6-1 GENERAL OVERVIEW

Each proposal will be reviewed to determine if the proposal is responsive to the submission requirements outlined in this RFQ. A responsive proposal is one which follows the requirements of the RFQ, includes all documentation, is submitted in the format outlined in the RFQ, is a timely submission, and has the appropriate signatures as required on each document. Failure to comply with these requirements may result in a proposal being deemed non-responsive.

As part of the proposal evaluation process, the City may conduct a background investigation of individuals working for the proposer including a record check by the Riviera Beach Police Department. Proposer's submission of a proposal constitutes acknowledgment of the process and consent to such investigation. The City shall be the sole judge in determining proposal qualifications. The evaluation of proposals shall be to establish the ranking order of the Proposers. The Evaluation Committee shall evaluate all responsive proposals to establish the final ranking order.

The selection of Proposers shall be based on the three (3) highest scores for written proposals. Oral interviews shall be optional, however, if in the City's sole discretion, oral interviews are required, then selection shall be based upon the three (3) highest combined scores for both the written proposal and oral interview. The City reserves the right to reject any or all offers or to accept any offers which is in its best interest. The City also reserves the right to waive any informalities, irregularities and technicalities in procedure.

The City reserves the right, before qualifying any Proposer, to require the Proposer to submit such evidence of qualifications and any current or updated information that was requested in the RFQ as it may deem necessary, and may consider any information available to it of the financial, technical, and other qualifications and abilities of a Proposer, including past performance with other governmental agencies. Proposers are advised that requests for additional information or site visitation are not to be construed as an indication that a Proposer will receive or is in the best position to receive a contract award.

The Utility Special District Procurement contact will prepare and submit a recommendation to the user department which will then submit a recommendation to the City Manager.

The City Manager will submit a recommendation for approval to the City Council of the City of Riviera Beach.

The City Council may award a contract or reject any or all proposal(s). The City Council may, in its discretion, interview proposers and/or evaluate based upon the criteria set forth herein. The City Council can award a contract based upon its independent review in rendering a decision.
