UD PROCUREMENT DIVISION

To: WILLIE HORTON, EXECUTIVE DIRECTOR

Through: RICK LITTLE, INTERIM PROCUREMENT DIRECTOR

From: PAMELA DALEY, SENIOR PROCUREMENT SPECIALIST

Date: MAY 12, 2019

Subject: **RECOMMENDATION: UNIDIRECTIONAL FLUSHING - HYDROMAX USA**

Consistent with the City of Riviera Beach **Code of Ordinance (Section [DP1]16.5)**, Utility Special District Procurement Division advertised Request for Bid (BID) in the “**Legal Notice**” section of the Palm Beach Post on December 02, 2019, to solicit qualified firms or individuals to provide Unidirectional Flushing services for the Utility Special District.

To provide additional exposure and ensure maximum competition for the project, the BID was also advertised on the City’s internet website.

Unidirectional Flushing is a unique and specialized commodity with limited vendors. The District received three submittals from various vendors throughout the US. Subsequently, the lowest responsive and responsible vendor was HYDROMAX USA, located in Lakeland, Florida.

Accordingly, it is the District desire that HYDROMAX USA be recommended to provide Unidirectional Flushing services for the Utility Special District.
