October 24, 2017

Dear Community Member:

For the past 25 years, committed parents, teachers and administrators at Palm Beach Gardens Community High School have successfully partnered with local businesses and community leaders to host a very important event known as **PROJECT GRADUATION**.

This event is a fully chaperoned, all-night drug and alcohol-free party held on the night of graduation in May 2018. Graduation from high school is a milestone and a time for celebrating past achievements and new beginnings. We want to provide our graduating seniors with a memorable celebration filled with fun, food, friends, games, music, prizes, as well as one last opportunity for them to celebrate together as a class in a safe environment.

The estimated cost of Project Graduation for this year's class of over 600 graduating seniors is \$25,000.00. In order to make this event a reality and more importantly, a success, **WE NEED YOUR HELP!!** Accompanying this letter, you will find information on the various sponsorship levels. Please know that a contribution of any type or amount (monetary, merchandise, gift certificate) will be welcomed and sincerely appreciated.

The benefits of Project Graduation are positively numerous. Your contribution will make evident the community's support of our graduating seniors. Thank you very kindly for your anticipated support.

Sincerely yours,

Larry Clawson
Principal

PALM BEACH GARDENS COMMUNITY HIGH SCHOOL
