Dear Amy:

I am pleased to inform you that your Black History program application has been approved. Upon successful completion of the program and submission of required reporting, you will receive a reimbursement of up to \$500. The necessary report can be found [here](#). I encourage you to preview it beforehand.

Please remember that this program must be free and open to the public. This program also requires a 1-to-1 match, which can include in-kind items.

The approved program is:  
**Ersula Knox Odom presenting Dr. Mary McLeod Bethune Comes to Life  
February 14, 2019 at 12:00 PM at the Lindsey Davis Community Center**

Any changes to the program time, venue, or speaker must be approved in writing by FHC. Failure to do so may result in loss of funds.

Once again, congratulations on being chosen to host this wonderful program. If you have any questions, please don't hesitate to contact me.

Sincerely,

Alex Buell
