Rules of Use:

- Tablets are available for a maximum loan period agreed between each party, due by the date listed on this agreement. The tablet is provided for eligible students as defined by their primary education institution and whose parent(s) are current library cardholders in good standing.
- Tablets loaned will be checked out to the designated eligible child library cardholder’s account as defined by the school. Parents must co-sign this agreement for lending purposes and by doing so, fully acknowledge their child is liable for the tablet.
- Tablets are not renewable. Cardholders may borrow only one device at a time per card.
- Tablets not returned by their due date may result in future borrowing privileges being denied. Patrons with overdue tablets will lose access to all library borrowing services until the tablet is returned.
- You will be held responsible for all applicable replacement costs and processing fees, up to \$250 for the Tablet and/or accessories if lost, stolen or damaged while checked out to you. Waiver of said replacements costs and fees will be considered if a police report is provided for a stolen tablet. The library will not accept replacement Tablets, or accessories purchased by the customer.
- The Library disclaims all liability for loss of confidential information or damages resulting from the loss of a tablet, and accepts no responsibility for breach of privacy. We recommend that no personal information be entered at any time using the library tablets.
- Failure to pay any amount owed will be considered an outstanding debt to Riviera Beach Public Library and will be added as a fine to your library account, disabling it for further use until resolved. In addition, failure to resolve this matter may result in permanent loss of borrowing privileges with the library.
- As required by The Children's Internet Protection Act ("CIPA"), in order to remain eligible for certain federal funding, the Library has implemented software filtering on these devices. The software installed on the tablets protects against access to visual depictions of obscenity, child pornography, and, in the case of persons under the age of 17 years, materials that are "harmful to minors." The Library cannot and does not guarantee that the filtering software will block all obscenity, child pornography, or materials that are harmful to minors. Nor can the Library guarantee that the filtering software will not restrict access to sites that may have legitimate research or other value. Parents/Guardians are responsible for monitoring what their children access via the tablet and the library.
- In consideration for being permitted to use the City’s tablets, the undersigned, on behalf of himself/herself, hereby agrees to RELEASE, WAIVE, DISCHARGE, INDEMNIFY, AND HOLD HARMLESS the City of Riviera Beach, Florida, a municipal corporation, its officers, servants, agents, or employees from any and all liability, claims, demands, actions, and causes of action whatsoever (including attorney fees) for any loss, damage, or injury, including death, arising from the use of the tablet.
- The city of Riviera Beach is using a Mobile Device Management (MDM) system to secure, manage and track tablet for use by the student. This software helps keep the city’s equipment in compliance with CIPA while in use. Attempts to disable, change, or circumvent this MDM system is strictly prohibited. Any attempts by tablet users to change the tablet in any way (i.e. “Rooting,” “Hard Resetting,” “Soft Resetting,” or “Hardware Configuration”) is strictly prohibited. Tablets are to remain on
