Karen and Rickey,

This type of work is not within the scope of work typically performed by GFOA. I have, therefore, reached out to the Palm Beach Chapter of the Institute of Internal Auditors. Recommended by colleagues:

The City Council recommended that the cost and components of a forensic audit be prepared for the next city council meeting for discussion purposes. Please reach out to your professional organizations to obtain information related to this type of audit. Provide to me in memo form your findings and recommendations by Tuesday, June 12 so it can be added to the agenda for June 20.

If you have any questions, please feel free to call me.

Thanks

Karen
