RE: RFQ No 1008-20-4 Modular Contract

Good afternoon Ms. Pemsel,

This letter is to acknowledge our understanding and commitment to utilize local contractors and trades to complete phases of work associated with the above contract number that do not require specific modular building expertise or skill.

We have reached out to the following contractors to ensure the proper insurance and licensing is current and in place. Our office manager is continuing to contact local companies to add to the list.

Brown Electrical Solutions LLC
Triton Electric Company
Restoration Lawn Care & Pressure Cleaning Services, LLC
Statewide Construction Services, Inc.
Frontline, Inc.
Catoe & Son Plumbing Inc.
Clear Span Structures, LLC
Critical Path Construction LLC

Advanced Modular Structures, Inc. is committed to utilizing local contractors for the areas of work that are going to be done and/or completed on site. Our company will provide a list of the intended most responsive local contractor(s) that will be involved on a project by project basis. Since each project has different criteria and complexity, it is not possible to commit to any specific contractor(s) as of the date of this letter.

We look forward to partnering with the City of Riviera Beach and its local contracting force. If you have any questions, please call or email me.

Sincerely,

Patricia A. Willis
Treasurer
