SHIRLEY LANIER

Dear City Council Members,

I would like to express my interest in becoming a full board member. As I have served as an alternative member of the board, I know the skills and passion I have for the City of Riviera Beach's Library will be well served. I am very excited about the future of the Library and believe I can bring ideas that will ensure the future of our library services in the City.

I appreciate the opportunity to serve on this board and hope that my presence will add to the already stellar backgrounds of the current board. I truly believe my educational background and leadership skills will enhance the Library board and its future endeavors.

Thank you for your consideration.

Re: Riviera Beach Public Library Advisory Board – Reappointment

Dear Council Chair Miller-Anderson:

I have been a member of the Riviera Beach Public Library Advisory Board for over 14 years and it has been an honor and a privilege for me to serve. I wish to continue to serve on the Library Advisory Board; however, I'm asking for Council's approval and authorization to reappoint me as an Alternate Board member, which will allow me to continue fulfilling my personal obligations in Riviera Beach and in Tallahassee.

In my reappointment, I will continue to serve the City of Riviera Beach with distinction and professionalism, representing the interests of all Library patrons.

Thank you for your consideration.

Sincerely,

Monty Greene
