litter control, provide a walking concierge service to all visitors and patrons of the Ocean Mall seven days a week from 1pm until 11pm. They assist Parks and Rec in locking the park restrooms every evening. They also provide Walking Buddy services from 6pm until midnight, which includes visitor escorts to their vehicles, calling for taxi service, and assisting with vehicle jumps and flat tires. They also provide additional eyes and ears for the Police at Ocean Mall.

Broadway Corridor

The Clean Team Ambassadors maintain the cleanliness of the Broadway Corridor seven days a week from 8:30am to 5pm. This includes sidewalk sweeping, sidewalk pressure washing when needed, and litter control along all sidewalks and vacant lots. They will also provide assistance to businesses that are having issues with individuals who are either homeless and/or panhandling. Public Service Ambassadors assist in litter control, provide a walking concierge service to all, and visit businesses along the corridor. The Public Service Ambassadors will also pass out information to the businesses about upcoming meetings and events in the CRA district. They also provide additional eyes and ears for the Police.

Blue Heron Corridor

The Clean Team Ambassadors maintain the cleanliness of the Blue Heron Corridor seven days a week from 8:30am to 5pm. This includes sidewalk sweeping, sidewalk pressure washing when needed, pressure washing the Flat Bridge twice a week, and litter control along all sidewalks and vacant lots. They also provide assistance to businesses that are having issues with homeless and/or panhandling. Public Service Ambassadors assist in litter control, provide a walking concierge service to all visitors and patrons of the Ocean Mall seven days a week from 1pm until 11pm. The Public Service Ambassadors will also pass out information to the businesses about upcoming meetings and events in the CRA and Ocean Mall area. They also provide additional eyes and ears for the Police.

13th Street Corridor

The Clean Team Ambassadors maintain the cleanliness of the 13th Street Corridor seven days a week from 8:30am to 5pm. This includes sidewalk sweeping, sidewalk pressure washing when needed, and litter control along all sidewalks and vacant lots. They also provide additional eyes and ears for the Police.

Riviera Beach Heights

The Clean Team Ambassadors maintain the cleanliness of Riviera Beach Heights (RBH) once a week from 9am to 4pm. This includes sidewalk sweeping, sidewalk pressure washing when needed, and litter control along all sidewalks and vacant lots. They also provide additional eyes and ears for the Police.

Marina Village

For FY 2018, the Clean & Safe Ambassadors are responsible for maintaining sidewalk cleanliness, regular pressure washing, emptying and maintaining trash receptacles throughout the park, providing parking management and providing shuttle service on weekends and during events. They also have the responsibility for maintaining the cleanliness and basic maintenance of the Event Center, as well as setting up and taking down for all events. Our Marina Village Supervisor provides onsite supervision during all events to assist with AV setup and any issues that may occur. They also provide additional eyes and ears for the Police.

Marina Village / Bicentennial Park

- Pick up trash and litter in Marina Village and overflow lots 3 X per day and during outdoor events
- Parking management in main and overflow parking lots
- Promenade/Bicentennial Park event setup / takedown
- Pre- & Post event inspections
- Clean outdoor bathrooms 4 X per day and during outdoor events
- Kiosk business assistance/Police Department intervention
- Provide homeless assistance
- Shuttle service for overflow parking during major events and holidays
- Walking Buddy Service 45 minutes after last event/ Rafiki Tiki closing, 7 days a week
- Ambassadors trained in FA/CPR
- Event Center concierge service
- Event set-up
- Event take down
- Audio/Visual assistance and pre-event setup
- Event pre/post inspections
- Daily Event Center cleaning (Day Porter service)
 - Bathrooms, minimum 4 times a day & during events
 - Mop floors
 - Vacuum carpets
 - Carpet cleaning
 - Maintain all furniture
 - Basic maintenance/painting
 - Clean glass and polish all stainless fixtures
- Ambassadors trained in FA/CPR

RIVIERA BEACH CRA 2017-2018 BUDGET & WORKPLAN

Additional Clean & Safe Services/Program Benefits:

- Increase Ambassador training programs.
- Create job opportunities for Riviera Beach residents.
- Clean & Safe Walking Buddy program provides services seven days a week up until 45 minutes after the Rafiki Tiki closes at Marina Village.
- The Business Watch Program will continue to expand business participation. Bi-monthly meetings will be held the fourth Tuesday of every other month.
- Neighborhood Watch Program will continue in Riviera Beach Heights and Park Manor South, in addition to all CRA neighborhoods from 21st Street north to Silver Beach Road. We will be available to assist other neighborhood groups to help them set up their own Neighborhood Watch programs.
- Continue to assist the CDC and our local Community Partners: Healthy Food, Healthy Living, St. George Church, Beulah Land Worship Center, Christ Fellowship of the Palm Beaches, Max M. Fisher Boys and Girls Club, Parks and Rec and Public Works.

Clean and Safe Program Budget	
General Office	\$ 33,240
Rent	70,800
Ambassador Equipment	19,320
Capital Equipment and Supplies	34,118
Neighborhood/Business Watch and Outreach	3,000
Community Safety Initiative	5,700
Staff Salaries, Taxes and Benefits	<u>329,122</u>
TOTAL CLEAN AND SAFE PROGRAM	<u>\$ 495,300</u>

CLEAN & SAFE FY 2018 PROPOSED WAGE STEP PROGRAM

The Clean & Safe Program started in July of 2014. Our Full Time Ambassadors were hired at \$12.00 per hour and our Part Time Ambassadors were hired at \$10.00 per hour. Of the original 12 Ambassadors - 6 Full Time and 6 Part Time - that were hired, 4 Full Time Ambassadors remain with the program. The major cause of attrition has been new jobs at higher wages. Our average Part Time Ambassador has a tenure on the job of about 6 months.

The purpose of the Wage STEP Program is to enable Clean & Safe employees to have a wage growth path and provide them with incremental wage increases for the first 5 years with the CRA. This program will also encourage Ambassadors to stay with the CRA because they can see what they will be making in the future and we will be rewarding Ambassadors for a job well done. The Step program provides a five-year performance based pay increase for FT and PT Ambassadors and a three-year program for our Ambassador Supervisors. The chart below identifies the sample yearly incremental increase:

FULL TIME AMBASSADOR						FULL TIME AMBASSADOR SUPERVISOR			
Base	YR 1 Anniv BASE + \$0.60	YR 2 Anniv BASE + \$1.20	YR 3 Anniv BASE + \$2.00	YR 4 Anniv BASE + \$3.00	YR 5 Anniv BASE + \$4.00	Base	YR 1 Anniv BASE + \$0.75	YR 2 Anniv BASE + \$1.50	YR 3 Anniv BASE + \$2.50
\$12.00	\$12.60	\$13.20	\$14.00	\$15.00	\$16.00	\$15.00	\$15.75	\$16.50	\$17.50

PART TIME AMBASSADOR (20 HRS/WEEK)						PART TIME AMBASSADOR SUPERVISOR			
Base	YR 1 Anniv BASE + \$1.00	YR 2 Anniv BASE + \$2.00	YR 3 Anniv BASE + \$3.00	YR 4 Anniv BASE + \$4.00	YR 5 Anniv BASE + \$5.00	Base	YR 1 Anniv BASE + \$1.00	YR 2 Anniv BASE + \$2.00	YR 3 Anniv BASE + \$3.00
\$10.00	\$11.00	\$12.00	\$13.00	\$14.00	\$15.00	\$13.00	\$14.00	\$15.00	\$16.00
\$10,400	\$11,440	\$12,480	\$13,520	\$14,560	\$15,600	\$13,520	\$14,560	\$15,600	\$16,640

IMPLEMENTATION: Based on an Ambassador's years of service, they will STEP up to the new STEP level pay grade, assuming they have had a satisfactory annual performance review and have not abused our attendance policy. Then, on their next Anniversary date they will move up to the next STEP, etc. The step program is implemented by the Executive Director effective on Clean & Safe staff anniversary dates. The program may not exceed the total Board approved budget each year. The step program provides approximately 5%-8% increases to employee's annual salaries for a 1-5 year period.

FY 2018 STEP Estimated Wages increase to the budget will be:

CRA Clean & Safe Operations	\$10,447.00
Marina Village Clean & Safe Operations	\$13,189.00
Total FY 2018 Estimated Incremental Cost	\$23, 636.00

Or 2.8% of the Total Clean & Safe Wage and Salary Budget
(Plus Benefits: Total reserved \$30,000)

*Capital Budgets for FY 2021 and FY 2022 will be determined in future Budgets.

CAPITAL PROJECTS

Utility Burial Project: \$1,544,900

The overall aesthetics of the Marina Village and the Broadway Corridor are crucial elements to attracting new investment and our economic development efforts. The Utility Burial project is partially completed and in the process of securing the final easements from property owners to bury the FPL and ATT lines that remain on the overhead lines. Once completed, the overhead lines and poles can be removed.

Marina Village Phase II Parking: \$554,637

To address the growing popularity of the Marina and the increased visitor traffic, the CRA will be installing temporary parking at the Spanish Courts site and the old 13th Street parcel. The plan will increase available parking by roughly 225 parking slots. The CRA has future plans to construct a parking garage and a controlled parking and revenue system for the entire Marina Village site. The City of Riviera Beach is developing a City-wide Parking Enterprise that the CRA will help fund and participate in. This entity can raise additional capital dollars and will explore future parking agreements with both the Port of Palm Beach and our future Marina Village Phase II Development Team.

Event Center Tenant Buildout: \$400,000

The CRA has reserved capital dollars to assist with the completion of the buildout for a tenant willing to occupy the space just adjacent to the existing restaurant. The remaining spaces will be included in the large scale Phase II development opportunity.

Marina Village Phase IIA Improvements: \$570,000

There are several earmarked improvement projects to be completed to enhance the visitor experience and improve the profitability and marketability of the Marina Village:

- **Sea Wall Removal** - Sections of the wall will be removed for improved visibility of the Intracoastal Waterway, City Marina, and Peanut Island.
- **Event Center Rooftop Shading** - As a response to numerous requests by customers to expand the shading on the rooftop, a shading system will be installed.
- **Rooftop Flooring Installation** - Installation of the pedestal flooring system to the east of the rooftop patio.
- **Marina Village Branding: Mural for Wall & Water Tank** - A large art and painting project will be completed on the wall surrounding the water tank and the tank itself, and marketing and signage within the Marina Village Properties.
