From: RICKEY LITTLE, INTERIM PROCUREMENT DIRECTOR **RL**

Date: January 10, 2018

Subject: RECOMMENDATION: RFQ 259-10 Design Services for City Of Riviera Beach Public Works Complex and Additional Related Professional Services

Procurement Department has reviewed the resolution, professional service agreement and executed contract for Song & Associates, Inc. and recommend that the Acting Director of Public Works issue a work order for Song & Associates for redesign of the Public Woks Complex to bring the previous plans up to code standards.

Procurement Department contacted the three (3) Architects firms that are on contract with City for review of Songs drawings to see if they complete the projects.

The three (3) Architects on contract had concerns of copyrights and recreating the drawings is cost prohibitive and will extend the design time significantly.

Additional quotes were obtained from the three (3) Architects firms on contract with the City.
