In the FY2018-2019 Budget the Board of Commissioners allocated \$350,000 for the Commercial Grant Incentive Program. In March 2018, the Board approved six Commercial Grant applicants for a total of \$167,293.81 for Round I of the Grant Program. On February 6, 2019, the Board approved Round II of the Grant Program to accept applications for the remaining \$182,706.19 not previously allocated in Round I. On August 28, 2019, the Board approved seven applicants for Round II of the Grant Program. On September 25, 2019, the Board approved the FY2019/2020 budget including \$250,000.00 for the Commercial Grant Incentive Program.

The Beautification Incentive Program is capped at \$4,000 for small projects such as painting and minor landscaping and does not require a match. The Round III Budget includes both initiatives; there is no allocation per initiative. The Agency will implement the following timeline:

- October 25, 2019 starts the application acceptance period

- November 4, 2019 first technical assistance session
- November 22, 2019 second technical assistance session
- January 8, 2020 Submit applications to the Board for approval

REVIEW PROCESS

All grant applications will be reviewed and scored by RBCRA Senior Project Manager Andre' Lewis, RBCRA Economic Development Consultant Paul Skyers, Vice President of Comerica Bank, Pierre Rodriguez, and Tari Boldin, BB&T Vice President Market Leader, under the supervision of the Interim Executive Director. Applications will be scored based on the underwriting criteria approved by the RBCRA Board. See Exhibit "A" for scoring criteria and Program Policies and Procedures.

Economic Development Incentive

2.1 Property Improvement Incentive Program

2.1.1 Program Description

The Property Improvement Incentive Program awards grant funds to improve commercial real property under competitive criteria. The program focus is on improving the property located along the major right-of-way corridors in the CRA. The applicant is required to invest a minimum of \$10,000 for improvements to building and/or site for a maximum CRA award of \$40,000. The applicant will be eligible for a grant from the CRA for up to \$40,000 based on \$1 private for every \$4 in public funds match criteria. The Board reserves the right to increase or decrease the award amount; including any amount approved for leverage; providing that such changes are communicated prior to Marketing & Intake Procedures (explained below).

The Property Improvement Incentive is designed to eliminate blighted conditions by incenting commercial property owners to make exterior improvements. The grant can serve as a match or be used to leverage other economic development incentives programs offered by others (loans, grants or investments).

2.1.2 Marketing & Intake Procedures

1. Each round will open with RBCRA announcing the Application Period (no less than 60-days). In addition to publishing this program's features on the CRA's website and program brochures, RBCRA will initiate outreach efforts through staff and consultants (if applicable) to commercial realtors and business organizations such as Chambers of Commerce, Business Development Boards, Economic Councils, Regional Planning Councils and local Business Networking Groups to market this program.
2. RBCRA staff will request that the applicants (owners/managers of the prospective properties) complete an Application Packet that staff will use as a part of the initial assessment process. The assessment process includes reviews of:
 - A Sources & Uses worksheet that explains, in detail, how the project will be financed (see Appendix A-11)
 - Evidence of sustainability: An existing business must show two or more years of profitable operations in Riviera Beach at the Incentive Location. A new business will be required to present financial projections.
 - Engineering Plans & Specifications (that demonstrate that the technical aspects of the project are compliant with the City's regulations and that they will facilitate successful execution of the Business Model); renderings and designs of the project's architectural elements, etc. The RBCRA reserves the right to require improvements to be consistent with architectural guidelines if established in the target area as a condition for the grant funds.
 - Copies of Business Licenses, Certifications, Registrations, etc.

- Written communication from the City of Riviera Beach’s Planning & Zoning Department indicating that the project is consistent with the City’s Zoning & Land Use regulations.
3. Each application will be assigned a RBCRA staff person (or consultant) who will serve as its “designated project manager” and ensure that the application is processed expeditiously and that the applicant is kept informed throughout the various stages of processing the application
 4. RBCRA Staff will form a Selection Review Committee to consist of no less than five members who are appointed by the Executive Director and may consist of staff, consultants or volunteers. Each applicant will undergo a review by no less than two reviewers (one staff and one external reviewer). Any anomaly in score will be reviewed by the Executive Director and adjusted based on the Selection Criteria and Underwriting Guidelines outlined below.

2.1.3 Selection Criteria

The Property Improvement Incentive challenges its applicants to achieve a high threshold of performance in order to be eligible for an award. A Highly Qualified Applicant must achieve a minimum aggregate score of “60” to the extent that funds are available. The RBCRA staff will present a list of applicants from the highest score to the least for the Board’s review and approval. The Program’s selection criteria shall include:

1. An Eligibility Checklist. This review consists of a pre-requisite set of criteria that deems the Applicant qualified to proceed for competitive review (property is located in the CRA; evidence of a business entity; and no adverse lawsuits or unpaid fines against the City or CRA).
2. Project Criteria. This section assesses the project’s impacts: the degree to which it eliminates blight, increase tax revenues and is located in Board approved Redevelopment Priority Areas.
3. Community Development Impacts: Bonus points are allocated to the extent that the business provides goods & services for industry targets set by the Board.
4. Economic Impacts: Bonus points are allocated for jobs created or retained; evidence that business pays a higher or livable wage; evidence that business is recruiting applicants through PBC Workforce Alliance or Riviera Beach Mayor’s Initiative; addresses targeted
5. economic conditions set by the Board such as juvenile delinquency; and evidence that contractors domiciled in Riviera Beach are performing the improvements.

3. As stipulated in the project agreement, RBCRA will release funds to the client on a reimbursement basis at the completion of the entire project (upon examination of the project’s Certificate of Occupancy) or pursuant to processing each draw request (see Draw Request Form in Appendix A-10) in an expeditious manner (within ten working days).
4. RBCRA staff will perform monitoring exercises at least three times per year to record the applicant’s compliance with the grant’s requirements (i.e. job creation/retention, use of local contractors, etc.).
