

CITY OF RIVIERA BEACH – MEMORANDUM

TO: HON. MAYOR, CHAIRPERSON AND CITY COUNCIL

THROUGH: JONATHAN EVANS, CITY MANAGER, MPA, MBA, ICMA-CM

FROM: CLARENCE SIRMONS, DIRECTOR OF DEVELOPMENT SERVICES

SUBJECT: ART IN PUBLIC PLACES (AIPP) PROGRAM UPDATES

DATE: JULY 15, 2020

CC: GENERAL PUBLIC

Background:

The City Council previously provided a directive to City staff to further research the elements required to implement a successful, vibrant, and unique Art In Public Places (AIPP) Program. As staff completed this research task, core items contained within existing AIPP Programs began to emerge; 1) a primary and dedicated program facilitator, 2) a master plan, 3) an art advisory board, and 4) an established funding source. City staff desires to provide the City Council with additional details associated with these four core elements and more in order to finalize the details required to create the City's new Art In Public Places Ordinance.

Citywide Goal:

The primary goal of the Art in Public Places program is to establish a program for the integration of arts into both public and private development projects throughout the City of Riviera Beach. This program will visually enliven the city; illuminate the city's history, diversity and culture; and foster economic development. This goal will be achieved through acquiring, exhibiting, and maintaining public art for public consumption in public spaces.

Budget/Fiscal Impact:

To be determined
