

**CITY OF RIVIERA BEACH  
CONTRACT FOR CONSTRUCTION**

This Contract is made as of this \_\_\_\_\_ day of \_\_\_\_\_, 2018 by and between the CITY OF RIVIERA BEACH, a municipal corporation existing under the laws of the State of Florida, hereinafter referred to as the CITY, and **MAN-CON INCORPORATED.**, a corporation authorized to do business in the State of Florida, hereinafter referred to as the CONTRACTOR, whose Federal I.D. number is **59-2547432**.

In consideration of the mutual promises contained herein, the CITY and the CONTRACTOR agree as follows:

**ARTICLE 1 - SERVICES**

The CONTRACTOR's responsibility under this Contract is to provide construction services in the area of **Avenue "O", W. 23<sup>rd</sup> St., W. 24<sup>th</sup> St., W. 25<sup>th</sup> St., W. 26<sup>th</sup> St. and W. 26<sup>th</sup> Ct. The CITY's representative/liason during the performance of this Contract shall be **Terrence Bailey, PE**, telephone no. 561-845-4065, email address Tbailey@rivierabch.com.

**ARTICLE 2 - SCHEDULE**

- A. Time of Completion - Construction work must begin within ten (10) calendar days from the date of receipt of official notice to proceed; provided the CITY has received proof of insurance as set forth in Article 11 and a Performance and Payment Bond as set forth in Article 31 in a form satisfactory to the CITY. Construction work shall be carried on at a rate to insure its full completion within **three hundred ninety (390)** calendar days from the date of official notice to proceed, the rate of progress and time of completion being essential conditions of this Contract.
  
- B. Deduction for not completing on time - If the contract work is not fully complete according to the terms of this Contract within the limits herein stipulated, the CONTRACTOR shall pay the CITY, not as a penalty, but as liquidated damages, a sum equal to **one thousand dollars (\$1000.00)** for each day elapsing between the expiration of such time limit and the date of full completion, providing, however, that the time limits herein stated are subject to extension without payment of damages, as provided in Article 17, herein. It is agreed that these liquidated damages are a good faith and reasonable pre-estimate of CITY's actual damages due to delay by CONTRACTOR because it is difficult, if not impossible, to accurately estimate the actual damages suffered by CITY due to any such delay.
  
- C. Reports - Reports and other items shall be delivered or completed in accordance with the detailed schedule set forth in Exhibit "A."

### **ARTICLE 3 - PAYMENTS TO CONTRACTOR**

- A. Generally - The CITY agrees to compensate the CONTRACTOR in accordance with the fee proposal set forth in Exhibit "B". The total and cumulative amount of this Contract shall not exceed **\$8,925,606.20**. The CITY shall not reimburse the CONTRACTOR for any travel costs incurred as a direct result of the CONTRACTOR providing deliverables to the CITY in pursuance of the scope of work contained in Exhibit A, without specific, prior written approval of the CITY.
- B. Progress Invoices - No later than the 20<sup>th</sup> day of every month, the CONTRACTOR shall prepare and submit, on a form approved by the CITY's representative, a detailed estimate and invoice of work which has been completed from the start of the job up to and including the last day of the preceding month, together with such supporting evidence of the expenditures as required by this Contract. The CONTRACTOR shall also submit with each invoice an updated revised work schedule. The CONTRACTOR shall include in the Progress Invoice a Warranty of Title indicating that as of the date of Progress Invoice that all work, materials, and equipment covered by the Progress Invoice passes to the City at the time of payment of the Progress Invoice and that all laborers, materialmen, and subcontractors have been paid in full for all work, materials, and equipment covered by the Progress Invoice and also provide Partial Releases of Lien and/or Partial Releases of Payment Bond from all laborers, materialmen, and subcontractors as to such work, materials, and equipment covered by the Progress Invoice. CITY has no obligation to pay any Progress Invoice until both a Warranty of Title and Partial Releases of Lien and/or Partial Releases of Payment Bond are provided to CITY.
- C. Progress Payments – Progress Invoices received from the CONTRACTOR pursuant to this Contract will be reviewed and approved by the CITY representative within ten days of receipt of the invoice, indicating that services have been rendered in conformity with the Contract unless the CITY requires clarification or a correction of the invoice. The invoices will be sent to the Finance Department for payment. The CITY will pay to the CONTRACTOR ninety percent (90%) of the value based on the CONTRACTOR's estimate and invoice, as approved by the CITY representative. Invoices will normally be paid within thirty (30) days following the CITY representative's approval.
- D. Payment of Expenses - All requests for payment of expenses eligible for reimbursement under the terms of this Contract, if any, shall include copies of said receipts, invoices, or other documentation acceptable to the Finance Department. Such documentation shall be sufficient to establish that the expense was actually incurred and necessary in the performance of the scope of work described in this Contract. Long distance telephone calls shall identify the person(s) called, purpose of call, time and costs. Mileage charges shall identify the destination, number of miles, rate, and purpose of travel. Duplication charges shall describe the documents, purpose of duplicating, and rate charged. Any travel, per diem, mileage, meals, or lodging expenses which may be reimbursable under the terms of this Contract, if any, will be paid in accordance with the rates and conditions set forth in Section 112.061, Florida Statutes.
- E. Final Invoice - In order for both parties herein to close their books and records, the CONTRACTOR will clearly state "Final Invoice" on the CONTRACTOR's final/last billing to the CITY. This certifies that all services have been properly performed and all charges and costs have been invoiced to the CITY. Since this account will thereupon be closed, any and other further charges if not properly included on this Final

Invoice are waived by the CONTRACTOR and the CITY shall have no obligations for any other costs or expenses thereafter. Further, the CONTRACTOR shall include in the Final Invoice a Warranty of Title indicating that that all work, materials, and equipment covered by this Contract passes to the City at the time of payment of the Final Invoice and that all laborers, materialmen, and subcontractors have been paid in full for all work, materials, and equipment covered by Contract and also provide Final Releases of Lien and/or Final Releases of Payment Bond from all laborers, materialmen, and subcontractors as to such work, materials, and equipment covered by the Contract. CITY has no obligation to pay the Final Invoice until both a Warranty of Title and Final Releases of Lien and/or Final Release of Payment Bond are provided to CITY.

#### **ARTICLE 4 - TRUTH-IN-NEGOTIATION CERTIFICATE**

Signature of this Contract by the CONTRACTOR shall also act as the execution of a truth-in-negotiation certificate certifying that the wage rates, over-head charges, and other costs used to determine the compensation provided for in this Contract are accurate, complete and current as of the date of the Contract and no higher than those charged to the CONTRACTOR'S most favored customer for the same or substantially similar service.

The said rates and costs shall be adjusted to exclude any significant sums should the CITY determine that the rates and costs were increased due to inaccurate, incomplete or non-current wage rates or due to inaccurate representations of fees paid to outside contractors. The CITY shall exercise its rights under this Article 4 within three (3) years following final payment.

#### **ARTICLE 5 - TERMINATION**

This Contract may be canceled by the CONTRACTOR upon thirty (30) days prior written notice to the CITY'S representative in the event of substantial failure by the CITY to perform in accordance with the terms of this Contract through no fault of the CONTRACTOR; provided the CITY fails to cure same within that thirty (30) day period. This Contract may also be terminated, in whole or in part, by the CITY, with or without cause, immediately upon written notice to the CONTRACTOR. Unless the CONTRACTOR is in breach of this Contract, the CONTRACTOR shall be paid for services rendered to the CITY'S satisfaction through the date of termination. After receipt of a Termination Notice and except as otherwise directed by the CITY, the CONTRACTOR shall:

- A. Stop work on the date and to the extent specified.
- B. Terminate and settle all orders and subcontracts relating to the performance of the terminated work.
- C. Transfer all work in process, completed work, and other materials related to the terminated work to the CITY.
- D. Continue and complete all parts of the work that have not been terminated.

All of the services required hereunder shall be performed by the CONTRACTOR or under its supervision, and all personnel engaged in performing the services shall be fully qualified and licensed and, if required, authorized or permitted under state and local law to perform such services.

Any changes or substitutions in the CONTRACTOR's key personnel, as may be listed in Exhibit "A", must be made known to the CITY's representative and written approval, at CITY's sole discretion, must be granted by the CITY's representative before said change or substitution can become effective.

The CONTRACTOR warrants that all services shall be performed by skilled, properly licensed, and competent personnel to the highest professional standards in their respective field(s).

The CONTRACTOR agrees that it is fully responsible to the CITY for the acts and omissions of subcontractors and of persons either directly or indirectly employed by the CONTRACTOR. Nothing contained herein shall create any contractual relationship between any subcontractor and the CITY.

All of the CONTRACTOR's personnel (and all Subcontractors) while on CITY premises will comply with all CITY requirements governing conduct, safety and security.

## **ARTICLE 7 - SUBCONTRACTING**

The CITY reserves, at its sole discretion and for any reason, the right to accept the use of a subcontractor or to reject the selection of a particular subcontractor by CONTRACTOR and to inspect all facilities and approve all qualifications of any subcontractor in order to make a determination as to the capability of the subcontractor to perform properly under this Contract. However, in any event the CONTRACTOR shall be responsible for performing 50% of the work, at a minimum, by its own forces and equipment. Any changes or substitutions in the CONTRACTOR's subcontractors must be made known to the CITY's representative and written approval must be granted by the CITY's representative before said change or substitution can become effective. The CONTRACTOR is encouraged to seek minority and women business enterprises for participation in subcontracting opportunities. Further,

If a subcontractor fails to perform or make progress, as required by this Contract, and it is necessary to replace the subcontractor to complete the work in a timely fashion, the CONTRACTOR shall promptly do so, subject to acceptance, in writing and at the CITY's sole discretion, of the new subcontractor by the CITY. The CITY shall not unreasonably deny the request. However, the CONTRACTOR must demonstrate that the subcontractor being replaced is unable to perform the work, is performing the work poorly or untimely, or is unable to meet the requirements of the contract with the CITY. The CITY will not address issues related to the CONTRACTOR's

specific agreement with the subcontractor including issues of pricing.

If subcontractor(s) are used, the CONTRACTOR shall use only licensed and insured subcontractor(s), and shall require any subcontractor, as may be applicable, to provide a payment and performance bond. All subcontractors shall be required to promptly make payments to any person who, directly or indirectly, provides services or supplies under this Contract.

The CONTRACTOR shall be responsible for the performance of all subcontractors.

### **ARTICLE 8 – SBE PARTICIPATION**

### **ARTICLE 9 - FEDERAL AND STATE TAX**

The CITY is exempt from payment of Florida State Sales and Use Taxes. The CITY will sign an exemption certificate submitted by the CONTRACTOR. The CONTRACTOR shall not be exempted from paying sales tax to its suppliers for materials used to fulfill contractual obligations with the CITY, nor is the CONTRACTOR authorized to use the CITY'S Tax Exemption Number in securing such materials.

The CONTRACTOR shall be responsible for payment of its own and its share of its employees' payroll, payroll taxes, and benefits with respect to this Contract.

### **ARTICLE 10 - AVAILABILITY OF FUNDS**

The CITY's performance and obligation to pay under this Contract is contingent upon an annual appropriation for its purpose by the CITY OF RIVIERA BEACH CITY COUNCIL.

### **ARTICLE 11 - INSURANCE**

A. Prior to execution of this Contract by the CITY, the CONTRACTOR shall provide certificates evidencing insurance coverages as required hereunder. All insurance policies shall be issued by companies authorized to do business under the laws of the State of Florida. The Certificates shall clearly indicate that the CONTRACTOR has obtained insurance of the type, amount, and classification as required for strict compliance with this ARTICLE and that no material change or cancellation of the insurance shall be effective without thirty (30) days prior written notice to the CITY's representative. Compliance with the foregoing requirements shall not relieve the CONTRACTOR of its liability and obligations under this Contract.

CONTRACTOR shall pay all claims, losses, liens, fines, settlements or judgments of any nature whatsoever in connection with the foregoing indemnifications including, but not limited to, all costs, expert witness fees, reasonable attorney's fees, and court and/or arbitration costs. These indemnifications shall survive the term of this Contract or any renewal thereof.

Nothing contained in this Article shall be construed or interpreted as consent by the CITY to be sued, nor as a waiver of sovereign immunity beyond the waiver provided in Section 768.28, Florida Statutes.

**ARTICLE 13 - SUCCESSORS AND ASSIGNS**

The CITY and the CONTRACTOR each binds itself and its partners, successors, executors, administrators and assigns to the other party of this Contract and to the partners, successors, executors, administrators and assigns of such other party, in respect to all covenants of this Contract. Neither the CITY nor the CONTRACTOR shall assign, sublet, convey or transfer its interest in this Contract without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of the CITY which may be a party hereto, nor shall it be construed as giving any rights or benefits hereunder to anyone other than the CITY and the CONTRACTOR.

No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

**ARTICLE 16 - CONFLICT OF INTEREST**

for in Florida Statutes, Section 112.311. The CONTRACTOR further represents that no person having any such conflicting interest shall be employed for said performance.

The CONTRACTOR shall promptly notify the CITY's representative, in writing, by certified mail, of all potential conflicts of interest for any prospective business association, interest or other circumstance which may influence or appear to influence the CONTRACTOR's judgment or quality of services being provided hereunder. Such written notification shall identify the prospective business association, interest or circumstance, the nature of work that the CONTRACTOR may undertake and request an opinion of the CITY as to whether the association, interest or circumstance would, in the opinion of the CITY, constitute a conflict of interest if entered into by the CONTRACTOR. The CITY agrees to notify the CONTRACTOR of its opinion by certified mail within thirty (30) days of receipt of notification by the CONTRACTOR. If, in the opinion of the CITY, the prospective business association, interest or circumstance would not constitute a conflict of interest by the CONTRACTOR, the CITY shall so state in the notification and the CONTRACTOR shall, at its option, enter into said association, interest or circumstance and it shall be deemed not in conflict of interest with respect to services provided to the CITY by the CONTRACTOR under the terms of this Contract.

#### **ARTICLE 17 – DELAYS AND EXTENSION OF TIME**

Such causes include, but are not limited to: acts of God; natural or public health emergencies; labor disputes; freight embargoes; and abnormally severe and unusual weather conditions. Upon the CONTRACTOR's request, the CITY shall consider the facts and extent of any such delay and failure to timely perform the work for reason beyond the control of the CONTRACTOR and, if the CONTRACTOR's delay and failure to timely perform was without it or its subcontractors' fault or negligence, as determined by the CITY in its sole discretion, the time of completion shall be extended for any reasonable time that the CITY, in its sole discretion, may decide; subject to the CITY's rights to change, terminate, or stop any or all of the work at any time.

If the CONTRACTOR is delayed at any time in the progress of the work by any act or neglect of the CITY or its employees, or by any other contractor employed by the CITY, or by changes ordered by the CITY or in an unusual delay in transportation, unavoidable casualties, or any causes beyond the CONTRACTOR'S control, or by delay authorized by the CITY pending negotiation or by any cause which the CITY, in its sole discretion, shall decide justifies the delay, then the time of completion shall be extended for any reasonable time the CITY, in its sole discretion, may decide.

No extension of time shall be made for any delay occurring more than seven (7) days before a claim therefore is made in writing to the CITY. In the case of continuing cause of delay, only one (1) claim is necessary.

If no schedule or other agreement sets forth the dates by which drawing(s) shall be furnished, then no claims for delay shall be allowed because of failure to furnish such drawing(s), until two (2) weeks after demand for the drawings and not then unless said claim is reasonable.

The CONTRACTOR's sole remedy for a delay in completion of the work for any reason will be an extension of time to complete the work and CONTRACTOR specifically waives any right to seek any monetary damages or

losses for a delay in completion of the work, including, but not limited to, waiving any right to seek monetary amounts for lost profits, additional overhead, salaries, lost productivity, efficiency losses, or any other alleged monetary losses which may be allegedly suffered by CONTRACTOR due to a delay in completion of the work.

All written and oral information not in the public domain or not previously known, and all information and data obtained, developed, or supplied by the CITY or at its expense will be kept confidential by the CONTRACTOR and will not be disclosed to any other party, directly or indirectly, without the CITY's prior written consent unless required by a lawful order. All drawings, maps, sketches, programs, data base, reports and other data developed, or purchased, under this Contract for or at the CITY's expense shall be and remain the CITY's property and may be reproduced and reused at the discretion of the CITY.

- (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Contract and following completion of this Contract if the CONTRACTOR does not transfer the records to the CITY.
- (d) Upon completion of this Contract, transfer, at no cost, to the CITY all public records in possession of the CONTRACTOR or keep and maintain public records required by the CITY to perform the service. If the CONTRACTOR transfers all public records to the CITY upon completion of the Contract, the CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the CONTRACTOR keeps and maintains public records upon completion of the

Contract, the CONTRACTOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the CITY, upon request from the CITY's custodian of public records or designee, in a format that is compatible with the information technology systems of the CITY.

The CONTRACTOR warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the CONTRACTOR to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the CONTRACTOR, any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the award or making of this Contract.

#### **ARTICLE 34 – PROTECTION OF WORK AND PROPERTY**

The CONTRACTOR shall continuously maintain adequate protection of all work from damage, and shall protect such work and the CITY's property from injury or loss arising during the term of the Contract. Except for any such damage, injury, or loss which may be directly due to errors caused by the CITY or employees of the CITY, the CONTRACTOR shall adequately protect adjacent property, as provided by the law, and shall provide guard fences, lights, and any other necessary materials to carry out such protection.

Until acceptance of the work by the CITY, the CITY's property shall be under the charge and care of the CONTRACTOR and the CONTRACTOR shall take every necessary precaution against injury or damage to the work by the action of the elements or from any other cause whatsoever, and the CONTRACTOR shall repair, restore and make good, without additional charge any work occasioned by any of the above causes before its completion and acceptance by the CITY.

Should any provision in this Contract require judicial or quasi-judicial interpretation it is agreed that a Court or other dispute resolution forum interpreting or enforcing the same shall not apply a presumption that the terms hereof shall be more strictly construed against any party by reason of the rule construction that a document is to be construed more strictly against the party who itself or through its agent has prepared the same. CITY and CONTRACTOR agree that this Contract is the product and result of a joint effort.

### **ARTICLE 39 - MATERIALITY**

All provisions of the Contract shall be deemed material. In the event CONTRACTOR fails to comply with any of the provisions contained in this Contract or exhibits, amendments and addenda attached hereto, said failure shall be deemed a material breach of this Contract and CITY may at its option and without notice terminate this Contract.

### **ARTICLE 42 - CONTRACT DOCUMENTS AND CONTROLLING PROVISIONS**

This Contract consists of this contract, bid documents and construction design plans. The CONTRACTOR agrees to be bound by all the terms and conditions set forth in this Contract and design plans. To the extent that there exists a conflict between this Contract and design plans, the terms, conditions, covenants, and/or provisions of this Contract shall prevail. Wherever possible, the provisions of such documents shall be construed in such a manner as to avoid conflicts between provisions of the various documents.

### **ARTICLE 43 - LEGAL EFFECT**

This Contract shall not become binding and effective until approved, in writing, by both CITY's designated representative and the CITY COUNCIL OF THE CITY OF RIVIERA BEACH.

### **ARTICLE 44 - NOTICE OF COMPLAINTS OR SUITS**

Each party will promptly notify the other of any complaint, claim, suit or cause of action threatened or commenced against it which arises out of or relates, in any manner, to the performance of this Contract. Each party agrees to cooperate with the other in any investigation either may conduct, the defense of any claim or suit in which either party is named, and shall do nothing to impair or invalidate any applicable insurance coverage.

### **ARTICLE 45 – SURVIVABILITY**

Any provision of this Contract which is of a continuing nature or imposes an obligation which extends beyond the term of this Contract shall survive its expiration or earlier termination.

### **ARTICLE 46 - DEFAULT**

Notwithstanding anything contained in this Contract to the contrary, the parties agree that, by way of inclusion and not limitation, the occurrence of any of the following shall be deemed a material event of default and shall be grounds for termination:

- A. The filing of a lien or claim of any kind by any subcontractor or third tier subcontractor including, but not limited to materialmen, suppliers, or laborers, upon any property, right of way, easement, other interest in land or right to use such land within the territorial boundaries of the CITY which lien is not satisfied, discharged or contested in a court of law within thirty (30) days from the date of notice to the CONTRACTOR;
- B. The filing of any claim, including, but not limited to, a claim against any Payment Bond by any subcontractor or third tier subcontractor including, but not limited to materialmen, suppliers, or laborers, concerning the failure of the CONTRACTOR to pay any such subcontractor or third tier subcontractor including, but not limited to materialmen, suppliers, or laborers, for any work performed or materials supplied pursuant to this Contract;
- C. The filing of any judgment lien against the assets of CONTRACTOR related to the performance of this Contract which is not satisfied, discharged or contested in a court of law within thirty (30) days from the date of notice to the CONTRACTOR; or
- D. The filing of a petition by or against the CONTRACTOR for relief under the Bankruptcy Code, or for its reorganization or for the appointment of a receiver or trustee of the CONTRACTOR or the CONTRACTOR's property; or an assignment by CONTRACTOR for the benefit of creditors; or

the taking possession of the property of the CONTRACTOR by any governmental officer or agency pursuant to statutory authority for the dissolution or liquidation of the CONTRACTOR; or if a temporary or permanent receiver or trustee shall be appointed for the CONTRACTOR or for the CONTRACTOR's property and such temporary or permanent receiver or Trustee shall not be discharged within thirty (30) days from the date of appointment.

The CONTRACTOR shall provide written notice to the CITY of the occurrence of any event of default within ten (10) days of CONTRACTOR's notice of any such default.

#### **ARTICLE 47 - WAIVER OF SUBROGATION**

CONTRACTOR hereby waives any and all rights to Subrogation against the CITY, its officers, employees and agents for each required policy. When required by the insurer, or should a policy condition not permit an insured to enter into a pre-loss agreement to waive subrogation without an endorsement, then the CONTRACTOR shall agree to notify the insurer and request the policy be endorsed with a Waiver of Transfer of Rights of Recovery Against Others, or its equivalent. This Waiver of Subrogation requirement shall not apply to any policy, which a condition to the policy specifically prohibits such an endorsement, or voids coverage should the CONTRACTOR enter into such an agreement on a pre-loss basis.

#### **ARTICLE 48 - RIGHT TO REVIEW**

The CITY, by and through its Risk Management Department, in cooperation with the contracting/monitoring department, reserves the right to review, reject or accept any required policies of insurance, including limits, coverages, or endorsements, therein from time to time throughout the term of this Contract. The CITY reserves the right, but not the obligation, to review and reject any insurer providing coverage because of poor financial condition or failure to operate legally.

#### **ARTICLE 49 – SUBRECIPIENT REQUIREMENTS**

CONTRACTOR agrees and recognizes that CITY may be seeking reimbursement in whole or in part for the cost of the work contemplated by this Contract from a third party, including but not limited to, various County, State, and Federal agencies or subdivisions. The reimbursement sought by CITY may be dependent upon, among other items, CONTRACTOR's compliance with the terms and conditions of this Contract and the furnishing of Subrecipient Requirement information by CONTRACTOR to CITY. CONTRACTOR agrees to fully cooperate with CITY in any requests of CITY to fulfill CITY's Subrecipient Requirements and to otherwise obtain the sought after reimbursement. CONTRACTOR agrees and recognizes that the failure to comply with all the terms and conditions of this Contract and the furnishing of Subrecipient Requirement information to CITY by CONTRACTOR may result in the CITY failing to obtain the sought after reimbursement in whole or in part for the cost of the work contemplated by this Contract and that such failure by the CONTRACTOR shall constitute a material default under this Contract.

#### **ARTICLE 50 – WAIVER OF TRIAL BY JURY**

IN THE EVENT OF LITIGATION ARISING FROM THIS CONTRACT, CITY AND CONTRACTOR KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHT TO A TRIAL BY JURY. CITY AND CONTRACTOR HEREBY ACKNOWLEDGE THAT THIS WAIVER PROVISION IS A MATERIAL INDUCEMENT FOR EACH PARTY AGREEING TO ENTER INTO THIS CONTRACT.
