SECTION III - GENERAL CONDITIONS

11. CONTRACT PERIOD:

- 11.1. The Contract resulting from this solicitation shall be a term Contract for the time period specified herein. During the specified time period, the County may order services/supplies as the requirements generate and the Vendor/Contractor will deliver the services/supplies ordered. It is understood that the County is not obligated to purchase any specific amount of services/supplies under this agreement.
- 11.2. The period of the Contract shall extend for twenty-four (24) months effective from award.
- 11.3. The Contract may be extended, by mutual agreement, for one (1) additional twelve (12) month period up to a cumulative total of thirty-six (36) months. Documentation of these increases must be furnished to the County upon request. Any upward price adjustment approved by the County shall impose upon the Vendor/Contractor the requirement to advise and extend to the County price reductions when costs similarly decrease.
- 11.4. Either party may cancel this Contract, in whole or in part, by giving ninety (90) days prior notice in writing. However, the Vendor/Contractor shall not be authorized to exercise this cancellation option during the first one-hundred eighty (180) days of the Contract. The number of days within which, or the dates by which, the work is to be substantially completed and ready for final payment are set forth in the Agreement.

12. BID PRICE/SUBMITTAL REQUIREMENTS:

- 12.1. The prices bid shall remain firm during the period of the Contract. The prices bid shall be inclusive of all labor, equipment, and materials as specified within this solicitation. The price bid constitutes the total compensation payable to the Vendor/Contractor for performing the work.
- 12.2. Unless otherwise stated, the prices bid shall include all costs of packing, transporting, delivery, and services to the designated point within Hernando County.
- 12.3. The Bidder hereby certifies that this bid is made without prior understanding, agreement, or connection with any corporation, firm, or person submitting a bid for the same materials, supplies, services, or equipment and is in all respects fair and without collusion or fraud. Further, the Bidder

hereby agrees to abide by all terms and conditions of this bid and certifies that the person executing the bid form is authorized to sign this bid for the Bidder.

- 12.4. Unit prices shall be shown and where there is an error in extension of price, the unit price shall govern.
- 12.5. The Bidder warrants that the prices of the items set forth herein do not exceed those charged by the Bidder under a Contract with the State of Florida or any of its agencies.
- 12.6. Bidder must submit the solicitation document in its entirety, including the Solicitation-Offer-Award cover sheet, bid specifications, Bid Form and all required Forms/Certifications. Failure to submit these forms may render the bid non-responsive.

13. QUALIFICATION OF BIDDERS:

- 13.1. This bid shall be awarded to a responsive, responsible bidder, qualified by experience to provide the work specified. The Bidder will submit the following information with his bid:
 - 13.1.1. List and brief description of similar work (size and scope) for at least three (3) references of firms, and/or governmental agencies/entities satisfactorily completed with location, dates of Contract, names, addresses, telephone numbers and email addresses of owners by completing the reference sheets attached is Section VII. These references must be for work performed within the past three (3) years.
 - 13.1.2. List of equipment and facilities available to do work.
 - 13.1.3. List of personnel, by name and title, contemplated to perform the work.
 - 13.1.4. Failure to submit this information may be cause for rejection of your bid.

14. BID EVALUATION AND AWARD:

- 14.1. Bid evaluation will be based on price, conformance with specifications and the Bidder's ability to perform the Contract in accordance with the terms and conditions required. Bidders must submit all data necessary to evaluate and determine the quality of the item(s) and/or services they are bidding.
- 14.2. The County reserves the right to make multiple awards to the lowest, responsive and responsible bidders based on group or the unit item price, whichever is the most advantageous to the County. However, the County reserves the right to reject any and all bids in accordance with the Hernando County Procurement Ordinance.
- 14.3. If two (2) or more fully responsive, responsible bids are received for the same total amount or unit price, quality and service being equal, the County reserves the right to award the Contract to the Bidder whose place of business is located within the boundaries of Hernando County, Florida. Should tie bids, as described above, be received from either two (2) or more Hernando County Bidders or from non-local Bidders when no Hernando County Bidder has submitted a tie bid, then the Board of County Commissioners shall award the Contract to one (1) Vendor/Contractor by drawing lots in a public meeting.
- 14.4. The County shall be the sole judge as to the relative merits of the bids received.
- 14.5. If a separate written Contract is not required by the County; a written letter of award, mailed or otherwise furnished to the successful Bidder, shall result in a binding Contract without further action by either party.
- 14.6. Discounts for payments within less than twenty (20) days will not be considered in evaluation of bids, however, offered discounts will be taken for less than twenty (20) days if payment is made within the discount period.

15. LOCAL PREFERENCE:

15.1. Purpose and Findings: These provisions apply to purchases using Formal Bid, Request for Proposals or Quotes. The County annually spends significant dollars on purchasing personal property, materials, and services, and in constructing improvements to real property or existing structures. The dollars used in making those purchases are derived, in large part, from taxes, fees and utility revenues paid by businesses located within Hernando County, and the County Commission has determined that funds generated in the community should, to the extent possible, be placed back into the local economy. Therefore, the County Commission has determined that it is in the best interest of the County to give a preference to local businesses in making such purchases whenever the application of such a preference is reasonable in light of the dollar-value of bids and quotes received in relation to such expenditures.

15.2. Application:

15.2.1. In bidding for, or letting Contracts for procurement of supplies, materials, equipment, and services, as described in the purchasing policies of the County, the Board of County Commissioners may give a preference to local businesses in making purchases or awarding Contracts in an amount not to exceed:

15.2.1.1. Five (5%) percent of the local business' total bid price if the cost differential does not exceed \$10,000.00 for procurement activities in amounts over \$35,000.00, or

15.2.1.2. Three (3%) percent if the cost differential does not exceed \$1,000.00 for procurement activities in amounts more than \$10,000.00, but less than \$35,000.

15.2.2. The total bid price shall include not only the base bid price, but also all alterations to the base bid price resulting from alternates which were both part of the bid and actually purchased or awarded by the Board of County Commissioners.

15.2.3. In the case of requests for proposals or qualification, letters of interest, or other solicitations and competitive negotiations and selections in which objective factors are used to evaluate the responses, local businesses shall be assigned five percent of the total points of the total evaluation points.

15.3. Definitions:

15.3.1. Local Vendor means a person or business entity which has maintained a permanent place of business with full-time employees within Hernando County for a minimum of twelve months prior to the date bids or quotes were received for the purchase or Contract at issue, and which generally provides from such permanent place of business the kinds of goods or services solicited, and which at the time of the solicitation fully complies with the local vendor eligibility identified below.

15.3.2. Local Vendor Affidavit of Eligibility shall accompany the quotation or bid submittal in order to be considered valid and shall include, but not be limited to, the following current information:

15.3.2.1. A physical business and location address;

15.3.2.2. A copy of a current Hernando County Local Business Tax Receipt (formerly known as an "occupational license") to verify the business location;

15.3.2.3. Proof of payment of business license and/or real property tax due to Hernando County;

- 15.3.2.4. A copy of the firm's most recent annual corporation report to the Florida Division of Corporations;
 - 15.3.2.5. Any additional information necessary to verify local status.
- 15.4. **Competitive Bids/Quotes:** The County reserves the exclusive right to compare, contrast and otherwise evaluate the qualifications, character, responsibility and financial qualifications of all persons, firms, partnerships, companies or corporations submitting formal bids or formal quotes in any procurement for goods and services when making an award in the best interests of the County.
- 15.5. **Exemptions:**
 - 15.5.1. Purchases resulting from exigent emergency conditions where any delay in completion or performance would jeopardize public health, safety, or welfare of the citizens of the County, or where in the judgment of the County the operational effectiveness or a significant County function would be seriously threatened if a purchase was not made expeditiously.
 - 15.5.2. Purchases with any sole source supplier for supplies, materials, or other equipment.
 - 15.5.3. Purchases made through cooperative purchasing arrangements utilized by the Purchasing and Contracts Department as identified in the Purchasing Policy.
 - 15.5.4. Purchases that are funded in whole or in part by assistance from any federal, state, or local agency where the program guidelines do not permit local preference.
 - 15.5.5. Purchases with an estimated cost of less than \$10,000.00 or less.
- 15.6. **Appeal:** If an application for a "Local Contractor/Vendor" designation is denied, the applicant may appeal such decision to the County Administrator for review and further consideration.
- 16. **HOURS:** Work may be performed between the hours of 7:30 AM to 4:00 PM, Monday through Friday, except County holidays. The County may, on certain occasions, approve work outside of these times. Such exception(s) must be approved in writing by the County at least one (1) day in advance. Services will not be permitted when operations would cause a traffic or safety hazard.
- 17. **WARRANTIES:** The Bidder agrees that the supplies and services furnished under this award shall be covered by the most favorable commercial warranties the Bidder gives to any customer for comparable quantities of such supplies or services and that the rights and remedies provided herein are in addition to and do not limit any rights afforded to the County by any other provision of this award.
- 18. **DELIVERY AND ACCEPTANCE:**
 - 18.1. The County will order services by issuance of a Hernando County numbered Purchase Order. Each order will specify the scope of work, location and date(s) for service required.
 - 18.2. Receipt of services/supplies shall not constitute acceptance. Final acceptance and authorization of payment shall be given only after thorough inspection indicates that the services/supplies delivered meet bid specifications and conditions. Should the services/supplies differ in any respect from the specifications, payment will be withheld until such time as the Vendor/Contractor takes necessary correction action. If the proposed corrective action is not acceptable to the County, final acceptance of the services may be refused, in which case the services shall remain the property of the Vendor/Contractor and the County shall not be liable for payment for any portion thereof.
 - 18.3. Unless otherwise specified, services shall be performed as described in these Contract documents.
 - 18.4. Vendor/Contractor(s) shall not commence work prior to the County's receipt and acceptance of the Certification of Insurance, and any other required documents/certificates as specified by these Contract documents.

19. **REJECTION OF BID:** The County reserves the right to reject any and all bids. Bids which are incomplete, unbalanced, conditional, obscure or which contain additions not required, or irregularities of any kind, or which do not comply with every aspect of this solicitation, may be rejected at the option of the County.
20. **MINOR INFORMALITIES AND IRREGULARITIES:** Hernando County has the right to waive minor defects or variations of a bid from the exact requirements of the specifications that do not affect price, quality, quantity, delivery, or performance time of the services being procured. If insufficient information is submitted by a Bidder with the bid for Hernando County to properly evaluate the bid, Hernando County has the right to require such additional information as it may deem necessary after the time set for receipt of bids, provided that the information requested does not change the price, quality, quantity, delivery or performance time of the services being procured. The Board of County Commissioners reserves the right to reject any or all bids in whole or in part; to award by any item, group(s) of items or in the aggregate whichever is most advantageous to the County.
21. **NON-EXCLUSIVE CONTRACT:** Award of a Contract resulting from this bid imposes no obligation on the County to utilize the Vendor/Contractor for all work of this type, which may develop during the Contract period. This is not an exclusive Contract. The County specifically reserves the right to contract with another company for similar work if it deems such action to be in the County's best interest.
22. **NON-PERFORMANCE:**
- 22.1. Time is of the essence in this Contract and failure to deliver the services specified within the time period required shall be considered a default.
- 22.2. In case of default, the County may procure the services from other sources and hold the Vendor/Contractor responsible for all costs occasioned thereby and may immediately cancel the Contract.
23. **ASSIGNMENT:** The successful Bidder is required to perform this Contract and may not assign, transfer, convey, sublet or otherwise dispose of any award or any or all of its rights, title, or interest therein, or the resulting contractual agreement in whole or in part without prior written authorization given at the sole discretion of Hernando County.
24. **PUBLIC ENTITY CRIMES:** Any person submitting a bid or proposal in response to this invitation certifies that they are aware of, and in compliance with, all requirements under Section 287.133, Florida Statutes (current edition), on Public Entity Crimes. Bidders must complete and return with bid the Sworn Statement to Public Entity Crimes attached in these bid documents.
25. **LICENSES AND PERMITS:** Prior to furnishing the requested product(s) or service(s), it shall be the responsibility of the awarded Vendor/Contractor to obtain, at no additional cost to Hernando County, any and all licenses and permits required to complete this contractual service. These licenses and permits shall be readily available for review by the Chief Procurement Officer or his/her designee.
26. **LAWS, REGULATIONS, PERMITS AND TAXES:** Vendor/Contractor shall comply with County's jobsite procedures and regulations and with all applicable local, state and federal laws, rules and regulations and shall obtain all permits required for any of the work performed hereunder. Vendor/Contractor shall procure and pay for all permits and inspections required for any of the work performed hereunder and shall furnish any bonds, security or deposits required to permit performance of the work. Vendor/Contractor shall, to the extent permissible under applicable law, comply with the jobsite provisions which validly and lawfully apply to work on the specific jobsite being performed under this Contract. County of Hernando is exempt from Federal Excise Taxes and all Sales Taxes.
27. **TAXES:**

This exemption does not apply to purchases of tangible personal property made by Vendor/Contractor(s) who use the tangible personal property in the performance of contracts for improvements of County owned real property (Chapters 192 and 212, F.S. (current edition) and applicable rules of the Department of Revenue).
28. **MANUFACTURERS' NAME AND APPROVED EQUIVALENTS:** When manufacturers' names, trade names, brand names, information and/or catalog number listed in a specification are for information and not intended to limit competition. It is for the purpose of item identification and to establish standards for quality; style and features. Bids on equivalent items will be considered unless items are noted as no substitutes. The Bidder may offer any brand for which he is an authorized representative, which meets or exceeds the specifications for any item(s). If Bids are based on equivalent products, indicate on the Bid Form the manufacturers' name and catalog number. Bidder shall submit with his bid, cuts, sketches, and descriptive literature and/or specifications. The Bidder should also explain in detail the reasons(s) why and submit proof that the proposed equivalent will meet the specifications and not be considered an exception thereto. Hernando County Board of County Commissioners reserves the right to be the sole judge of what is equal and acceptable. Bids which do not comply with these requirements may be found non-responsive and subject to rejection. If Bidder fails to name a substitute, it will be assumed that he is bidding on, and will be required to furnish goods identical to the bid standard as specified.
29. **LITIGATION/WAIVER OF JURY TRIAL:** This Agreement shall be governed by and construed according to Florida law. Venue for any dispute or formal litigation concerning this Agreement shall be in the appropriate court with territorial jurisdiction over Hernando County, Florida. In the event of a dispute or litigation, each party to such dispute or litigation shall be solely responsible for its own attorneys' fees and costs. This Agreement shall not be construed for or against any party hereto, without regard to which party is wholly or partly responsible for its drafting. Each party acknowledges that it is aware of and has had the opportunity to seek advice of counsel of its choice with respect to its rights to trial by jury, and each party, for itself and its successors, creditors, and assigns, does hereby expressly and knowingly waive and release all such rights to trial by jury in any action, proceeding or counterclaim brought by any party hereto against the other (and/or against its officers, directors, employees, agents, or subsidiary or affiliated entities) on or with regard to any matters whatsoever arising out of or in any way connected with this Contract and/or any other claim of injury or damage.
30. **TERMINATION:**

Each claim shall be accompanied by claimant's written statement that the adjustment claimed is the entire adjustment to which the claimant believes it is entitled as a result of said event. The opposing party shall submit any response to the Chief Procurement Officer and the claimant within thirty (30) days after receipt of the claimant's last submittal (unless the Chief Procurement Officer allows additional time).
- 46.3. Chief Procurement Officer's Action: Chief Procurement Officer will review each claim and, within thirty (30) days after receipt of the last submittal of the claimant or the last submittal of the opposing party, if any, take one of the following actions in writing:
- 46.3.1. deny the claim in whole or in part,
- 46.3.2. approve the claim, or
- 46.3.3. notify the parties that the Chief Procurement Officer is unable to resolve the claim if, in the Chief Procurement Officer's sole discretion, it would be inappropriate for the Chief Procurement Officer to do so. For purposes of further resolution of the claim, such notice shall be deemed a denial.
- 46.4. In the event that Chief Procurement Officer does not take action on a claim within said thirty (30) days, the claim shall be deemed denied.
- 46.5. Chief Procurement Officer's written action or denial will be final and binding upon Owner and Vendor/Contractor, unless Owner or Vendor/Contractor invoke the dispute resolution procedure within thirty (30) days of such action or denial.

47. DISPUTE RESOLUTION:

- 47.1. Owner and Vendor/Contractor may mutually request mediation of any claim submitted to the Owner for a decision before such decision becomes final and binding. The mediation will be governed by the Construction Industry Mediation Rules of the American Arbitration Association in effect as of the effective date of the Agreement. The request for mediation shall be submitted in writing to the American Arbitration Association. Timely submission of the request shall stay the effect.

- 47.3.1. agrees with the other party to submit the claim to another dispute resolution process, or
 - 47.3.2. gives written notice to the other party of their intent to submit the claim to a court of competent jurisdiction.

SECTION IV - SPECIAL CONDITIONS

48. **F.O.B. POINT:** The F.O.B. point shall be installed at the location(s) specified herein. Bids showing other than F.O.B. Destination will not be accepted. The bid shall include all costs of packaging, transporting, delivery and unloading (THIS INCLUDES INSIDE DELIVERY IF REQUESTED) to designated point within the County.
49. **AS SPECIFIED:** All items delivered must meet the specifications herein. Items delivered not as specified will be returned at no expense to the County. The County may return, for full credit, any unused items received which fail to meet the County's performance standards. Replacement items meeting specifications must be submitted within a reasonable time after rejection of the non-conforming items.
50. **EQUIPMENT/SERVICE:**
- 50.1. The scope of these specifications is to insure the delivery of a complete unit ready for operation. Omission of any essential detail from these specifications does not relieve the awarded Vendor/Contractor from furnishing a complete unit.
 - 50.2. All equipment must be new, or current manufacturer in production at the time of bid opening and carry standard warranties. The awarded Vendor/Contractor must service all equipment prior to delivery.
 - 50.3. Bids will be considered only on equipment which can, on short notice, be serviced and maintained by the successful bidder. At the time of bid opening, the bidder must be an authorized dealer, distributor, and/or representative of the manufacturer for the brand/model being bid. For the purposes of this bid solicitation, dealer, distributor, and/or representative means a firm or person that owns, operates, or maintains a store, warehouse, or other establishment in which materials, supplies, parts, articles, or equipment of the general character described in the specifications are bought, kept in stock and sold commercially or to the general public in the usual course of business. The bidder must maintain a normal supply of repair parts and be equipped with personnel and facilities to provide such service as necessary to keep the equipment in operation with a minimum of delay. Failure to meet these requirements, in the County's sole opinion, may be cause for rejection.
 - 50.4. Bidder must indicate the nearest available location for replacement parts, how long parts will be available on the market and the number of days to receive parts after receipt of order. The space for this information is included on the Bid Form.
51. **PRICING:** The County requires a firm price for the entire Contract period. Invoices will be reviewed to confirm compliance with Bid pricing. Failure to hold prices firm shall be grounds for immediate termination of the Contract.
52. **PRICE ADJUSTMENT:** Written request for price adjustments may be made every twelve (12) months, no less than thirty (30) days prior to the requested effective date. Any increased price adjustment(s) must be accompanied by written justification attesting that the request is a bonafide cost increase to the Vendor/Contractor. The base period for any requested adjustment shall be the beginning of the latest period

during which an adjustment may have been made. For example, if annual adjustments may be requested under a three-year Contract and none is requested after the first two (2) years, the base period for an adjustment effective the third year shall be the beginning of the second year. All requests for price adjustment(s) shall be supported by Consumer Price Index and/or Producer Price Index documentation supporting the requested increase. The maximum allowable increase shall not exceed four percent (4%). All price adjustments must be accepted by the Chief Procurement Officer and shall be accomplished by written amendment to this Contract.

53. MARKET CONDITIONS: The County reserves the right to purchase on the open market should lower market prices prevail, at which time the Vendor/Contractor shall have the option of meeting the lower price or relieving the County of any obligation previously understood.

54. CHANGES - SERVICE CONTRACTS:

54.1. The County may at any time by issuance of an executed change order make changes within the general scope of the Contract in any of the following areas:

- 54.1.1.** Description of services to be performed.
- 54.1.2.** Time of performance (i.e., hours of the day, days of the week, etc.).
- 54.1.3.** Place of performance of the services.

54.2. If additional work or other changes are required in the areas described above, a price proposal will be required from the Vendor/Contractor. Upon negotiation of the proposal, execution and receipt of the change order, the Vendor/Contractor shall commence performance of the work as specified.

54.3. The Vendor/Contractor shall not commence the performance of additional work or other changes not covered by this Contract without an executed change order issued by the Purchasing and Contracts Department. If the Vendor/Contractor performs additional work beyond the specific requirements of this Contract without an executed change order, it shall be at his/her own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

55. METHOD OF ORDERING: The County will issue purchase orders against the Contract on an as needed basis for the supplies or services listed on the Bid Form.

56. CONDITIONS FOR EMERGENCY/HURRICANE OR DISASTER - TERM CONTRACTS: It is hereby made a part of this Invitation for Bid that before, during and after a public emergency, disaster, hurricane, flood, or other acts of God that Hernando County shall require a "first priority" basis for goods and services. It is vital and imperative that the majority of citizens are protected from any emergency situation which threatens public health and safety, as determined by the County. Vendor/Contractor agrees to rent/sell/lease all goods and services to the County or other governmental entities as opposed to a private citizen, on a first priority basis. The County expects to pay contractual prices for all products or services required during an emergency situation. Vendor/Contractor shall furnish a twenty-four (24) hour phone number and email address in the event of such an emergency.

57. ADDITIONAL ITEMS: The award of the bid shall be based on the fixed price submitted for the items on the Bid Form attached to these Bid Documents. Additional items not on the current bid form may be added from time to time. However, the County will obtain quotes from at least three Vendor/Contractors who have already submitted bids and these items will be added to the low responsive and responsible Bidder's Contract without the need for an Amendment to the Contract.

58. MANUFACTURER ITEM RETIREMENT/UPGRADE: Should the Manufacturer retire or upgrade any item with a change to the part number, the upgraded item will automatically be added to the Contract without the need for an Amendment to the Contract. The replacement item must meet or exceed the product standard of the item being replaced. The Hernando County Project Manager shall be notified of the change and will need to approve or reject the substitution. Any retired item will automatically be removed from the Contract

without the need for an Amendment to the Contract. Any retired item shall continue to be supported for the life of the warranty.

 - _____Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.
 - _____The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

Any upward price adjustment approved by the County shall impose upon the Vendor/Contractor the requirement to advise and extend to the County price reductions when costs similarly decrease.
- 11.4. Either party may cancel this Contract, in whole or in part, by giving ninety (90) days prior notice in writing. However, the Vendor/Contractor shall not be authorized to exercise this cancellation option during the first one-hundred eighty (180) days of the Contract.  - 13.1.1. However, the County reserves the right to reject any and all bids in accordance with the Hernando County Procurement Ordinance.
- 14.3. If two (2) or more fully responsive, responsible bids are received for the same total amount or unit price, quality and service being equal, the County reserves the right to award the Contract to the Bidder whose place of business is located within the boundaries of Hernando County, Florida. Should tie bids, as described above, be received from either two (2) or more Hernando County Bidders or from non-local Bidders when no Hernando County Bidder has submitted a tie bid, then the Board of County Commissioners shall award the Contract to one (1) Vendor/Contractor by drawing lots in a public meeting.
- 14.4. The County shall be the sole judge as to the relative merits of the bids received.

15. LOCAL PREFERENCE:

15.1. Purpose and Findings: These provisions apply to purchases using Formal Bid, Request for Proposals or Quotes. The County annually spends significant dollars on purchasing personal property, materials, and services, and in constructing improvements to real property or existing structures. The dollars used in making those purchases are derived, in large part, from taxes, fees and utility revenues paid by businesses located within Hernando County, and the County Commission has determined that funds generated in the community should, to the extent possible, be placed back into the local economy. Therefore, the County Commission has determined that it is in the best interest of the County to give a preference to local businesses in making such purchases whenever the application of such a preference is reasonable in light of the dollar-value of bids and quotes received in relation to such expenditures.

15.2. Application:

15.2.1. In bidding for, or letting Contracts for procurement of supplies, materials, equipment, and services, as described in the purchasing policies of the County, the Board of County Commissioners may give a preference to local businesses in making purchases or awarding Contracts in an amount not to exceed:

15.2.1.1. Five (5%) percent of the local business' total bid price if the cost differential does not exceed \$10,000.00 for procurement activities in amounts over \$35,000.00, or

15.2.1.2. Three (3%) percent if the cost differential does not exceed \$1,000.00 for procurement activities in amounts more than \$10,000.00, but less than \$35,000.

15.2.2. The total bid price shall include not only the base bid price, but also all alterations to the base bid price resulting from alternates which were both part of the bid and actually purchased or awarded by the Board of County Commissioners.

15.2.3. In the case of requests for proposals or qualification, letters of interest, or other solicitations and competitive negotiations and selections in which objective factors are used to evaluate the responses, local businesses shall be assigned five percent of the total points of the total evaluation points.

15.3. Definitions:

15.3.1. Local Vendor means a person or business entity which has maintained a permanent place of business with full-time employees within Hernando County for a minimum of twelve months prior to the date bids or quotes were received for the purchase or Contract at issue, and which generally provides from such permanent place of business the kinds of goods or services solicited, and which at the time of the solicitation fully complies with the local vendor eligibility identified below.

- 15.5. **Exemptions:**
- 15.5.1. - 15.5.2. Purchases with any sole source supplier for supplies, materials, or other equipment.
- 15.5.3. Purchases made through cooperative purchasing arrangements utilized by the Purchasing and Contracts Department as identified in the Purchasing Policy.

Final acceptance and authorization of payment shall be given only after thorough inspection indicates that the services/supplies delivered meet bid specifications and conditions. Should the services/supplies differ in any respect from the specifications, payment will be withheld until such time as the Vendor/Contractor takes necessary correction action. If the proposed corrective action is not acceptable to the County, final acceptance of the services may be refused, in which case the services shall remain the property of the Vendor/Contractor and the County shall not be liable for payment for any portion thereof.
- 18.3. Unless otherwise specified, services shall be performed as described in these Contract documents.
- 18.4. Vendor/Contractor(s) shall not commence work prior to the County's receipt and acceptance of the Certification of Insurance, and any other required documents/certificates as specified by these Contract documents.

20. **MINOR INFORMALITIES AND IRREGULARITIES:** Hernando County has the right to waive minor defects or variations of a bid from the exact requirements of the specifications that do not affect price, quality, quantity, delivery, or performance time of the services being procured. If insufficient information is submitted by a Bidder with the bid for Hernando County to properly evaluate the bid, Hernando County has the right to require such additional information as it may deem necessary after the time set for receipt of bids, provided that the information requested does not change the price, quality, quantity, delivery or performance time of the services being procured. The Board of County Commissioners reserves the right to reject any or all bids in whole or in part; to award by any item, group(s) of items or in the aggregate whichever is most advantageous to the County.
21. **NON-EXCLUSIVE CONTRACT:** Award of a Contract resulting from this bid imposes no obligation on the County to utilize the Vendor/Contractor for all work of this type, which may develop during the Contract period. 22. **NON-PERFORMANCE:**
- 22.1. Time is of the essence in this Contract and failure to deliver the services specified within the time period required shall be considered a default.
