The bidder understands and agrees that in addition to all other remedies and consequences provided by law, the failure of the bidder or its subcontractors or lower tier subcontractors to fully cooperate with the Inspector General when requested may be deemed by the municipality to be a material breach of any contract entered into with the bidder as justification for termination.

Liaison with Contractor

Coordinate and approve all work under the contract.

Good	Exceeds requirements
Fair	Just meets requirements.
Poor	Does not meet all requirements and contractor is subject to penalty provisions under the contract.
Non-compliance	Either continued poor performance after notice or a performance level that does not meet a significant portion of the requirements. This rating makes the Contractor subject to the default or cancellation for cause provisions of the contract.

The report shall also list all discrepancies found during the review period.
