From: RICKEY LITTLE, INTERIM DIRECTOR OF PROCUREMENT **RL**

Date: MARCH 12, 2018

Subject: **RECOMMENDATION: PURCHASE OF MODULAR FIRE STATION FOR FIRE STATION 2**

Procurement Department recommends the procurement of a Modular Fire Station from Vision Building Systems, L.L.C. for fire station 2. Vision Building Systems, L.L.C. is recommended as the company to purchase the modular fire station due to their knowledge of modular fire station construction and the immediate need to house the fire station personnel located at that fire station while the new fire station is under construction and the time requirement for construction of the new fire station.

Procurement Department recommends the purchase be awarded to Vision Building Systems, L.L.C.
