RE: REVIEW OF INTERLOCAL AGREEMENT BETWEEN THE CITY AND
PALM BEACH COUNTY FOR THE USE OF EMS GRANT FUNDS FOR
EMERGENCY MEDICAL SERVICES EQUIPMENT

You requested that our office provide a legal review of the proposed Interlocal Agreement between the City of Riviera Beach ("City") and Palm Beach County ("County") for the use of EMS grant funds for emergency medical services equipment.

Pursuant to this Interlocal Agreement, the County agrees to reimburse the City, in an amount not to exceed \$22,934.00, for its fiscal year 2018-2019, EMS State grant funds, specifically for the purchase of one (1) Stryker Powerload Stretcher, and the City agrees to accept the reimbursement under the terms and conditions of the EMS State grant and this Interlocal Agreement.

The Interlocal Agreement is legally sufficient. I am returning the original Agreement with an original signature by the City Attorney via interoffice mail and a copy will be sent to you via email.
