1.1 Having carefully examined the Bid Documents and Drawings for the Project entitled **Lift Station Rehabilitation Continuing Construction Contract 2020**, WUD Project No.: 20-009R as well as the premises and conditions affecting the work, and confirming that the site was visited, as required, by

(Printed Name) (Date)

the undersigned hereby declares that no person or persons, firm or corporation, other than the undersigned, are interested in this proposal as principals, and that this proposal is made without collusion with any person, firm, or corporation, and we have carefully and to our full satisfaction examined the Bid Documents, and that we have made a full examination of the location of the proposed work and the source of supply of materials, and we hereby agree to furnish and pay for all materials, labor, supervision, equipment, supplies, fees, expertise, and services necessary to fully complete all work in accordance with all requirements of the Bid Documents and in accordance with all applicable codes and governing regulations within the time limit specified in this proposal for the following Base Bid.

Price: Seven Million Thirty Thousand Forty Two Dollars and thirteen cents

(written out)

(\$ 7,030,042.13 ) which sum is hereinafter referred to as the  
(numeric) "Base Bid".

1.2 The undersigned acknowledges that it has included with its Bid the required Bid Security for not less than five percent (5%) of the total amount of its Base Bid.

1.3 The Bidder shall be bound by the terms of its Bid Proposal for a period of one hundred fifty (150) calendar days from the date of the bid opening and may not withdraw its Bid within that time period. If the County issues a Notification from County within the above 150-day period, then the Bidder will be bound by the Bid Proposal as submitted. If the County fails to issue a Notification from County to the successful Bidder within the above identified 150-day period, the successful bidder will not be required to honor its Bid Proposal unless otherwise agreed to by both parties. County anticipates, but does not guarantee the award of bid and written notice to proceed within ninety (90) calendar days of Notification from County, absent the filing of a timely bid protest.

1.4 The SBE subcontracting goal for this project is a mandatory minimum of 20% participation, See EBO Ordinance Section 2-80.27(1)(c), of which 3% shall be among certified African American and/or Hispanic American owned firms, as set forth on the Schedule 1 and Schedule 2 forms completed and submitted by the Bidder. Bidder shall comply with said goal, if awarded the Contract. See EBO Ordinance Section 2-80.27(2)(b).

Explanation of goal setting committee's reasons for applying this API: The goal setting committee's reason for applying this particular API to this project was that the most recent data on the utilization of the foregoing MBEs indicates that contracts of this type have exhibited significant disparities in the utilization of these MBEs.

*1.4.1 This contract will be awarded to the lowest responsive, responsible bidder unless a certified SBE's bid is within 10% of the lowest non-small business bid, in which case the award shall be made to the certified small business bidder submitting the lowest responsive, responsible bid at the price that it bid.*

1.5 It is agreed that the undersigned has received all addenda complete as issued by the County and that related costs are included in the bid submitted. The undersigned acknowledges receipt of said addenda as follows: No Addendums

1.6 Time is of the essence. The undersigned Bidder agrees that, if awarded the Contract hereunder, it shall commence the work to be performed under the Contract on the date set by the County in its written notice to proceed, continuing the work with diligence and shall Substantially Complete all work under this contract in not more than 335 calendar days. Final completion shall be within 30 calendar days of Substantial Completion. The undersigned agrees that, if awarded the Contract, it will complete said separable portions of work in accordance with such date. Substantial Completion is defined in the General Conditions.

1.6.1 Should the Contractor (or in the event of a default, its Surety) fail to achieve Substantial Completion by the contractually established date, the County will suffer damages, the amount of which is difficult if not impossible to ascertain, and the County shall be entitled to Liquidated Damages as specified for each calendar day beyond the Contractual end date, until certification of Substantial Completion and acceptance has been given by the County. The Liquidated Damages rate is \$500.00 per calendar day through the date of certification of Substantial Completion.

Should the Contractor (or in the event of a default, his Surety) fail to achieve Final Completion within 30 calendar days from the date of Substantial Completion, the County will suffer damages, the amount of which is difficult if not impossible to ascertain, and the County shall be entitled to Liquidated Damages as specified for each calendar day greater than thirty beyond the date certified for Substantial Completion. The Liquidated Damages rate is \$250.00 per calendar day.

Liquidated Damages due the County may be deducted from payments due the Contractor, or may be collected directly from the Contractor or his surety or sureties. The liability of the Contractor and its Surety or Sureties for delay damages shall be joint and several. These provisions for liquidated damages shall not prevent the County, in case of the Contractor's default, from terminating the right of the Contractor to proceed as provided in General Conditions.

1.7 The Costs Savings Incentive provisions of the General Conditions are not in effect for this Contract.

1.8 If the undersigned is notified of the acceptance of this bid, the Bidder agrees to execute within fourteen (14) calendar days, a Contract for the above work, complete with all required

insurance certificates and bond forms, and any resolutions or other documentation the department may reasonably require. The undersigned further agrees to furnish a sufficient and satisfactory bond on the form herein provided, in the sum of not less than 100% of the contract price of the work as indicated by the contract prices shown herein.

1.9 The undersigned does hereby declare that the Bid covers all expenses of every kind incidental to the completion of said Work and the Contract therefore, including all claims that may arise through damages or other causes whatsoever. The undersigned does hereby declare that it shall make no claim on account of any variation from any estimate in the quantities of Work to be done, nor on account of any misunderstanding or misconception of the nature of the Work to be done or the grounds, subsurface conditions, or place where the Work is to be done.

1.11. Commercial Non-Discrimination Certification. The undersigned Bidder hereby certifies and agrees that the following information is correct: In preparing its response on this Solicitation, the Bidder has considered all proposals submitted from qualified, potential Subcontractors and suppliers, and has not engaged in "discrimination" as defined in the County's Commercial Nondiscrimination Policy as set forth in Resolution 2017-1770 as amended, to wit: discrimination in the solicitation, selection or commercial treatment of any Subcontractor, vendor, supplier or commercial customer on the basis of race, color, national origin, religion, ancestry, sex, age, marital status, familial status, sexual orientation, gender identity or expression, disability, or genetic information, or on the basis of any otherwise unlawful use of characteristics regarding the vendor's, supplier's or commercial customer's employees or owners; provided that nothing in this policy shall be construed to prohibit or limit otherwise lawful efforts to remedy the effects of discrimination that have occurred or are occurring in the County's relevant marketplace of Palm Beach County. Without limiting the foregoing, "discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination." Without limiting any other provision of the solicitation, it is understood and agreed that, if this certification is false, such false certification will constitute grounds for the County to reject the bid submitted by the Bidder for this Solicitation, and to terminate any contract awarded based on the response. As part of its bid, the Bidder shall provide to the County a list of all instances within the immediate past four (4) years where there has been a final adjudicated determination in a legal or administrative proceeding in the State of Florida that the Bidder discriminated against its Subcontractors, vendors, suppliers or commercial customers, and a description of the status or resolution of that complaint, including any remedial action taken. As a condition of submitting a bid to the County, the Bidder agrees to comply with the County's Commercial Nondiscrimination Policy as described in Resolution 2017-1770 as amended.
