Dear Tony,

The Esri Small Municipal and County Government Enterprise Agreement (SGEA) is a three-year agreement that will grant your organization access to Esri term license software. The EA will be effective on the date executed and will require a firm, three-year commitment.

Based on Esri's work with several organizations similar to yours, we know there is significant potential to apply Geographic Information System (GIS) technology in many operational and technical areas within your organization. For this reason, we believe that your organization will greatly benefit from an Enterprise Agreement (EA).

An EA will provide your organization with numerous benefits including:

- A lower cost per unit for licensed software
- Substantially reduced administrative and procurement expenses
- Complete flexibility to deploy software products when and where needed

The following business terms and conditions will apply:

- All current departments, employees, and in-house contractors of the organization will be eligible to use the software and services included in the EA.
- If your organization wishes to acquire and/or maintain any Esri software during the term of the agreement that is not included in the EA, it may do so separately at the Esri pricing that is generally available for your organization for software and maintenance.
- The organization will establish a single point of contact for orders and deliveries and will be responsible for redistribution to eligible users.
- The organization will establish a Tier 1 support center to field calls from internal users of Esri software. The organization may designate individuals as specified in the EA who may directly contact Esri for Tier 2 technical support.
- The organization will provide an annual report of installed Esri software to Esri.
- Esri software and updates that the organization is licensed to use will be automatically available for downloading.
- The fee and benefits offered in this EA proposal are contingent upon your acceptance of Esri's Small Municipal and County Government EA terms and conditions.

- Licenses are valid for the term of the EA.

This program offer is valid for 90 days. To complete the agreement within this time frame, please contact me within the next seven days to work through any questions or concerns you may have.

To expedite your acceptance of this EA offer:

1. Sign and return the EA contract with a Purchase Order or issue a Purchase Order that references this EA Quotation and includes the following statement on the face of the Purchase Order:

"THIS PURCHASE ORDER IS GOVERNED BY THE TERMS AND CONDITIONS OF THE ESRI SMALL MUNICIPAL AND COUNTY GOVERNMENT EA, AND ADDITIONAL TERMS AND CONDITIONS IN THIS PURCHASE ORDER WILL NOT APPLY."

Have it signed by an authorized representative of the organization.

2. On the first page of the EA, identify the central point of contact/agreement administrator. The agreement administrator is the party that will be the contact for management of the software, administration issues, and general operations. Information should include name, title (if applicable), address, phone number, and e-mail address.
3. In the purchase order, identify the "Ship to" and "Bill to" information for your organization.
4. Send the purchase order and agreement to the address, email or fax noted below:

- b. **Targeted system availability**—"System availability" means that Licensee and associated End Users are able to have external HTTP or HTTPS access to the application and associated data content through the Internet. Examples of supported levels of system availability are ninety-five percent (95%), ninety-nine percent (99%), and ninety-nine point nine percent (99.9%). 11.3 Licensee Content Licensing and Deployment Confirmation. Licensee is responsible for maintaining the appropriate licensing to the Licensee Content. Provision of Managed Services will be subject to Licensee's compliance of all relevant Esri and third-party licensing agreement terms, conditions, and arrangements. 11.9 Takedowns and Service Suspension. If Esri believes that any Licensee's use of the Managed Services constitutes a Prohibited Use or if Licensee Content violates the restrictions listed in Section 11.8, Esri will notify Licensee, request Licensee to stop the Prohibited Use, and may request that such Licensee Content be removed from Managed Services Environment or access to it be disabled. Esri may remove or disable access to any such Licensee Content without prior notice as permitted under applicable law or as required to comply with any judicial, regulatory, or other governmental order. Esri may also suspend Licensee's access to Managed Services Environment at any time

ARTICLE 12—GENERAL PROVISIONS

12.1 Relationship of the Parties. The parties hereto agree that each is an independent contractor with respect to this EEAP Agreement; that this EEAP Agreement does not constitute an agency, partnership, franchise, or joint venture; and that nothing herein contained is intended to constitute, nor shall it be construed to constitute, the parties as agents, partners, franchisor/franchisee, or co-venturers of each other. Except as expressly provided in this EEAP Agreement, neither party shall have any power or authority to act in the name or on behalf of the other party except with the prior, express written consent of the other party.

12.2 Intellectual Property Rights Attribution. Licensee shall not copy or distribute, or permit a third party to copy or distribute, any of Esri's Training Materials.

12.3 No Implied Waivers. The failure of either party to enforce any provision of this EEAP Agreement shall not be deemed a waiver of the provisions or of the right of such party thereafter to enforce that or any other provision.

12.4 Severability. If any provision of this EEAP Agreement is determined to be invalid, illegal, or unenforceable, the parties agree the remaining provisions of this EEAP Agreement shall remain in full force if both the economic and legal substance of the transactions contemplated by this EEAP Agreement are not affected in any manner that is materially adverse to either party by severing the provision determined to be invalid, illegal, or unenforceable.

12.5 Force Majeure. If the performance of this EEAP Agreement, or any obligation except the making of payments, is prevented, restricted, or interfered with by reason of fire, flood, earthquake, explosion, or other casualty or accident; strikes or labor disputes; inability to procure or obtain delivery of parts, supplies, or power; war, terrorist act, cyber attack, or other violence; any law, order, proclamation, regulation, ordinance, demand, or requirement of any governmental agency; or any act or condition whatsoever beyond the reasonable control of the affected party, the party so affected, upon giving prompt notice to the other party, shall be excused from such performance to the extent of such prevention, restriction, or interference.

12.8 Taxes. Services provided are quoted exclusive of all state, local, value-added, or other taxes, customs, or duties, or other charges (other than income taxes payable by Esri). In the event such taxes and/or charges become applicable to Esri's services, applications, or data, Licensee shall pay any such applicable tax upon receipt of written notice that such taxes are due.

12.9 UCC Inapplicability. Any services provided under this EEAP Agreement will not be governed by the Uniform Commercial Code (UCC) and will not be deemed "goods" within the definition of the UCC.

12.10 Assignment and Delegation. 12.14 Entire Agreement. This EEAP Agreement constitutes the sole and entire agreement of the parties and supersedes any previous agreements, understandings, and arrangements between the parties relating to the Esri Enterprise Advantage Program. Other than information regarding the services or Software being ordered and shipping instructions, if any, additional or different terms contained on Licensee's purchase order are objected to and shall not apply even if accepted or acknowledged by Esri unless specifically included in a modification to this EEAP Agreement.
