

CITY OF RIVIERA BEACH – MEMORANDUM

TO: HON. MAYOR, CHAIRPERSON, AND CITY COUNCIL

THROUGH: JONATHAN E. EVANS, CITY MANAGER, MPA, MBA, ICMA-CM

FROM: ANTHONY PARZIALE, DIRECTOR OF INFORMATION TECHNOLOGY, CIO

SUBJECT: **RENEWAL OF GIS ENTERPRISE AGREEMENT WITH ESRI**

DATE: SEPTEMBER 16, 2020

CC: GENERAL PUBLIC

Background:

Geographic Information System (GIS) technologies are critical tools for improving the quality, accuracy, efficiency and responsiveness of government services provided by the City of Riviera Beach (City). GIS technologies provide a visual and geographical platform for managing City operations as well as a framework for information sharing. Environmental Systems Research Institute, Inc. (ESRI) is a sole source provider of the subscription service applications and maintenance updates required for the existing Geographic Information System that is utilized by the City of Riviera Beach. ESRI's Small Municipal and County Government Enterprise Agreement (SGEA) is a three-year agreement that will grant the City access to the licensed software, support and services at a lower cost than acquiring these products individually.

City Goals:

This Item facilitates City-wide goals of Enhancing Government Stewardship and Accelerating Operational Excellence.

Fiscal/Budget Impact:

The Small Municipal and County Government Enterprise Agreement (SGEA) is a three-year agreement of \$230,100.00 paid in three payments of \$76,700.00 funded from the Information Technology Contract Services budget.

Recommendation:

Staff recommends approval of IT-Resolution Number 82-20 for renewal of ESRI's three-year Small Municipal and County Government Enterprise Agreement.
