124 some other business.

125 **Chairperson Lanier:** Well, there's only one other business before that, Mr. McCoy,

133 **City Clerk Anthony:** Madam Chair, Members of the Board, as you all are aware,
134 you all represent the City of Riviera Beach on various boards throughout Palm Beach
135 County. In the backup information, the list of the Boards was provided, along with the
136 current representatives. There are two Boards that are listed, the Bioscience and the..., I
137 can't remember the name of the other one. Bioscience no longer exists, and the other
138 Board, it has not met in two years. I know in the last..., last year, when this came up, there
139 were questions about those two councils. So, one no longer exists, which is indicated on

148 **Chair Pro Tem Miller-Anderson:** Can we just go down the list of them and, and

162 **Chairperson Lanier:** Oh, I see.

163 **Chair Pro Tem Miller-Anderson:** ...a couple years.

164 **Chairperson Lanier:** There has not been a meeting since 2019. Do we still want to
165 appoint someone to this?

166 **Councilperson McCoy:** No.

167 **Chairperson Lanier:** Okay. Very good. Let's go on to the Business Development
168 Board of Palm Beach County. Currently, the regular is Tradrick McCoy, the alternate is

 212 Alternate, Councilman Tradrick McCoy.

213 **Councilperson Botel:** I'm on the Board of Directors of the League, so I go every
 214 meeting anyway.

215 **Chair Pro Tem Miller-Anderson:** [Stammer].

216 **Councilperson Botel:** If anybody wants to drop off, I don't mind.

217 **Chairperson Lanier:** Okay.

218 **Chair Pro Tem Miller-Anderson:** I, I will give that up to Dr. Botel 'cause she does
 219 attend those meetings regularly.

220 **Chairperson Lanier:** Okay. Madam Clerk, we will change out KaShamba Miller...,

439 NOW THEREFORE, BE IT RESOLVED that I, Ronnie L. Felder, Mayor of the City
440 of Riviera Beach in Palm Beach County, by the power vested in me by the residents of
441 Riviera Beach, do hereby recognize and remember that we loved Terrance Denard
442 Holland. And I will enjoin all residents to commemorate and celebrate, the City and the
443 Holland Family, as we continue to honor the life and legacy of Mr. Terrance Holland.

444 An original of this memorial tribute should be placed in the hands of the Holland
445 Family, and an original should be filed by the City Clerk as an official record of the City of
446 Rivera Beach.

447 IN WITNESS WHEREOF, I hereunto set my hand and cause the official seal of the
448 City of Riviera Beach to be affixed on the 10th day of April 2021 A.D.

449 **Chairperson Lanier:** Thank you, Mayor. The Holland Family is here?

450 **City Manager Evans:** No, Madam Chair. We're gonna present this to them at the
451 homegoing ceremony.

452 **Chairperson Lanier:** Very good. If the Holland Family is, is, is watching on
453 television, I would.., we definitely would want to extend our condolences again. And we
454 can't say how sorry we are about your loss.

455 **4. PROCLAMATION FROM THE OFFICE OF THE MAYOR CITY OF RIVIERA**
456 **BEACH, PALM BEACH COUNTY, FL DECLARING THE MONTH OF APRIL AS**
457 **REENTRY MONTH.**

458 **SHIRLEY LANIER, COUNCILWOMAN, 561-845-3687**

459 **Chairperson Lanier:** The next Item on the Agenda is No. 4, which is the
460 Proclamation from the Office of the Mayor, City of Riviera Beach, Palm Beach County,
461 declaring the month of April as Reentry Month. And I have this... And are there any
462 gentlemen from the reentry that are here? [Pause]. Okay. I'm gonna come over here
463 and read this...

464 [Inaudible dais comments and chuckles]

465 **Chairperson Lanier:** Alright. Let's stand back a little bit 'cause I'm gonna take my
466 mask off. Alright. This is a Proclamation for the, the month of April, which is Reentry
467 Month. As you know, the City of Riviera Beach has a reentry program that works with
468 returning citizens to our City.

469 WHEREAS, more than six hundred thousand men and women leave American
470 prisons every year. More than eleven million people annually cycle through our nation's
471 jails. National recidivism rates top fifty percent, and thousands of adults and juveniles
472 return from incarceration to Palm Beach County each year; and

482 to productive, successful lives; and

483 WHEREAS, the demand for reentry services remains high, and the investments

485 NOW THEREFORE, I, Ronnie Felder, Mayor of the City of Riviera Beach in Palm
486 Beach County, by the power vested in me by the residents of Riviera Beach, do hereby
487 proclaim the month of April as Reentry Month in Riviera Beach and implore all citizens to
488 be aware that encouraging the restoration and the reintegration of persons who have paid
489 their debt to society, who have paid their debt to society, and ultimately makes
490 communities safer and saves taxpayer dollars by lowering the direct and collateral cost
491 of incarceration.

492 I HAVE HEREUNTO set my hand and caused the official sela of the City of Riviera
493 Beach on this 7th day of April 2021.

494 And that is our reentry program. And I want..., I encourage all of our businesses in
495 the City to be involved in our reentry program. It is an excellent program. It is something
496 that this City needs. It is something that returning citizens need. And as this Proclamation
497 says, and I will say it again, they have paid their debt to society, and now it is time for
498 them to move on with their lives and for them to have the support that they need.

499 And thank you so much, guys, for being here. We appreciate it.

500 [Applause]

501 **Chairperson Lanier:** Thank you, Mr. Orie.

502 **Reentry Center Director Bullard:** Thank you Council Chair Lanier. And also,
503 thank you to the Board for being so supportive of our, of our reentry program here for over
504 the past fourteen years.

505 And so, Reentry Month is this month, for the month of April. And also, for the
506 county it's Second Chance Month. So there's a myriad of activities that are planned
507 throughout the month. We'll be hosting our event on Tuesday, this Tuesday at 6:00
508 o'clock, right here, our Reentry Awareness Night. So, everyone is invited to come out.
509 Council Chair Lanier will be one of our panelists, along with Commissioner Mack
510 [stammer] Bernard and a few other reentry advocates.

511 So, we're just excited about all the things that we have in store for our community,
512 and these men and women that are returning from incarceration. And so, we have access
513 to social support services, housing, substance abuse, education. A lot of different things
514 that are there. And so, we'll be using the month of April to highlight all, all of the things
515 that we have going on throughout this month.

516 And if I can take just about five seconds to introduce some of my Staff, is here. If
517 we can have our reentry team, anyone from our reentry team to stand up.

518 **Chairperson Lanier:** [Applauding]. Stand up, people. Stand up.

519 **Reentry Center Director Bullard:** Go ahead and stand up. Don't be shy.

520 [Applause]

521 **Reentry Center Director Bullard:** And, so, we're thankful for this small army that
522 we have. And Mr. Oswald Newbold is one of our newest case managers. So, we're
523 definitely welcoming him as a part of the team.

524 So, once again, we just wanna say thank you to the Board, Council Lanier,
525 Honorable and City Manager for your unparalleled support of our program throughout the
526 years.

527 Thank you.

528 **Chairperson Lanier:** Thank you.

529 [Applause]

530 **Councilperson Botel:** Madam Chair? Madam Chair?

531 **Chairperson Lanier:** Yes.

532 **Councilperson Botel:** I have just a question.

533 **Chairperson Lanier:** Sure.

534 **Councilperson Botel:** Orie? Could... Quite some time ago we had a list of about a
535 hundred employers in the City who were willing to hire returning citizens. Has that list
536 been updated and, and is that something that we can have access to if we wanna plan
537 things for...

538 **Reentry Center Director Bullard:** Yeah. That, that list was a hundred employers
539 throughout the county.

540 **Councilperson Botel:** Yes. Oh, is...

541 **Reentry Center Director Bullard:** It wasn't just the City.

542 **Councilperson Botel:** ...the county? Okay.

543 **Reentry Center Director Bullard:** But yes, we can, we can get with CareerSource.
544 They'll actually be there Tuesday night, and so, we can actually get with them to see...
545 That was about 2018, so I'm, I'm sure it would need to be updated.

546 **Councilperson Botel:** Yes. Yeah.

547 **Reentry Center Director Bullard:** So, but we can definitely get with them on
548 Tuesday.

549 **Councilperson Botel:** Great.

550 **Reentry Center Director Bullard:** And try to get that, that list updated.

551 **Councilperson Botel:** And, and there's an event on the 17th at St. James. Desmond
552 Meade is gonna be there with the Florida Rights Restoration Coalition van and everything.
553 So, I just wanted people to be aware of that.

554 **Reentry Center Director Bullard:** Definitely, definitely.

555 **Councilperson Botel:** Thanks.

556 **Reentry Center Director Bullard:** Thank you.

557 **Councilperson McCoy:** So, question for Mr. Evans. Mr. Evans, so, we obviously have
558 two events going on simultaneously here Tuesday. Because, I got a request to be a part
559 of the artist showcase on Tuesday.

560 **Councilperson Botel:** I did too.

561 **Councilperson McCoy:** At the same time.

562 **Councilperson Botel:** That's 5:30.

563 **Chairperson Lanier:** Let me get...

564 **Councilperson Botel:** The artist showcase is 5:30, I think.

565 **Councilperson McCoy:** But it's a panel...

566 **Chair Pro Tem Miller-Anderson:** 5:00 to 5:45...

567 **Councilperson McCoy:** ...discussion as well. Right?

568 **Chair Pro Tem Miller-Anderson:** 5:00 to 5:45.

569 **Councilperson Botel:** Maybe in another room?

570 **Chairperson Lanier:** It's 5:00 to 5:45. And the other one starts at 6:00.

571 **Councilperson McCoy:** Okay.

572 **Councilperson Botel:** Oh wait, wait. I gotta get...

573 **Councilperson McCoy:** But...

574 **Councilperson Botel:** ...my calendar right.. What's at 5:00?

575 **Chair Pro Tem Miller-Anderson:** The artists.

576 **Chairperson Lanier:** The artist showcase.

577 **Councilperson Botel:** Oh, I had it at 5:30. Okay. Thank you. I do have it at 5:00.

578 I'm sorry.

579 **Councilperson McCoy:** Okay. Alright. I, I just.., it seems.., I almost thought they were

580 the same event.

581 **Chairperson Lanier:** No. But you definitely are welcome, as soon as you leave the

582 artist showcase to come to the reentry event happening right over here. We, we would

583 really like your presence there, sir.

584 **Councilperson McCoy:** Thank, thank you for the invitation.

585 **Chairperson Lanier:** Yes.

586 **5. PRESENTATION OF REIMAGINE CITY OF RIVIERA BEACH-LIBRARY AT**

587 **2129 CONGRESS AVE.**

588 **RODNEY FREEMAN, LIBRARY DIRECTOR, 561-845-4195**

589 **Chairperson Lanier:** Our next Item on the Agenda, is the presentation of

590 Reimagine City of Riviera Beach. And, I would like to introduce you guys to the new

591 Library Director, Mr. Rodney Freeman. But, Mr. Evans...

592 **City Manager Evans:** Yes. Madam Chair and Members of the Board, we're excited

593 to provide some additional information with regards to the Reimagine Riviera Beach and

594 the progress that we're making on the site that was acquired aby the City, 2129 North

595 Congress Avenue and what is happening in that particular space.

596 Later on this evening, you will have an Item that will assist in appropriating some
597 additional monies to effectuate the vision that you will see tonight.

598 So, without further ado, you're gonna hear from our Library Director, Mr. Rodney
599 Freeman.

600 **Library Director Freeman:** Hello. And...

601 **Chairperson Lanier:** Welcome, Mr. Freeman.

602 **Library Director Freeman:** ...waiting for the [inaudible] to pull up.

603 **City Clerk Anthony:** Media team, do you all have the, the presentation?

604 **Media Team:** [Inaudible].

605 **Chairperson Lanier:** Yeah. It's on Novus.

606 **Media Team:** [Inaudible].

607 **Library Director Freeman:** No? We sent in...

608 **Chairperson Lanier:** It's on Novus.

609 **Library Director Freeman:** We sent them in?

610 **Chairperson Lanier:** It's, it's on the link, Walter, for the Agenda. While he's finding
611 that presentation, could you tell us something about yourself, Mr. Freeman, so you can...,
612 to the public? I know you've come up here before, but we very rarely see you and we're
613 so happy to see you again, in terms of our new Library. So, give us something, give us
614 something.

615 **Library Director Freeman:** Sure, sure.

616 [Chuckles]

617 **Library Director Freeman:** So, my library experiences has..., I started off as a
618 page. And, I actually have risen up to become a Library Director. I started as a page, I
619 became a librarian working with electronic resources, working with digit projects. That
620 was my focus when I went to school for my master's in Library Science. I also have a
621 master's degree in Public Administration. I became a branch manager with St. Louis
622 Public Library, Indianapolis Public Library. And then, in Chicago, I became the Library
623 Director for the Woodson Regional Library, which is on the southside. We had, we had
624 the Harsh collection. If you guys are familiar with the Schomburg..., the Harsh Collection,
625 is the second largest African American collection outside of that. So, I managed that.

626 And then, I went and was promoted to the Harold Washington Library, where I
627 managed two hundred people, six different departments. And, from there, I became an
628 assistant professor in..., at Tennessee State. And now I'm here.

629 So, that's the full extent of my library experience.

630 **Chairperson Lanier:** Well, very good. Very good, sir. Are we ready, Mr... Oh,
 631 he's, he's still getting it. Tell us about this..., what, what, do you wanna do for the City's
 632 Library collections? I, I'm not sure what collections we have.

633 **Library Director Freeman:** Sure.

634 **Chairperson Lanier:** I'm not sure what your direction is for that, how you see the
 635 City in terms of this whole new digital opening for, for us.

636 **Library Director Freeman:** Yeah. So, let me, let me just take a little nuance to
 637 that. So basically, we actually, right now, we're in the building. We're..., I, I know it doesn't
 638 seem..., we're not visible like we used to be, but we actually are. We have three satellite
 639 locations, we're at the Brooks Center, we're at the Ambassador Center, and then we're
 640 at Lindsey Davis Center on Monday, Wednesdays and Fridays. So, the days that we're
 641 not there on Monday, Wednesdays or Fridays, we're actually in the building weeding
 642 material, and then discarding some of the older books.

643 But, we're also working on special projects. We have our archives that we're do'...,
 644 that we're getting ready to inventory so we can digitize the newspapers that we have in
 645 our archives so it could be more accessible to the public.

646 So, with, with this new temporary location, even though our archives room will be
 647 really small, it's gonna actually..., you'll actually be able to access our archives through
 648 online. And so, that's one of the projects that we're working on right now.

649 **Chairperson Lanier:** Excellent. Very good. I think that we're ready. Mr. Walter?

650 **Media Team:** [Inaudible].

651 **Chairperson Lanier:** Alright. Very good.

652 **Library Director Freeman:** Alright. So, I would like to present to you the layout
 653 of the Library/Youth Empowerment Building. And if you see..., if you pull up the next slide,
 654 you'll see the actual layout of the whole building.

655 **Media Team:** [Inaudible].

656 **City Manager Evans:** Do you have any good jokes?

657 [Chuckles]

658 **City Manager Evans:** Or any unique hobbies?

659 **Library Director Freeman:** [Chuckle. No. I, I... I was not prepared for jokes.

660 [Chuckles]

661 **Media Team:** [Inaudible].

662 **Chairperson Lanier:** Okay. Alright. Very good. So, since that's not going to work
663 and you wanted to show us something visually, give us something so we...

664 **Library Director Freeman:** So...

665 **Chairperson Lanier:** ...can come back later in the, in the program and, and pick up
666 with this. But, but gives us something.

667 **Library Director Freeman:** I can give you a overview. So...

668 **Chairperson Lanier:** Yes.

669 **Library Director Freeman:** An overview of the, the, the building where we have
670 the Youth Empowerment Program and the Library, we have a main Library that's.., once
671 you see the actual layout, which is in the south.., southwest corner, and the Children's
672 Library, which is in the northeast corner. That being said, we also.., when you work..,
673 walk into the Library, you'll be able to see the Library as soon as you walk into the door.
674 You'll be able to.., once you get into the main Library, you'll be able to see that we've
675 blended this traditional and modern blend.., types of libraries, which is.., we'll have a public
676 meeting room, we'll also have a African American room/archives room. We'll definitely
677 have a business center/entrepreneurship center in the Library. And then also, a public
678 pc in the Library, in the main Library area.

679 Now, in the children's area, what we've done is we went ahead and we kinda
680 encourage play in the Library, but we've also encouraged our young readers to really be
681 able to, to grab those books. So, we have.., the books are actually facing outward so
682 they can actually see the covers. And in the children's area, we're gonna be doing our
683 story time and we actually are also partnering with the African American Research Library
684 to have some teams come in to digitize some of their, their history and we can share that
685 with the public as well.

686 So, so that's what you'll see in the, in the Library.

687 **Chairperson Lanier:** Alright. Well, thank you so much, Mr...

688 **Library Director Freeman:** And, and we have...

689 **Chairperson Lanier:** Oh, we have it.

690 **Library Director Freeman:** We have it

691 **Chairperson Lanier:** Alright. Very good. I figured we would get there.

692 **Media Team:** [Inaudible].

693 **Library Director Freeman:** Okay. So, the next slide. In the next slide, this is the
694 building layout. And, if...

695 **Chairperson Lanier:** Let the public know where this building is, Mr. Freeman.

696 **Library Director Freeman:** Yes. This is 21219 North Congress.

697 **Chairperson Lanier:** Okay.

698 **Library Director Freeman:** And so, I know you probably cannot see, but the, the,
699 the, the two areas that are highlighted in color, those are the main areas that the Library
700 will be operating out of. The main Library, again, in the southwest corner, and the
701 Children's Library in the northeast corner. The next slide please.

702 So, once you walk into the door, you, your, your attention is gonna be grabbed.
703 You'll see two self-checkout machines. You'll see that we'll have our collection out so
704 people can be able to enjoy the co'., the coffee and something to eat from the café that
705 will be managed by the Youth Empowerment Program. Next slide, please.

706 And in this slide, you actually see where we blended the traditional and the modern
707 look of a library. It's more inviting and encourages you to stay and kinda sit and enjoy
708 the Library. So, one of the things that you don't see on this slide, is our African
709 American/archives room, which is gonna be more of a, a quiet space for people who want
710 to just sit and, and work. And then also to be able to pull up our digital archives. The
711 next slide, please.

712 And this is our children's rea. We have a study room for the children's..., and then
713 we, again, like I said, encouraging play, but also just to, to engage the young reader to
714 come in and grab a book and sit and, and stay a while.

715 And that's the, the main Library areas.

716 Any questions?

717 **Chairperson Lanier:** Thank you so much for that presentation, Mr. Freeman. Are
718 there any questions from the Board in regards to Mr. Freeman's presentation and our
719 moving forward with our new Library? And I just wanted to say that I, you know, because
720 of the pandemic, I really miss going to the Library and just sitting there and taking in the
721 ambience, and just being around the books and... I, I look forward to, to doing that again
722 certainly. 'Cause I, I really have missed that during the pandemic.

723 **Library Director Freeman:** Yeah. We look forward to you guys coming back to
724 the Library. We're, we're excited.

725 Thank you.

726 **Chairperson Lanier:** Thank you. Thank you, sir.

727 **Library Director Freeman:** Thank you.

728 **6. Chairperson Lanier:** Next Item, Madam Clerk.

729 **City Clerk Anthony:** **YOUTH EMPOWERMENT PROGRAM REBRANDING**

730 **VALERIE GRIMSLEY, PROGRAM DIRECTOR, 561-845-0135**

731 **City Clerk Anthony:** Madam Chair, Members of the Board, we do not have any
 732 public comment cards on this Item. The acceptance of public comment cards on this Item
 733 is now closed.

734 **Chairperson Lanier:** Mr. Evans.

735 **City Manager Evans:** Madam Chair, Members of the Board, if I can have our Youth
 736 Empowerment Director, Ms. Valerie Grimsley, make this presentation on Staff's intent to
 737 reb'., rebrand the program, but also show you how the Youth Empowerment Program is
 738 going to fit in to the facility that was acquitted to accommodate the joint uses, and what
 739 the experience will be for those individuals that participate in those programs.

740 Ms. Grimsley.

741 **Youth Empowerment Program Director Grimsley:** Good evening, Council, Chair, Co-
 742 Chair, community. I'm hoping that we can play the slides here.

743 **Media Team:** [Inaudible].

744 [Inaudible dais comment]

745 **Chairperson Lanier:** It is on the backup as well.

746 [Inaudible comments]

747 **City Manager Evans:** We probably need to do it the same way we just did the, the
 748 last presentation.

749 **Media Team:** [Inaudible].

750 **Youth Empowerment Program Director Grimsley:** Okay.

751 **City Manager Evans:** 'Cause there's some...

752 **Youth Empowerment Program Director Grimsley:** Okay.

753 **Media Team:** [Inaudible].

754 **Youth Empowerment Program Director Grimsley:** Okay.

755 **Chairperson Lanier:** So, Mr., Mrs. Grimsley, are you gonna have some jokes for
756 us as well?

757 [Chuckles]

758 **Youth Empowerment Program Director Grimsley:** Unfortunately, the county...

759 **Chairperson Lanier:** Are you....

760 **Youth Empowerment Program Director Grimsley:** ...is here, so I don't have many
761 jokes.

762 [Chuckles]

763 **City Manager Evans:** But, if you do want to get a COVID-19 vaccine...

764 **Youth Empowerment Program Director Grimsley:** I'm the person.

765 **Chairperson Lanier:** Alright. Very good. And, and, and, and give us some
766 information about that, Ms. Grimsley

767 **Youth Empowerment Program Director Grimsley:** Okay. Just, just, just to give you
768 some background on Youth Empowerment. Everyone might know, but some people
769 might not know how we came up with Youth Empowerment or, how the county, which is
770 our partner, came up with Youth Empowerment.

771 About sixteen years ago, because of the crime that we were having in our county,
772 and just in the State of Florida, kicked off an initiative with the Florida State team,
773 criminology department, to actually check out how we were assessing the, the crimes that
774 were going on in our neighborhoods. Riviera Beach was one of five Youth
775 Empowerments that actually was spun off to actually work with students that are
776 eleven to nineteen. But since the...

777 [Inaudible comment]

778 **Youth Empowerment Program Director Grimsley:** ...incept'... I'm sorry? Oh. Since
779 the inception of that, we've [stammer] expanded the concept. We've heard the cry of our
780 community. We've expanded our services to now do holistic services to our families.

781 And, with that, Mr. Evans, the Council and the community really wanted to give us
782 a larger space to actually provide those services. So, with that, we've expanded not only
783 our partnership with the county, who is here, but we've also expanded our partnership
784 with Florida., Florida Atlantic University community, and adult education with Palm Beach
785 County. We've also expanded our partnership in some other sectors as well to provide
786 more of a holistic service to our community.

787 So, with that, we have expanded to rebranding Youth Empowerment. We will
788 continue to always be Youth Empowerment, and we are going to continue to use that

789 name. But, we have to look further ahead so that we can be more inclusive than exclusive
790 with our adults that we serve now. We are aligning ourselves with the county Master
791 Plan, which serves birth to twenty-two. And, we really want to do that in a holistic manner.
792 So, we are changing our name to The Emerging Community Center. It will be an
793 overarching name. And Youth Empowerment will still be our underlying name, so we will
794 use both of those names.

795 We will change our services. And, with moving with the Library, it's going to afford
796 us an opportunity to now have a STEM lab with our partnership with Florida Atlantic
797 University, being with the professor in one of the main hubs in our STEM lab. We are
798 looking to expand some of our services so that we can also, on PDD days, offer science
799 and biology training to some of our Palm Beach County science teachers.

800 We, in addition, we have saw the need that sending some of our students that
801 participate in our GED program, sending them outside of our community is somewhat of
802 a injustice to them. They come back disgruntled, they come back frustrated if they don't
803 pass the test when we provided the [stammer] preparation for them. So, what we've
804 decided to do in our new facility, is also become a Pearson VUE testing center. It will be
805 certified, where our people now, and other, other community citizens from around our
806 surrounding areas, will also be able to take their GED test onsite now, in the Library. In
807 addition to that, some of the Microsoft Office [stammer] certifications will be provided as
808 well. So, we will have our own certified testing lab within the Library.

809 We will also kickoff our virtual reality room. So, our students will not only be playing
810 the PlayStations and the Xbox, they will be able to experience Mars without leaving
811 Riviera Beach. So, that's one of our biggest things.

812 In addition, we are talk'.., in talks with some, some other funders and some other
813 people, that I won't mention today, but something Mrs. McBride and I are working on to
814 utilize our testing center, as well as our [stammer].., our.., it's going to be a nice, nice...
815 If we can get the pictures, a nice, nice room where we can have a classroom, where we
816 can offer some training to get our people back to work.

817 And those are just some of the innovative things. But the biggest innovation that
818 we have is, in the Riviera Beach Library Community Center and Youth Empowerment,
819 we'll have our own café. When you enter the Library, there will be a cafe, somewhat of a
820 micro-Starbucks or a micro Chi'.., Chick Fil-A where you'll be able to receive coffee,
821 donuts, croissants, and be able to enjoy the surroundings while you have your coffee in
822 the morning, or while you enjoy our Library, you'll be able to also visit our café. Which
823 will be ran by the City and the Youth Empowerment.

824 Any questions?

825 **Councilperson Lawson:** Madam Chair?

826 **Chairperson Lanier:** Madam Chair? I mean, I'm sorry. [Chuckle]. Mr. Lawson.

827 **Councilperson Lawson:** Thank you.

828 Ms. Grimsley, first, I just wanna thank you for the efforts and energy with the Youth
829 Empowerment Program. You've done an amazing job with it, even though the pandemic
830 and moving forward. So, thank you very much.

831 **Youth Empowerment Program Director Grimsley:** [Inaudible].

832 **Councilperson Lawson:** Can you tell us a little bit about the testing center?

833 **Youth Empowerment Program Director Grimsley:** Yes.

834 The testing center is.., will be certified. So, if you can imagine our students going
835 to our RCA Boulevard to take some of the, not only the GED, but to either take their
836 fireman test or take their Microsoft Office certifications, they have to go into a certified lad
837 in order to take those tests. And they have to be observed by a tester. So, we're going
838 to have that ability to do that. And it's a revenue generator for us as well. Those tests
839 are thirty-two dollars apiece, and it's four tests for the GED. So those dollars will come
840 back into Riviera Beach.

841 So...

842 **Councilperson Lawson:** And where are some of the nearest testing sites? 'Cause I
843 understand that they're in Boca. They're kinda far for our residents, and for local.

844 **Youth Empowerment Program Director Grimsley:** There's only three in the county
845 right now.

846 **Councilperson Lawson:** Mhmm.

847 **Youth Empowerment Program Director Grimsley:** That is Palm Beach Gardens,
848 Belle Glade and Delray.

849 **Councilperson Lawson:** Okay.

850 **Youth Empowerment Program Director Grimsley:** So, we'll be centrally lo'.., centrally
851 in, you know, where.., we'll be centrally accessible to residents that can't get on the bus
852 or may not be able to go that far because of maybe children or other issues that may
853 preclude them from getting...

854 **Councilperson Lawson:** Yeah.

855 **Youth Empowerment Program Director Grimsley:** ...there.

856 **Councilperson Lawson:** Again, thank you for your efforts. Excellent job.

857 **Youth Empowerment Program Director Grimsley:** Mhmm.

858 **Chairperson Lanier:** Are there any other questions for Mrs. Grimsley?

859 **City Manager Evans:** I think we have the...

860 **Chairperson Lanier:** Oh, we got it.

861 **City Manager Evans:** So, we can, we can show the pretty pictures.

862 **Youth Empowerment Program Director Grimsley:** [Chuckle].

863 **Chairperson Lanier:** Alright. Very good. Mrs. Grimsley.

864 **Youth Empowerment Program Director Grimsley:** As you can see, this, this is the
865 front of the Library, or in front of the Library/Youth Empowerment Community Center.
866 When you enter, if you can go to the next slide. [Pause]. This is where you'll be entering
867 our Library. [Pause]. If you can go to the next slide. Okay. This one is our café. So,
868 this is what you would be entering into. This would be, when you walk through the main
869 doors, this will be to your right. As Mr. Freeman showed you, the seating areas and the
870 books will be to your left, this will be to your right. You'd be able to enter our café, receive
871 your coffee and even, if we work this the right way, you'd be even able to purchase your...
872 a, a bag of coffee to take with you. We are in talks with a couple different coffee vendors
873 that we will be presenting to our Legal team, to review some of the things that they're
874 talking about as far as contractual.

875 What you're seeing is our virtual reality room. So, the two televisions that you see
876 in front of you will actually be your virtual reality, where they.., the students will put on
877 goggles in order to leave Riviera Beach while still being in Riviera Beach. In order to
878 meet the need of everyone, you see the three televisions to the right of the wall, our
879 students will continue to be able to play their Xbox and their PlayStations. So, it will be
880 more inclusive, while also looking to the future.

881 **City Manager Evans:** And part of the virtual reality is gonna incorporate a Riviera
882 Beach City Council meeting experience as well.

883 [Chuckle]

884 **Youth Empowerment Program Director Grimsley:** This is our actual training
885 room/classroom, so it will actually be used both ways. [Pause]. And this will be our
886 training room. But students will also be able to use this as a classroom. Mr. Freeman
887 will be able to provide trainings as well for the Library, so it will have multi uses. It will
888 also have the surround sound so there will be.., it will be used for virtually anything that
889 you wanna use for the Library.

890 We are equipping this room with chairs that are.., they are nesting chairs and
891 tables. So, if we need to con'.., you know, reduce the tables to actually add some more
892 square footage, you'll be able to do that as well.

893 What you're seeing now is our testing center. [Pause]. Which will have somewhat
894 of this concept. As you may, may be aware, in the testing center it's all online, so you
895 have to provide some coverage so, you know, it.., that it remains trans'.., transparent at
896 all times.

897 What we didn't talk about is our STEM lab. We talked about it just a little bit, but
898 there's a two component to our STEM lab. This is our first component to the STEM lab,
899 which is where we have the partnership with Florida Atlantic. This is what our STEM will
900 mirror.

901 Our second component is the inside and outside Hydroponic Gardening Program.
902 This will be our inside hydroponic area to your left-hand side, and somewhat of a mirror
903 of what the outside hydroponic area will be. Our thought process with this is to take the
904 plants that..., and the vegetables that we're growing and actually place them back into our
905 café, to actually either provide them to the public or send home with some of the students
906 and the citizens from the Library and Youth Empowerment.

907 And our last thing is this, in order to grow to be a strong tree, we must first treat
908 the root. We have to serve our citizens as a whole. As we can't keep serving our kids
909 and not serving our families.

910 And with that, that's my presentation.

911 **Chairperson Lanier:** Thank you, Ms. Grimsley. Is there..., are there any questions
912 for The Emerging Community...

913 **Youth Empowerment Program Director Grimsley:** Emerging Community Center.

914 **Chairperson Lanier:** 'Center. Alright. Very good.

915 **Councilperson Botel:** Madam Chair?

916 **Chairperson Lanier:** Yes.

917 **Councilperson Botel:** Thank you. If I may address Ms. Grimsley?

918 **Chairperson Lanier:** Yes.

919 **Councilperson Botel:** I had the pleasure, quite recently, of meeting with a couple of
920 people who want to start a volunteer program, a very active volunteer program for, not
921 only the kids, but even, even adults in the..., people, people who want to volunteer to help.
922 Can we have a conversation, with Mr. Evans' permission of course, about how we can
923 facilitate that in this space?

924 **Youth Empowerment Program Director Grimsley:** Most definitely.

925 **Councilperson Botel:** Great. Thank you.

926 **Councilperson Lawson:** Madam Chair?

927 **Chairperson Lanier:** Yes. Go ahead.

928 **Councilperson Lawson:** Thank you, Madam Chair.

929 Mr. Evans or Ms. Grimsley, will the expansion of our YEP Program have any
930 effects on our grant funding that we're receiving from the county?

931 **Youth Empowerment Program Director Grimsley:** I'm sorry. Say that one more time.

932 **Councilperson Lawson:** Will this expansion, or changes of our name or development
933 of our program, have any effects on the grant funding we receive from the county?

934 **Youth Empowerment Program Director Grimsley:** It will not. We will continue to use
935 Youth Empowerment's name, as we've always have. And, our partnership.., and Mr. Ike
936 Powell is here now, to speak to that. But, we will continue to use their name and the
937 concepts. The concepts work. We have the statistics to actually measure that by. The,
938 the concepts work. We're not going to change that. We're just expanding it so we can
939 serve our citizens as a whole, and to bring some of those concepts into the adult
940 population. But Mr. Ike Powell can speak closer to that for you.

941 **Councilperson Lawson:** Please. Thank you.

942 **Mr. I. Powell:** Good evening, Madam Chair. Good evening to the entire Council.
943 Good evening, Mayor Felder, and also good evening, Ms. Wynn and Mr. Evans.

944 Thank you for the opportunity to speak on behalf of Palm Beach County Youth
945 Services. I'm a member of that team. And we work extremely close with Val. And the
946 first thing I wanna say, when she approached us with this, we had nothing but great things
947 to say. My words were, 'Wow.' I was totally impressed with her vision, and she's always
948 been a visionary.

949 As many of you know, Youth Empowerment Centers in Palm Beach County have
950 been around for more than fifteen years. They were birthed with funding that the county
951 committed to a larger vision of overall youth violence prevention throughout the county.
952 As she mentioned, there were five Youth Empowerment Centers, and they were birthed
953 with the intention of the county starting them off and then assisting the cities with
954 maintaining them.

955 The county continues to maintain five of the Youth Empowerment Centers, Riviera
956 Beach, Belle Glade and then one down in Lake Worth. We're so proud of the work that
957 they do. I'm extremely proud of the work that Valerie does, her vision for everything and
958 where she's taking the Youth Empowerment Center here in Riviera Beach. It is the largest
959 of the Riv'.., the three Youth Empowerment Centers. The concept, she's always very
960 transparent with anything she's looking to do. We are, as you know, a very significant
961 funder. We just executed another three-year agreement back in October.

962 The Youth Empowerment Center, so you all realize, it comes from a separate pool
963 of funding that we have within the Youth Services. So, that funding is dedicated
964 specifically to Youth Empowerment Centers. Our overall intention is to continue to fund
965 those Youth Empowerment Centers as long as we can.

966 Our partnership with the City, and specifically with Valerie is, as I said, is extreme.
967 She approached us with this. She's offered us the opportunity to take a walkthrough
968 before the work even started in the building, and I thank her wholeheartedly for that. She
969 showed us all these pictures, we talk about the branding. We are..., we were concerned
970 about potential impacts with branding the name, but we came to the conclusion that her
971 vision is excellent, The Emerging Community Center. So, being able to still brand a Youth
972 Empowerment Center on flyers and all the collateral, on the outreach to the young people
973 of Palm Beach County is, is very important, and being able to weave that Youth
974 Empowerment Center into the overall concept of the Emerging Community Center.

975 We love the fact that she's expanding it, serving a more holistic family approach to
976 the community. We've talked to her to ensure that she understands the necessity to still
977 adheres to the contract, 'cause I'm in a role, me and my team of overall compliance to
978 ensure that the county's funds are spent on the population that's in that contract, the
979 eleven and nineteen years old, on a specific services and activities to achieve the
980 outcomes. And she does a great job of doing it. I'm very confident that she will continue
981 to do that under this new branding.

982 **Chairperson Lanier:** Thank you, sir. Are there any other questions for this team?

983 **City Manager Evans:** Madam...

984 **Chair Pro Tem Miller-Anderson:** Madam Chair?

985 **City Manager Evans:** ...Chair?

986 **Chairperson Lanier:** Yes.

987 **City Manager Evans:** Ms. Grimsley, you forgot one thing to tell them about.

988 **Youth Empowerment Program Director Grimsley:** Oh. You...

989 **City Manager Evans:** No, no, no. I think it's better coming from you.

990 [Chuckles]

991 **Youth Empowerment Program Director Grimsley:** You're talking about our...

992 **City Manager Evans:** Yeah.

993 **Youth Empowerment Program Director Grimsley:** Okay.

994 **City Manager Evans:** Yeah.

995 **Youth Empowerment Program Director Grimsley:** Alright.

996 What we didn't show you pictures of, because we don't have the imagery just yet
997 is, when you enter the Library, once you pass the, the café, you'll be able to experience
998 a saltwater fish tank. That will teach our students and citizens about, not only about the

999 ecosystem, but also about our waterways, what's in the waters, how some of the coral is
1000 becoming extinct, how we need to appreciate them.

1001 Initially, we're gonna start off with a freshwater tank. I don't know if Mr. Evans
1002 wants me to divulge what's in the freshwater tank?

1003 **City Manager Evans:** Sure.

1004 **Youth Empowerment Program Director Grimsley:** Okay. So, initially, we're gonna
1005 start off with a freshwater tank to really drill down and teach our students and our families
1006 about the ecosystem on the freshwater side. And, we are formulating a partnership...,
1007 when I say we, Mr. Bailey and myself is working with a few con'..., contractors and
1008 vendors. Your..., we'll be able to bring in baby alligators and use it as a technique of
1009 teaching our children, not only safety, but also some of the dangers that's in our waters.
1010 We're gonna work with the vendor because they have the expertise. They..., the baby
1011 alligator only stays small for so long, so we're gonna use that as a teachable moment.

1012 [Chuckle]

1013 **Youth Empowerment Program Director Grimsley:** And then, bring in our saltwater
1014 tank to actually expand that teaching around our waterways.

1015 **Chair Pro Tem Miller-Anderson:** Mm. Nice.

1016 **Councilperson Lawson:** Wow.

1017 **Chairperson Lanier:** Very good.

1018 **Chair Pro Tem Miller-Anderson:** Madam Chair?

1019 **Councilperson Botel:** Madam Chair?

1020 **Chairperson Lanier:** [Stammer]...

1021 **Councilperson Botel:** I'm sorry.

1022 **Chairperson Lanier:** ...Ms. Miller-Anderson and then yourself.

1023 **Chair Pro Tem Miller-Anderson:** Well, I certainly want to tell Ms. Grimsley thank
1024 you for all that she does with the Youth Empowerment organization, and just the
1025 expansion of it. I think we're always on the cutting edge of being first on a lot of things.
1026 And, you know, I really appreciate the thought and, and the very deep thought that go
1027 behind creating these programs, so that we can be number one in everything that we do.

1028 The alligator part, I will pass on that.

1029 [Chuckles]

1030 **Chair Pro Tem Miller-Anderson:** But I will be visiting the rest. I'm sure my
1031 husband will be over there, 'cause he has a, a., he loves to stop on the side of the street
1032 to see these alligators when we're traveling.

1033 [Chuckles]

1034 **Chair Pro Tem Miller-Anderson:** So, that sounds like a place that he will definitely
1035 like to visit, and I will let him do that for me.

1036 But, thank you so much for everything that you do. And, I can't wait to visit.

1037 **Councilperson Botel:** Madam Chair?

1038 **Chairperson Lanier:** Councilman Botel.

1039 **Councilperson Botel:** Thank you. I'm so excited about this Library, I can't tell you.
1040 And the program that you're doing is wonderful, Valerie. Thank you so much.

1041 I wanted to be sure you were aware that the Loggerhead Marine people have some
1042 great virtual reality programs that can actually put a student at the bottom of a coral reef.
1043 You know, that's what it looks like to them. So, if you wanna reach out to them, I can get
1044 you the contact information for the people to maybe borrow some of that stuff. It would
1045 be really exciting to have kids see that.

1046 **Youth Empowerment Program Director Grimsley:** Okay.

1047 **Councilperson Botel:** Thanks again.

1048 **Youth Empowerment Program Director Grimsley:** You're welcome.

1049 **Chairperson Lanier:** Thank you. Any other questions for Ms. Grimsley and her
1050 Youth Empowerment Emerging Community Center Program? [Pause]. Thank you, Ms.
1051 Grimsley.

1052 **COMMENTS FROM THE PUBLIC – 7:30 P.M. – NON-AGENDA ITEM SPEAKERS**
1053 **(Three Minute Limitation)**

1054 **Chairperson Lanier:** This., it is 7:40 p.m. I would like to entertain with the Board
1055 Members to start our pub'., start our comments from the public before we get into our
1056 thirty-minute presentation by the Alpha Educational Foundation, if there's no objections.

1057 **Councilperson Botel:** That's good.

1058 **Councilperson Lawson:** No objection.

1059 **Chair Pro Tem Miller-Anderson:** Yeah.

1060 **Chairperson Lanier:** Alright. Very good.

1061 [Inaudible audience discussion]

1062 **Chairperson Lanier:** We will start with our public comments at this time.

1063 **Chairperson Lanier:** PLEASE BE REMINDED THAT THE CITY COUNCIL HAS
1064 **ADOPTED RULES OF DECORUM GOVERNING PUBLIC CONDUCT DURING**
1065 **OFFICIAL MEETINGS...**

1066 [Inaudible audience discussion]

1067 **Councilperson Botel:** Mr. Brown.

1068 **Chair Pro Tem Miller-Anderson:** Mr. Brown.

1069 **Chairperson Lanier:** Okay.

1070 **Chairperson Lanier:** WHICH HAS BEEN POSTED AT THE ENTRANCE. IN AN
1071 **EFFORT TO PRESERVE ORDER, IF ANY OF THE RULES ARE NOT ADHERED TO,**
1072 **THE COUNCIL CHAIR...**

1073 **Chairperson Lanier:** That's me.

1074 **Chairperson Lanier:** ...MAY HAVE ANY DISRUPTIVE SPEAKER OR

1082 **ANY PERSON WHO WOULD LIKE TO SPEAK DURING PUBLIC COMMENT, PLEASE**
1083 **FILL OUT A PUBLIC COMMENT CARD LOCATED AT THE FRONT DESK...**

1084 **Chairperson Lanier:** Over here with Mrs., by the City Clerk.

1085 **Chairperson Lanier:** ...AND GIVE IT TO THE STAFF BEFORE THE PUBLIC
1086 **COMMENT SECTION IS ANNOUNCED.**

1087 **Chairperson Lanier:** Madam Clerk.

1088 **City Clerk Anthony:** Madam Chair, Members of the Board, the acceptance of
1089 public comment cards is now closed. Paige Parker, Parker, Peter Hrudá, Lloyd Brown.
1090 [Pause]. And, Madam Chair and Members of the Board, I believe I need to take the time
1091 on my phone. Am I correct, media team? Or, do you all have it?

1092 **Media Team:** [Inaudible].

1093 **Chairperson Lanier:** Do your phone.

1094 **City Clerk Anthony:** Okay.

1095 [Inaudible audience comment]

1096 **City Clerk Anthony:** Okay. You, you can go, go ahead...

1097 **Chairperson Lanier:** I can do it as well. Go ahead.

1098 **Ms. P. Parker:** Good evening everyone. My name is Paige Parker.

1099 I was hoping I wasn't gonna have to follow that because that was just wonderful.

1100 **Chairperson Lanier:** [Chuckle].

1101 **Ms. P. Parker:** And awe inspiring. And I was making notes, and my notes also said,
 1102 'Wow.' So exciting.

1103 And, it wasn't what I was gonna talk about tonight, but it brought me to a meeting
 1104 that we attended, a special meeting, meeting about the Marina. And at that point, we
 1105 were talking about what we wanted to see there. And, haven't heard anything back on
 1106 that. But they were saying they were gonna go towards something like a Dave & Busters
 1107 or a Drive Shack, or a bowling complex. And the whole time, I was thinking, 'What
 1108 happened to our aquarium?' And listening to the gentleman, our wonderful gentleman
 1109 running the Library, what about a, a cultural arts center? A cultural museum? A Riviera
 1110 Beach history museum? And, I had forgot to bring that up in the last couple of meetings
 1111 because I hadn't heard back from that meeting. But those thoughts immediately started
 1112 running through my head when I heard those last couple presentations.

1113 So, what I was going to talk about tonight, but still wanna proceed with those
 1114 thoughts and those conversations, is back to our infrastructure. That's always my subject
 1115 matter, being a long-term citizen on Singer Island. Infrastructure, the traffic situation,
 1116 hurricane evacuations, the excessive speed, the danger. No one obeys the speed limit
 1117 coming up and down the bridge. No one obeys the speed limit coming around North
 1118 Ocean. And I know our police are very busy, but it's very dangerous. So, our
 1119 infrastructure, our roads, the speed limits, concerns about being able to evacuate. And,
 1120 the infrastructure with our drainage, the high tides, our construction. Back to the
 1121 hurricanes, is everything on track for all these big condos to be able to shut down their
 1122 cranes, shutdown their building materials so those things are safe and secure?

1123 And also, with that being said, it's also sea turtle nesting season, so I'm hoping
 1124 that all of the condos already in construction, or under construction, are all in compliance
 1125 with their lighting so they're not affecting our sea turtles.

1126 But, as the previous presentations were talking about, we have a gem. Our cultural
 1127 resources, our environ'.., our environmental resources, we are so blessed.

1128 [Inaudible comment]

1129 **Ms. P. Parker:** So, I wanna make sure that they are protected always. These
1130 programs to make sure that our youth and our current families are ware, these things, so
1131 important. But I think it all ties back in together with our infrastructure, making sure that
1132 our roads are safe...

1133 **Chairperson Lanier:** Thank you, ma'am.

1134 **Ms. P. Parker:** Okay. Thank ya'll.

1135 **Chairperson Lanier:** Thank you so much.

1136 **City Clerk Anthony:** Peter Hruda, Lloyd Brown, Margaret Shepherd.

1137 **Mr. P. Hruda:** Madam Chair, everyone.

1138 **Chairperson Lanier:** Yes, sir.

1139 **Mr. P. Hruda:** Peter Hruda, 2305 Lake Shore Drive.

1140 I just wanna bring up the issue that I brought up before about 24th Street storm
1141 drains. I'm not sure if there is.., we have king tides, we have the rising tide and upcoming
1142 hurricanes and storms that always exist and they're getting worse. I would just like to ask
1143 if, if there's some way that the Board or.., we can look at some kind of funding in the
1144 upcoming Board meetings or future, for figuring out some kind of new infrastructure for
1145 the 24th Street drainage, which is deteriorating and becoming really.., of a, of a..,
1146 somewhat of an issue, in my view. And, of course, most of the residents confirm that that
1147 same concern has been voiced here before.

1148 I just wanna it be put on the Agenda or some type, to look for some type of funding,
1149 or some type of meeting about the storm drain for that area. Because, we do flood. We
1150 go under water. Our properties are just being dramatically affected by that. And I, and I
1151 just see.., I've been here four years and in the four years, it's.., every year it becomes
1152 potentially worse and worse.

1153 So, that's pretty much it. And I just wanna say thank you for everything you guys
1154 are doing. I appreciate it. [Chuckle].

1155 **Chairperson Lanier:** Thank you, sir.

1156 **City Clerk Anthony:** Lloyd Brown, Margaret Shepherd.

1157 **Mr. L. Brown:** How ya doin'? My name is Lloyd Brown. [Chuckle]. I guess you
1158 already know that.

1159 But, I'm up here because, you know, I think.., my friend, she always talking about
1160 I complain, you know, about things, but, like, when it comes to the City, I, I, I don't

1161 understand what she's saying so I don't really... But she builds me up so when I get over
1162 here, I can complain and, you know, I don't really worry about what you people think but
1163 I have to worry about her.

1164 But anyway, you know, you ever heard of the Trojan Horse? That's the horse that
1165 they brought in and, you know, and the people thought it was gonna be such a great deal.
1166 Well now, in Riviera Beach, we got trojan houses. They're bringing 'em in and you
1167 understand, like, they'll tell you it's gonna be a house where you're gonna have housing
1168 or whatever, then the next thing you know, in the next two months, they got a group home
1169 there. And the people that live next door don't know anything about it. And, nobody says
1170 anything to them.

1171 And okay, like, as far as these lots I see being cleaned too, I see a lotta Spanish
1172 guys cleaning 'em. And, even the houses that they're rental, there's more rentals in
1173 Riviera Beach, I think, than there are in the United States. Honestly. I'm gonna tell you
1174 the truth. 'Cause all these houses over here, most of them are rental houses. And what's
1175 so bad about that is, okay, in a rental house, you don't have a washer and a dryer for a
1176 woman that has kids, and you let these people lease these houses through the Health
1177 Department to these people.

1178 And, I mean, okay, all you need with some of these women, they don't even cook.
1179 You need a microwave, a washer and a dryer. 'Cause, I'mma tell you like this, most of
1180 them don't cook. But when you go to the store, all they get is soup in a cup and stuff like
1181 that. And they have to go to these corner stores to actually buy most of the food that they
1182 get. But, when you eat food and you go to school, your clothes get dirty, and you definitely
1183 have to go the restroom. When things get dirty, your clothes, without a washer and a
1184 dryer, I mean, that doesn't even make sense. But you'll.., they have to get in these
1185 houses, so they have to take the deal that they get.

1186 And, I mean, I don't see you all lettin' these people come in here and rent these
1187 house. I done' seen some slumlords. I know a house in Riviera Beach that's only got
1188 one door. But there's about twelve kids that be in there. It only has one door. So where
1189 your.., where' the Code Enforcement? Oh, the Code Enforcement over there with my
1190 friend on 6th Street, telling him that he need' to get his address so they can see it. But
1191 they don't go to these rental houses. I, I look at the rental houses... When a person
1192 leave a rental house, if they go in there and they gotta tear damn near everything out to
1193 repair it, don't you know that house has been that way for the longest? It just did not
1194 happen?

1195 'Cause I live next door to a rental house, and these people complain to me. Most
1196 people that come and complain to me, , they talk about all ya'll. And I'm not gonna tell
1197 you what they're saying but they're just, like, disgruntled. You know? Almost like a
1198 disgruntled employee. These are disgruntled citizens. I mean, you need to look at these
1199 rental houses instead of messing with somebody about the, the door doesn't have the
1200 address on it. Or, your yard grass is brown, when you got a rental house...

1201 [Timer]

1202 **Mr. L. Brown:** ...where these people make twelve hundred dollars a month. They
1203 should have the greenest grass.

1204 **Chairperson Lanier:** Thank you, Mr. Brown.

1205 **City Clerk Anthony:** Margaret Shepherd.

1206 **Ms. M. Shepherd:** Margaret Shepherd, Riviera Beach.

1207 That was a tough situation coming behind Mr. Brown. I tell ya, I admire him. I
1208 admire him.

1209 But, I'm here today..., I was listening to him say people complain. And I think it was
1210 Monday when we had the senior citizen luncheon over at Lindsey Davis. I didn't go 'cause
1211 I wasn't feeling well. And I had a call, and they said, 'Ms. Shepherd, where are you?' I
1212 said, 'I'm at home.' And they said, 'Can we come over and talk to you?' And I said, 'We?'
1213 I said, 'How many is we?' They said eight. I said, 'Okay. I can accommodate that into
1214 my little room.' The complaint was the treatment of Mr. Lawson. I'm just delivering a
1215 message you all. And I asked them what was the complaint? They said, 'Well, he's
1216 everywhere. Wherever we go, he's there, he dance, he laugh and just have a good time
1217 with us.' And they said they were just disturbed by him not getting the Chair.

1218 And so, I tried to explain to them that, even though your Pro Tem Char, it does not
1219 mean you will become Chair. It's the vote between them. So, they're just distraught and
1220 a couple of them said they weren't voting, they didn't vote the last time. And I said, 'Well,
1221 I'm gonna say it on Channel 18.'

1222 Mr. Lawson, I, I just want you to be encouraged that they're still your seniors, and
1223 I hope you don't go anywhere. I hope you don't get discouraged. I hope you still love
1224 'em and kiss them and take all them pictures with them because that's what they like.
1225 And I thank you. And I thank the ones that came over to talk to me. And I want you to
1226 know, you know, we have to do a little bit better. Even if we don't like you, we still have
1227 to be a little bit better. I'm just the messenger now. Don't get upset with me.

1228 Thank you.

1229 **Chairperson Lanier:** Thank you.

1230 **City Clerk Anthony:** Madam Chair, Members of the Board, that concludes public
1231 comments that were submitted before the calling of the..., no longer accepting cards.

1232 **Chairperson Lanier:** Alright. Thank you.

1233 **7. THIRTY-MINUTES PRESENTATION UPDATE BY ALPHA EDUCATIONAL**
1234 **FOUNDATION, INC.**

1235 **Chairperson Lanier:** The next Item on the Agenda is a thirty-minute presentation.
1236 Mr. Evans.

1237 **City Manager Evans:** Madam Chair and Members of the Board, if I can have the
1238 Deputy City Manager, Ms. Elizabeth McBride, make this presentation. And she will also
1239 be making this presentation in collaboration with the Alpha Foundation Fraternity.

1240 **City Clerk Anthony:** Madam Chair, Members of the Board, we do have public
1241 comment on this Item. The acceptance of public comment on this Item is now closed.

1242 **Deputy City Manager McBride:** Good evening, Madam Chair...

1243 **Chairperson Lanier:** Good evening.

1244 **Deputy City Manager McBride:** ...and the rest of the Council, Mayor, and City
1245 Manager.

1246 Tonight, we were hoping to provide you with a two-part presentation. First, an
1247 update from the January meeting, when we first dealt with the issue surrounding the
1248 Lease with the Alpha Educational Foundation. And second, the fraternity has requested
1249 [stammer] to do a short presentation about the organization.

1250 During the January meeting, there were several issues that were identified, that
1251 were delinquent relative to the Lease.

1252 **Chairperson Lanier:** Madam... I'm sorry. Ms. McBride...

1253 **Deputy City Manager McBride:** Yes.

1254 **Chairperson Lanier:** The gentleman standing... We have seating in the, in the...,
1255 here. And if there's not a seat, that means that that's overflow. So, you have to have a
1256 seat because we have to be..., maintain our six feet distance in this auditorium. So, if you
1257 can come and have a seat. And if there are no seats, then that means that you have to
1258 go to the overflow. [Pause]. If there are no seats, that means that you have to go to the
1259 overflow. [Pause]. Okay. Very good. Mrs. McBride.

1260 **Deputy City Manager McBride:** For the first part, providing with a status update
1261 regarding the Lease. Since the last meeting, we, City Staff, has..., we've had three
1262 meetings with the members of the Alpha Educational Foundation to discuss the Lease,
1263 the terms of the Lease, and to address deficiencies related to the Lease.

1264 At the January meeting, it was reported to you that they were delinquent as to rent
1265 and late fees. They are no longer delinquent in that area. The rental fees have been paid
1266 up to September of 2021. Also, it was stated that they were delinquent in their Solid
1267 Waste assessment fees. It was determined that, after much go 'round, in exchange, that
1268 the Alphas did not have dumpsters on their site, as they were being assessed for, but
1269 roller containers. And we've just been able to provide them, this afternoon, with the
1270 statement as to the four-year cost for those containers. So, that is something that will
1271 have to be addressed later because there is a question as to what date the charges
1272 should start to be accumulating.

1273 The other area related to.., of great importance to the City, were the insurance
1274 requirements. All the Alphas, as well as all the tenants, have met the insurance
1275 requirements associated with the Lease. All.., with only one tenant who apparently
1276 they're auto insurance provision, we found out this afternoon, had lapsed. The tenant
1277 does have the commercial general liability, but it's the auto part that has lapsed.

1278 For the business licensing, Ms. Wynn is in the process of reviewing the subleases
1279 of the tenants. Once those are completed, they will be able to pr'.., submit their
1280 applications [inaudible] four applications already, the Alphas for their leasing part, one
1281 for.., also, another one for their mentoring and tutoring program. And, for the subtenants,
1282 we do have also two applications presently pending, Florida Fishing Academy and Acts
1283 of Kindness. And the only.., what is it, only Barrier, it's just the approval and signoff on
1284 the subleases by the City.

1285 Several building inspections have been made of the site by the Building Official,
1286 who has indicted he is happy with the progress that has been made, that a lotta work has
1287 been done at the site, even though there is still a lot of work that needs to be done if you..
1288 relative to the site. And, for the next month, up until, like, June or July, he will provide
1289 monthly reports of the progress with the building violations and their corrections. And,
1290 the Manager will provide you with the, the outcome of those inspections.

1291 Okay. If you have any questions regarding any of the issues that were stated in
1292 January, we do have the Risk Manager here. We have the Building Official here. We
1293 have Mr. Sherman here, with the finances. If you have any further questions. Otherwise,
1294 for the Alphas, I think the Alpha Phi Alpha Fraternity is here, and their Men oof Tomorrow
1295 group is here. And the presenters on their behalf will be Dr. George Lockhart, Mr. Alfred
1296 Fields, who manages the Educational Foundation part, and Mr. Finley. Okay.

1297 **Chairperson Lanier:** Okay. You can come forward.

1298 **Councilperson McCoy:** Madam Chair?

1299 **Chairperson Lanier:** Yes, sir.

1300 **Councilperson McCoy:** So, Ms... Before he does...

1301 **Chairperson Lanier:** Yes?

1302 **Councilperson McCoy:** So, what exactly was the thirty minutes? Is that the entire
1303 presentation? Is it a presentation of thirty minutes from the Alphas? What.., explain this.
1304 Because, Ms. McBride started off by saying there will be two sections, so I wanna ask
1305 them questions of what Ms. McBride said, but I wanna know what the rules of engagement
1306 are.

1307 **Chairperson Lanier:** Yes. Ms. McBride.

1308 **Deputy City Manager McBride:** The Alphas asked the Manager if they could do a
1309 presentation, for tonight, about their organization. And, as part of it, if you remember..,

1310 recall, the questions that were raised by Members of the Council, it was asked for them
1311 to present an update of the programs currently at the site, and how they are benefitting
1312 the City, and any physical improvements that they would be making to the [inaudible]...

1313 **Chairperson Lanier:** I think the question is, how long does this take?

1314 **Deputy City Manager McBride:** Oh. The video that Mr... It's about seven minutes, the
1315 one I...

1316 **Chairperson Lanier:** Right.

1317 **Deputy City Manager McBride:** ...saw. Okay.

1318 **Chairperson Lanier:** Mr. McCoy.

1319 **Councilperson McCoy:** Follow up.

1320 **Chairperson Lanier:** Yes.

1321 **Councilperson McCoy:** So, before we get into that, I wanna address the issues that
1322 prompted us to go and ask these questions. I know, then Councilperson Lanier, who's
1323 Chair, had shared some of the same concerns. And, Mr. Evans, please help me out
1324 because I just so happened to be at the meeting March 21, 2018, and I went back and
1325 reviewed the video and I have the transcript in front of me, so I wanna make sure that I
1326 can get down to my concerns about the noncompliance before we hear about any
1327 program or progress that they've done.

1328 So, I wanna start off. And I know we got an update, but I wanna make sure that
1329 we get some clarification. And, and I want the Members' attention on this because when
1330 we brought this up in January, I specifically asked to have, I think a head of the meeting,
1331 Ms. Wynn, I think I asked for an ledger to find out where they were, ahead of them coming
1332 before us. And then, we got in the meeting in January, it was stated that the payments
1333 were sent into the City and they mailed in, or something of that sort, but they were lost.
1334 And it was never credited to account. And I wanna first resolve those issues before we
1335 go into talking about some of the other programming and progress things.

1336 So, can we discuss the, you know, when this was brought current and how many
1337 months delinquent at that point, before it was brought current?

1338 **Deputy City Manager McBride:** It was brought current after our meeting in January.

1339 **Councilperson McCoy:** Okay.

1340 **Deputy City Manager McBride:** Okay.

1341 **Councilperson McCoy:** So, by my just rough estimate, because this first...

1342 **Deputy City Manager McBride:** That was for the entire..., since March 2018.

1343 **Councilperson McCoy:** So, I count that to be thirty-four months of being delinquent.

1344 **Deputy City Manager McBride:** Thirty-four. Thirty-four, thirty-three.

1345 **Councilperson McCoy:** Would Mr. Sherman be able to attest to that?

1346 **Deputy City Manager McBride:** Maybe.

1347 **Councilperson McCoy:** And Ms. Wynn, I'm coming to you regarding the Lease...,
 1348 sublease agreements as well.

1349 **City Attorney Wynn:** Yes, sir.

1350 **Finance and Administrative Services Director Sherman:** Good, good evening,
 1351 Mayor and Council. Randy Sherman, Finance Director.

1352 Yes, at that point, they were thirty-four months delinquent.

1353 **Councilperson McCoy:** So, at that point, did you create, in your internal financial
 1354 accounting system, an account solely for the Alpha Education Foundation once we did
 1355 get them account..., get the payment that brought them current?

1356 **Finance and Administrative Services Director Sherman:** We, we generated invoices
 1357 for the past due amounts, plus the late fees that are provided for in the Lease Agreement.
 1358 And then, we had previously mailed out the Solid Waste assessments. That comes in, in
 1359 November. So that, that had previously been mailed. But, as far as the rents, we provided
 1360 them with the invoices. And again, those were paid once the receivables were, were
 1361 submitted to them.

1362 **Councilperson McCoy:** Thank you, Mr. Sherman. Ms... Thank you, Mr. Sherman.

1363 **Finance and Administrative Services Director Sherman:** Okay.

1364 **Councilperson McCoy:** Madam Chair?

1365 **Chairperson Lanier:** Yes.

1366 **Councilperson McCoy:** Thank you.

1367 Ms. Wynn, so, I, I wanna make sure that I'm understanding the requirements of
 1368 the current Lease and the Alpha Education Foundation's ability to offer sublease. I
 1369 believe that there was language, and correct me if I'm wrong, that said that it had to be
 1370 approved by the City. And, help me understand, does that mean Administratively, or
 1371 official action of the body?

1372 **City Attorney Wynn:** No. In the actual lease between the City and the Alphas, there
 1373 was a consent to sublease that the City agreed to in the actual Lease.

1374 **Councilperson McCoy:** Mhmm.

1375 **City Attorney Wynn:** There was also an attachment of what that form looked like.
1376 And so, it would only have been signed by Legal and the Clerk, as well as the Alphas.
1377 There is a, a signature block for the Mayor and, and the Clerk but it would not have come
1378 back to the Council. Because it was agreed to in the entire Lease Agreement between
1379 the City and Alphas.

1380 **Councilperson McCoy:** Okay. And, until, I guess, January of 2021, how many
1381 subleases, and specifically what organizations were permitted by Legal to, you know, to
1382 be sublet to?

1383 **City Attorney Wynn:** Ms. McBride has that information, I believe. The names of the
1384 sublessees.

1385 **Deputy City Manager McBride:** Oh, the names...

1386 **City Attorney Wynn:** Of the subtenants.

1387 **Deputy City Manager McBride:** ...of the sublessees?

1388 **Councilperson McCoy:** And I'm, I'm speaking of that have been approved by Lega,
1389 January 2021.

1390 **City Attorney Wynn:** To my knowledge, none of them were approved.

1391 **Deputy City Manager McBride:** Yeah.

1392 **City Attorney Wynn:** I don't...

1393 **Deputy City Manager McBride:** In January it was...

1394 **City Attorney Wynn:** ...ha'.., I've not seen any signed by Mr. Degraffenreidt. I have
1395 drafts of them now. I have not signed them because I was waiting to see what the
1396 direction from the Council was. The form was already approved and attached to the...

1397 **Deputy City Manager McBride:** Lease Agreement.

1398 **City Attorney Wynn:** It's called the Sublease Agreement, was already approved
1399 and attached to the main con'.., the main Lease as well.., Lease Agreement as well. And
1400 that would only be signed by the tenants, the subtenant and the tenant, the Alphas and
1401 whoever they were leasing to. They just had an obligation to tell us who those ten'..,
1402 subtenants are.

1403 **Deputy City Manager McBride:** Okay.

1404 **Councilperson McCoy:** Follow up.

1405 **Chairperson Lanier:** Yes.

1406 **Councilperson McCoy:** So, so in reviewing in your role, in your capacity, Ms. Wynn,
1407 would you also be verifying that the sublessees comply with the insurance requirements?
1408 Would that be one...

1409 **City Attorney Wynn:** In con'...

1410 **Councilperson McCoy:** ...of the require'...

1411 **City Attorney Wynn:** In conjunction with..., in conjunction with Risk, yes.

1412 **Deputy City Manager McBride:** Yeah.

1413 **Councilperson McCoy:** Okay. And...

1414 **Deputy City Manager McBride:** Mhmm.

1415 **Councilperson McCoy:** So, we've never done that?

1416 **City Attorney Wynn:** Not to my knowledge.

1417 **Councilperson McCoy:** Okay.

1418 **Deputy City Manager McBride:** Councilman McCoy, in all fairness, it seems as though
1419 we didn't have in place a process...

1420 **Councilperson McCoy:** Well...

1421 **Deputy City Manager McBride:** ...[inaudible]...

1422 **Councilperson McCoy:** Ms. McBride...

1423 **Deputy City Manager McBride:** Okay.

1424 **Councilperson McCoy:** Let me finish because...

1425 **Deputy City Manager McBride:** Alright.

1426 **Councilperson McCoy:** ...you know, every meeting we talk about what we don't have
1427 in place. It's really hard to see the children that live in this community...

1428 **Deputy City Manager McBride:** Okay.

1429 **Councilperson McCoy:** ...stand on the corner and scrounge for coins, running up to
1430 vehicles. And that's why I brought this item up at a meeting. So, as much as I would love
1431 to support this...

1432 **Deputy City Manager McBride:** Mhmm.

1433 **Councilperson McCoy:** ...if we're not compliant, none of that matters.

1434 **Deputy City Manager McBride:** Okay.

1435 **Councilperson McCoy:** I mean, we lost a City employee. And I have to remind the
1436 Members, that we make decisions, and it's gonna sound very harsh and I don't have any
1437 ill intent, but the decisions that we make, in some cases, decide whether people live or
1438 die.

1439 **Deputy City Manager McBride:** [Inaudible].

1440 **Councilperson McCoy:** And to have somebody on City's property, when we don't even
1441 have the assurances that there's liability coverage, in the event that somebody's injured,
1442 exposes every single taxpayer. And I just wanna make sure that, aside from the
1443 processes...

1444 [Background music]

1445 **Councilperson McCoy:** ...'cause I wanna make a point that Administration goes back
1446 to know, regardless of whatever the Board decides, there has to be some internal controls
1447 that we have contract management and somebody looking after these deals, because
1448 there's no way that this go forward when..., if you're late on your water, your water'll be
1449 turned off in forty-five days. And we got an organization that's serving the community...

1450 **Chairperson Lanier:** Hold on, hold on, Mr. McCoy.

1451 [Pause]

1452 [Background music then stoops]

1453 **Chairperson Lanier:** Alright. Very good.

1454 **Councilperson McCoy:** Well, I think I...

1455 [Chuckles]

1456 **Councilperson McCoy:** I rest my case, Madam Chair. I don't have nothing else. Hey,
1457 we all...

1458 [Inaudible dais comments and chuckles]

1459 **Councilperson McCoy:** Madam Chair? I, I, I pray we all be ready. That's all I have.

1460 [Chuckles]

1461 **Chairperson Lanier:** Are there..., are there any other questions from the Board in
1462 regards to Mr. McCoy, or what was presented by Ms. McBride?

1463 [Background music]

1464 **Councilperson McCoy:** Hold on one second. Hold on.

1465 [Chuckles]

1466 **Chairperson Lanier:** Are there any other questions? I, I just wanted to ask one
 1467 question.

1468 **Unk.:** Hmm.

1469 **Chairperson Lanier:** The list of issues that we had at the last meeting and we said
 1470 this was supposed to be completed, in its entirety...

1471 **Deputy City Manager McBride:** Mhmm.

1472 **Chairperson Lanier:** Has that happened? That's yes or no.

1473 **Deputy City Manager McBride:** No. Not the Code violations.

1474 **Chairperson Lanier:** Okay. Very good.

1475 **Deputy City Manager McBride:** Mhmm.

1476 **Chairperson Lanier:** Any other questions from the Board before we get to the
 1477 presentation that the Alphas have prepared for us? [Pause]. If not, the seven-minute
 1478 video, you can show, sir.

1479 **Dr. G. Lockhart:** Good evening, Madam Chair, Members of the Council. My name is
 1480 Dr. George Lockhart. I am the President of Delta Delta Lambda, Alpha Phi Alpha
 1481 Fraternity, Incorporated.

1482 We have come here this evening... And, for those..., the Brothers who are here, if
 1483 you can stand up just for a second 'cause you can have a seat again. Then, we're here
 1484 to show in definitely the support of what we're doing. I was brought here in January, last
 1485 couple of months ago, and I was asked high order questions of queries that I was to
 1486 answer in minutes, and I kindly asked for some time. And, the Board allowed for that to
 1487 happen. And because it has been several weeks for those same queries. So, we were
 1488 able to get that done. Tonight, we're gonna have a medley of speakers, myself... You
 1489 all can be seated, Brothers. Thank you. Myself, Mr. Fields, who's the President of the
 1490 Foundation, and Mr. Finley who's the Director.

1491 The video you're about to see, it simply is..., talks about the history of the fraternity,
 1492 talks about the grassroots of what we're doing here, and the youth is very important. It
 1493 comes in three forms, manly deeds, scholarships and love for all mankind.

1494 Thank you.

1495 [Video plays]

1496 **Dr. G. Lockhart:** That concludes that particular portion of the video. To answer
 1497 Councilman's Tradrick McCoy's question, we do not have the students standing out there

1498 on the avenue. I answered that in January. That's not part of our program. We actually
1499 [stammer] deter that. Being in education myself, I do understand the [inaudible] after
1500 thirty-two years I would definitely not condone that sort of thing.

1501 At this time, in this medley, I'm gonna hand it off to the President, Brother Alfred
1502 Fields.

1503 Thank you.

1504 **Mr. A. Fields:** Good evening and with respect to all of those on the dais, to our
1505 Chairperson and all the Councilpersons, to our City Manager, to our Deputy City
1506 Manager, I bring you greetings from the Alpha Educational Foundation, DDL, which is
1507 under the auspices of Alpha Phi Alpha Fraternity, Incorporated, Delta Delta Lambda
1508 Chapter.

1509 I first wanna say thank you to Council and to the City for allowing us to ingratiate
1510 ourselves in this great City of Riviera Beach, to work with the, the youth, the citizens, and
1511 yourselves as partners in our endeavors to enhance our community. I do want to give
1512 thanks again to Councilperson..., I mean, Deputy City Manager McBride for her efforts
1513 and working with us, and counseling with us, to try to make sure we meet the expectations
1514 that have been laid before us.

1515 I'm here this afternoon, this evening, to just to give you a little enlightenment about
1516 what we have done, what we're doing, and what we plan to do.

1517 Back in 2018, and I think we started in 2017, and discussing this site that is now
1518 named the Judge Rogers Center for Community Development. And during that time, we
1519 presented an executive summary of what our plans were. I'm going to read into the record
1520 what that plan was for the Center.

1521 The mission of the Judge Roger'..., Edward Rogers Center for Community
1522 Development is to help the City of Riviera Beach to build a 21st Century community, with
1523 equality of opportunity for all of its residents. We aim to do so by providing beneficial
1524 programs and services for at risk, high risk, and underserved youth and families residing
1525 in and around the City.

1526 As an innovative, social collaborative led by the Alpha Educational Foundation,
1527 and the entity of the Delta Delta Lambda Chapter of Alpha Phi Alpha Fraternity,
1528 Incorporated, the purpose of Rogers Center will be to develop a unique social enterprise
1529 consisting of several key community empowerment offerings, designed to provide Rivera
1530 Beach residents with the resources, skills, training and potential employment
1531 opportunities they need to help strengthen and build the local community.

1532 Additionally, the Foundation and each of its partnering organizations shall, through
1533 the use of its primary facility located at 251 West 11th Street in Riviera Beach, Florida,
1534 provide cutting edge community benefits to deserving local residents, including but not
1535 limited to the following: educational enhancement programs; healthy food and general
1536 nutrition resources; musical appreciation and cultural enrichment initiatives; new and

1537 small business incubation services; mental health screening and access to counselling;
1538 youth mentoring and recreational sports opportunity; workforce development training and
1539 skill based learning.

1540 Just as importantly, partnering with local, state and national groups, organizations
1541 and business and industry leaders. The Rogers Center aims to accomplish the following
1542 objectives: Create and implementation of various workforce development initiatives,
1543 including apprenticeship opportunities in both the marine and hospitality industry that will
1544 provide at risk, high risk and underserved youth and juveniles and ex-offenders, with
1545 training and job opportunities they need to become productive and contributing members
1546 of society.

1547 Creation of an early learning academy, with the stated goal of preparing students
1548 for grade school and beyond; development of horticultural programs and community-
1549 based farmer's markets that provides fresh fruits, vegetables to residents residing in food
1550 deserts; [stammer] implementation of a proprietary musical engineering certification
1551 program in partnership with organizations that provide career based skills and
1552 employment opportunities in digital music and audio visual industry; development of new
1553 business startup incubators, providing entrepreneurship with the infrastructural resources
1554 they need to grow and further develop their businesses; creation of mental health
1555 services, delivering mech'., mechanisms whereby we will aim to serve as a liaison to
1556 veterans who may be suffering from posttraumatic stress disorder, as well as grief
1557 counselling services and other unaddressed mental health needs plaguing the local
1558 community; strengthening and expansion of the youth-based local mentoring program;
1559 our Men of Tomorrow program, using evidence-based practices and recreational sports
1560 opportunities.

1561 That is what we presented back in 2017. Since that time, we consummated a
1562 Lease in March of 2018. We undertook the property that's located at 251 West 11th Street,
1563 in March, and at that time, of taking on that project, we did not move into a gold mine, but
1564 we understand, to whom much is given, much is required. Every gift doesn't come without
1565 a price. If I bought a television, I still gotta pay the electric bill, or else I can't watch the
1566 television.

1567 This organization, we understood the challenge that we were taking on. And we've
1568 encountered them, and we've stepped up to the plate. We put thousand man hours into
1569 these modular buildings, that are not made of CVS. We've had to clean, we've had to rip
1570 carpet out, we've had to change toilets out, we've had to change lightbulbs, we had to
1571 patch holes in walls. All these things we had to do before we could even think about
1572 allowing guests to come and, and participate in this property.

1573 So, the entire 2018 year, primarily was used to restore the building to usable
1574 condition, not to perfect condition because, if we, we had to do that, our organization
1575 funding wasn't in place to do that all at once. Most of the funding that we get is from the
1576 back of our brothers. And, we have done that for many years. We have entered into the
1577 arena of applying for grants, which we have been getting some movement on those, in
1578 some efforts and help with doing some of these repairs.

1579 But we did not do a ribbon cutting until December of 2018. So, I know, I can count
1580 the number of brothers in here, and the number of hours they spent taking down graded
1581 work that was still stapled to the walls in the building, removing all types of materials that
1582 were left in the building. We didn't have a dumpster on the property, but we had brothers
1583 with connections that got dumpsters donated. And I didn't know we couldn't have a, a
1584 dumpster that wasn't from Solid Waste in the City of Riviera Beach, until Code came by
1585 and said, 'You got a dumpster here that doesn't supposed to be here.' We had a brother
1586 who had a connection with a contractor who had donated us a dumpster so that we could
1587 clean up. And when the City came by, the City Inspector came by and said that, we had
1588 the dumpster removed. And that's how we were managing this property, on the backs of
1589 our brothers, and the funding out of their pockets.

1590 So, and in December, we had the ribbon cutting. We were able to then move
1591 forward. We had several members of the Council that was present at the ribbon cutting.
1592 Since that time, we've had numerous of programs there, where we've always invited the
1593 entire City Council, we've always invited all the citizens of Riviera Beach and the
1594 surrounding areas, and we've had programs there that have benefitted this City and its
1595 residents. And particularly, our youth. We've even had our Chief of Police come speak
1596 to our Men of Tomorrow program there.

1597 We've worked with the medical society, T. Leroy Jefferson Medical Society and
1598 put on a major back to school workshop, where they came and gave free physicals to our
1599 students going back to school. And we gave out backpacks and school supplies. We've
1600 had major food giveaways at the location, where we've actually had drive-thru service
1601 where people didn't get out of their cars. And this was before the pandemic. We didn't
1602 start this after the pandemic, we started before.

1603 And then, a year after that, January..., Feb'..., March of last year, as we were
1604 starting to hit our stride, we had the pandemic. So, this past year, we've been crippled,
1605 as in most places, by the pandemic. And so, yes, we haven't been able to do all the
1606 things that we had planned to do and would like to do, but it hasn't stopped our motivation
1607 and drive. And I tell you, this is personal for me. You know, I'm a little country boy from
1608 a city called Belle Glade, where..., and, and raised in a city called South Bay, where's
1609 there's one traffic light and not a whole lotta people thought anybody coming from there
1610 would be anything. And I can tell you, the God I serve said no.

1611 [Audience exclamation]

1612 **Mr. A. Fields:** So, this is very personal to me. And so, when you talk about Alpha
1613 and you talk about my brothers, and when you talk about our students and our kids, it
1614 gets personal. And I had to tell Ms. McBride that, and she, she said she understood
1615 because we don't get paid for this. This is a labor of love. Because I understand, to
1616 whom much is given, much is required.

1617 And so with that, I'm gonna turn it over to Brother Finley because I could go on
1618 talking about our love for our community and what Alpha has done in Palm Beach
1619 County...

1620 **Chairperson Lanier:** Yes.

1621 **Mr. A. Fields:** ...since 1947.

1622 **Chairperson Lanier:** Thank you. Thank you, sir.

1623 **Mr. A. Fields:** So, thank you.

1624 **Chairperson Lanier:** Is there any other presentation for this Item? [Pause]. Alright.
 1625 Very good.

1626 **Mr. A. Fields:** [Inaudible], Brother Finely.

1627 **Chairperson Lanier:** Thank you, sir. [Pause]. How long is this... What is this that
 1628 we have here?

1629 **Mr. B. Finley:** There's a time constraint? 'Cause...

1630 **Chairperson Lanier:** Five minutes.

1631 **Mr. B. Finley:** ...I make it short.

1632 **Chairperson Lanier:** Five minutes, sir.

1633 **Mr. B. Finley:** I can make it short.

1634 **Chairperson Lanier:** Thank you, sir.

1635 **Mr. B. Finley:** Thank you so much.

1636 Good evening to the Council and all of you all. Just wanna say a few things, and
 1637 I will. 'Cause I can keep short. I am a preacher by trade, so I can keep it very, very short.

1638 What I wanna say tonight, I've heard a lotta things and I can understand the issue
 1639 on the table. I came from the business world. I say, what you see before you also, is
 1640 someone that grew up in this City. And when I grew up in this City, I could not do a lotta
 1641 things here. I couldn't even become a boy scout in this City because, when we did a
 1642 troop for a whole year, we could not get one male figure to allow us to become a boy
 1643 scout. So, it's personal to me. I understand. When I took over the Men of Tomorrow
 1644 program some years ago, it always had been my dream to do what God has put me to
 1645 do.

1646 And so, we come tonight, Council... Let me sum up my, my presentation real
 1647 quickly for you. I wanna say to you all, I come tonight to ask you for a partnership. We
 1648 came to do a job that the Honorable Judge Rogers said in a meeting one night, and he
 1649 had a vision, and that vision inspired me. And so, we came to 251 West 11th Street, we
 1650 had no money. Only what was in our pockets, lint in our pockets and a couple dollars.
 1651 But, we never gave up and we still strive, regardless of the roaches that crossed our feet,
 1652 regardless of the things that we saw in that building. The things that we saw on the

1653 outside, the things that some of you all may have rode by many days before we got that
1654 property, and we worked, worked and we worked. And, and in between working, we tried
1655 to do the job.

1656 And so, we come tonight to say to you, that we come to make an appeal, an appeal
1657 to be partners because this is the City of Riviera Beach. I love this City. So, we come to
1658 work at 251. We didn't come to sit down, we didn't come to complain, we didn't come to
1659 gripe, but what we came to do, tonight, after showing you a presentation, we've been
1660 there just about three years. And in three years, in between working, in between doing
1661 and some of you City Councils, I've seen you there, and I appreciate your presence. And
1662 you have taken hold of some of the programs there. You've seen Pastor Nelson doing
1663 her job, you've seen Acts of Kindness, you've seen Sounds of Success doing what they
1664 do. And we also see them because they are our partners as well as our tenants. But we
1665 take it in stride because we are in partnership with them, and we allowed them to come
1666 because we wanted them to grab hold of the vision.

1667 So, we're here tonight, Council, and we appreciate you all. And what we're saying
1668 tonight, we're not here to argue and gripe or complain, but what we wanna do, we have
1669 a vision. We've grabbed hold of some, some community partners and some
1670 organizations, so we are going to move forward to do what we need to do.

1671 I wanna thank you so much. And we appreciate your time and your attention
1672 tonight.. And we just ask you, take consideration to join us in this partnership.

1673 Thank you.

1674 **Chairperson Lanier:** Thank you, sir.

1675 [Applause]

1676 **Chairperson Lanier:** Yes. You're recognized

1677 **Councilperson McCoy:** Thank you, Madam Chair.

1678 So, I wanna get all of the Members attention, Ms. McBride, Mr. Evans, and Ms.
1679 Wynn because I'm very confused. This is not the Shark Tank. We brought this issue
1680 here to address the noncompliance. And, the gentleman that just left, I wanna..., I believe
1681 he said Milton, he said he knows what's on the table. I'm confused, because I don't know
1682 what's on the table. We wanted to address the simple concerns that wasn't being followed
1683 in the current agreement, and this seems to turn into more or less a pitch. And I'm not
1684 exactly sure what the expectation is with this presentation.

1685 You know, we brought up that these were noncompliant issues, that were very
1686 serious for the City and for anybody that actually was at the property. But, the whole
1687 emotional appeal, you know, I empathize, and I certainly understand but what exactly are
1688 we expected to do? What are we looking to do, Members? And that is very much an
1689 open-ended question, and I'm gonna ask for the dialog again, because, you know, I, I

1690 guess I have the wrong impression because I thought we were gonna deal with the
1691 compliance issues. And, you know, that was the extent of the presentation.

1692 So, Mr. Evans, I'm looking for direction [inaudible] Ms. McBride.

1693 **Councilperson Lawson:** Madam Chair?

1694 **Chairperson Lanier:** Yes. Mr. Lawson. I'm sorry...

1695 **Councilperson Lawson:** Thank you.

1696 **Chairperson Lanier:** ...Councilman Lawson.

1697 **Councilperson Lawson:** Thank you.

1698 Ms. McBride, can you give us a list of the outstanding violations that are still
1699 incurring with the property?

1700 **Deputy City Manager McBride:** Yes.

1701 **Councilperson Lawson:** Thank you.

1702 **Deputy City Manager McBride:** I think in, what.., the Manager sent you an email that
1703 related, about a month ago...

1704 **Councilperson Lawson:** Mhmm.

1705 **Deputy City Manager McBride:** ...and the violations. Mr. Grimm cited them for.., he
1706 gave them some dates to comply, ranging from March 1st 'til some times in June. So,
1707 some of those violations are still, still pending.

1708 **Chairperson Lanier:** What was your question, Mr. Lawson? I'm sorry.

1709 **Councilperson Lawson:** A list of the outstanding violations.

1710 **Deputy City Manager McBride:** Violations.

1711 **Chairperson Lanier:** Okay.

1712 **Deputy City Manager McBride:** It's about two and half pages, Mr. Lawson.

1713 **Councilperson Lawson:** And we have...

1714 **Deputy City Manager McBride:** Because it, it's...

1715 **Councilperson Lawson:** And we have deadlines listed on those two...

1716 **Deputy City Manager McBride:** Yes.

1717 **Councilperson Lawson:** ...and a half pages...

1718 **Deputy City Manager McBride:** He has...

1719 **Councilperson Lawson:** ...correct?

1720 **Deputy City Manager McBride:** ...deadlines. And Mr. Grimm is here, and he can
1721 answer too. He said, of course, some of them they met the deadline, some they haven't.
1722 You know, with giving and take with the compliance, yeah.

1723 **Councilperson Lawson:** And this is in reference.., and, I'm, I'm asking, this is in
1724 reference to the Building Official's inspections. Is there anything else that's outstanding
1725 outside of these?

1726 **Deputy City Manager McBride:** [Stammer]... Just Ms. Wynn's review of the consents.
1727 Once she signs off on them, all parties can apply for their BTRs.

1728 **Councilperson Lawson:** Okay. And, Attorney Wynn, when will that review be
1729 completed?

1730 **City Attorney Wynn:** It can be this week.

1731 **Deputy City Manager McBride:** Mhmm.

1732 **Councilperson Lawson:** Okay.

1733 **City Attorney Wynn:** I wanted to get the direction from the Council first.

1734 **Councilperson Lawson:** Mhmm.

1735 **City Attorney Wynn:** Which is what I stated earlier.

1736 **Deputy City Manager McBride:** Mhmm.

1737 **City Attorney Wynn:** But, yeah. If you all [inaudible]...

1738 **Deputy City Manager McBride:** And one, one other thing, Mr. Lawson.

1739 **Councilperson Lawson:** Thank you.

1740 **Deputy City Manager McBride:** The Solid Waste fees, remember I told you they just
1741 got their figure this afternoon. The amount.., they just were provided the cost of that,
1742 sometime after 1:00 p.m. this afternoon. So, they need to review them, and they are
1743 working with Mr. Sherman to resolve those.

1744 **City Attorney Wynn:** And also, if I can interject. The one issue, Ms. McBride
1745 [inaudible], the insurance of a subtenant, auto insurance.

1746 **Deputy City Manager McBride:** Yeah. And I don't wanna call the tenant's name out...,
1747 auto only. But, the major insurance they have.

1748 **Councilperson Lawson:** Okay.

1749 **Deputy City Manager McBride:** And they were in compliance until sometime today.

1750 **City Attorney Wynn:** Right.

1751 **Councilperson Lawson:** Okay.

1752 **City Attorney Wynn:** So that one will not be signed until they...

1753 **Deputy City Manager McBride:** Right.

1754 **City Attorney Wynn:** ...can provide that.

1755 **Deputy City Manager McBride:** Mhmm.

1756 **Councilperson Lawson:** So, outstanding are the list of..., I see a deadline for every item
1757 on here from our Building Official. They've come in compliance with everything that we
1758 have to review, the Lease Agreements. Ms. Wynn, you'll have that for us this week, and
1759 the figure has been presented to the organization from Solid Waste.

1760 **Deputy City Manager McBride:** Right.

1761 **Councilperson Lawson:** Anything else that's outstanding?

1762 **Deputy City Manager McBride:** Well, the City comes up with the figure. Mr. Sherman
1763 presented those this afternoon.

1764 **Councilperson Lawson:** That has been presented?

1765 **Deputy City Manager McBride:** This afternoon they did.

1766 **Councilperson Lawson:** Okay.

1767 **Deputy City Manager McBride:** Okay?

1768 **Councilperson Lawson:** So, with the deadlines here. So colleagues, as Councilman
1769 McCoy stated, I believe we were here just to make a determination based on what's
1770 outstanding. So, moving forward, the deadlines that were provided by the Building Official
1771 and, given that expectation, I would be inclined to follow and give them the opportunity to
1772 complete these items, following the dates that were received, giving Attorney Wynn the
1773 opportunity to review the leases, and coming to the next meeting with feedback. And
1774 then, moving forward with offering the sublet.

1775 Question in regards to the subletting agreement. We have to approve that in their
1776 Lease for allowing for the organization to sublease.

1777 **Deputy City Manager McBride:** Right.

1778 **Councilperson Lawson:** Do we have any restrictions that are currently in place, in the
1779 current Lese, or is that something that we would be able to put in, restrictive measures?

1780 **Deputy City Manager McBride:** I think Ms. Wynn would need to answer...

1781 **City Attorney Wynn:** Yeah.

1782 **Deputy City Manager McBride:** ...that question.

1783 **City Attorney Wynn:** There are no restrictions.

1784 **Councilperson McCoy:** Well...

1785 **City Attorney Wynn:** It hasn't, it hasn't expired, and so, we haven't recommended
1786 any changes to the original Lease Agreement, because it still ongoing.

1787 **Councilperson Lawson:** Okay. So there were no restrictions in the original Lese
1788 Agreement. So, we sublet., we leased the building in March 2018, and it was five-year
1789 lease?

1790 **City Attorney Wynn:** Restrictions...

1791 **Deputy City Manager McBride:** [Inaudible].

1792 **City Attorney Wynn:** One restriction is that they lease..., sublease to nonprofits.

1793 **Councilperson Lawson:** Nonprofit. So, but with no cap in regards to pricing?

1794 **City Attorney Wynn:** No.

1795 **Councilperson Lawson:** Okay. And then, the terms of the Lease were a five-year
1796 lease?

1797 **City Attorney Wynn:** Correct.

1798 **Councilperson Lawson:** So, moving forward, what I would be inclined is to add an
1799 amendment to the actual Lease, to put some oversight in regards to some of the subletting
1800 in the process moving forward. We have to keep a checks and balance with the process
1801 of making sure that our partners within the City, that's done an amazing job in the
1802 community, and everybody is held accountable. [Inaudible]...

1803 **City Attorney Wynn:** Mr. Lawson, we would need to know., I would need to know
1804 what's., moving forward, as you stated, what, what sort of oversight? You., if, if you're
1805 talking about amending the Lease or in a new lease in., at the end of this term.

1806 **Councilperson Lawson:** Well, I would actually, to continue on with this process, wanna
1807 add an amendment to the Lease, restricting or capping the amount of rent for subletting.

1808 Being that the Alphas have put in..., the Alpha Phi [stammer] Foundation has put in a lot
1809 of sweat equity and actual dollars into this building and this property, we don't want to
1810 ignore that point, but we also do wanna look at the fact that we wanna try to pass the
1811 opportunity and savings onto the nonprofits that are currently there as well.

1812 I would like us to move forward with the organization and allowing for them to retain
1813 this property, but making sure that we have requirements in place, like the insurance that
1814 we're asking for all of our tenants and sublets to have, the BTRs to be applied for. But,
1815 also capping or restricting the amount of rent that's being charged for these units.

1816 **Councilperson McCoy:** Madam Chair? Madam Chair, I wanna respond.

1817 **Chairperson Lanier:** Yes. You're recognized.

1818 **Councilperson McCoy:** So, thank you for starting it.

1819 So, I have..., one, one of my concerns is, I, I think certainly, Ms. Wynn, I wanna
1820 make sure we capture, and I mentioned this to both Ms., Ms. Wynn and also the
1821 Manager, that this property was granted to the City of Riviera Beach with very specific
1822 restrictions. And I think if we're going to continue to allow any sorts of programming, we
1823 have to stipulate specifically the same restrictions that's provided for in the restrictive
1824 clause within the deed. And I'll just give you the brief, very, very brief portion of, of civic,
1825 public or governmental purposes. And obviously, public is a pretty broad definition, so I
1826 would make sure that we wanna include. Because, you know, I'm, I'm almost inclined to
1827 ask that if we go back to an amendment, we require a financial statement for the operation
1828 of this property because I'm looking currently at the amount of rent that's being received
1829 by the Alpha Education Foundation for the subtenants and I know, based on the Lease,
1830 what we're requiring the Alpha Education Foundation to pay the City of Riviera Beach,
1831 and there is a huge margin there. And I imagine, and I certainly appreciate that they've
1832 done some significant improvements.

1833 But, going back to the Minutes, from 2018, I think it was Board Member Hubbard...,
1834 and I have the actual quote here. And Members, I..., please just indulge me. I have it
1835 highlighted. Councilperson..., or, Pro Tem Hubbard said at the time, "Madam Chair, my
1836 comments are this. While we did vote unanimously for the Alphas to use it, some of the
1837 concerns that are being raised bother me to the extent, when you have a volunteer
1838 organization, men of the statue and organization as old as this, that has come to give to
1839 our community, not asking for anything in return, not making money from subleases.'
1840 Well, I will hope that that's true because when I'm looking at these margins, there's
1841 certainly a whole lot of money that's being collected from subtenants that I don't see the
1842 result reflected in, in the property. And, we're talking about hundreds..., hundreds of
1843 percents of, of a profit margin. And, I wouldn't be able to say that with certainty unless I
1844 see the financial statements, but I don't see that you can have this kind of overhead when
1845 you only are responsible for paying the City one hundred dollars a month.

1846 And I wanna certainly make sure that..., it'd be my position to offer an amendment...
1847 Well, first of all, we have to first establish that there's been noncompliance, which is a

1848 material breach. And then if we do choose to go back, then we can then offer an
1849 agreement because..., you know, even..., I gotta defer to Councilwoman Botel because I
1850 even looked at some of her comments when this came up and she wanted specific
1851 measurables. And, some of these things..., and, you know, quite honestly, I haven't see
1852 them.

1853 And I'm not closing the door, I just wanna make sure that we cannot sit here and
1854 act like we don't have a responsibility to be good stewards of the City's resources. And
1855 especially those that came through by the School District, when we have very..., we have
1856 very stringent requirements, such as being civic public and government purpose. If we
1857 can't even establish that this was a bona fide public interest, or a public purpose, being
1858 that we have organizations that's paying rent and we have a number of deficiencies, it
1859 almost seems no different than what we see when we have all these Code violations with
1860 slumlords.

1861 So, I'm gonna move on from that point, but certain, it'd be my opinion that if we
1862 offer an amendment, that we encompass the specific language that's in the restrictive
1863 covenants of the deed, and also require the sub'..., require the tenants to provide a lease,
1864 if not quarterly, annually.

1865 I yield...

1866 **Chair Pro Tem Miller-Anderson:** Madam...

1867 **Councilperson McCoy:** ...back.

1868 **Chair Pro Tem Miller-Anderson:** ...Chair? Madam Chair?

1869 **Chairperson Lanier:** Yes. Councilwoman Miller-Anderson.

1870 **Chair Pro Tem Miller-Anderson:** [Stammer] do we have any public comment
1871 cards that we could go to and then we come back...

1872 **Chairperson Lanier:** Yes. Public...

1873 **Chair Pro Tem Miller-Anderson:** ...[inaudible] the Board?

1874 **Chairperson Lanier:** ...comment cards, Madam Clerk.

1875 **City Clerk Anthony:** Madam Chair, Members of the Board, the acceptance of
1876 public comment on this Item is now, is now closed.

1877 Margaret Shepherd.

1878 **Councilperson Lawson:** Madam Chair?

1879 **Chairperson Lanier:** Yes. You're recognized.

1880 **Councilperson Lawson:** Thank you.

1881 While Ms. Shepherd's coming up to the mic, I just had a question in regards to the
1882 rental amounts received. I was looking in the backup to see what the amounts were that
1883 Councilman McCoy was discussing, from the sublet. Since...

1884 **Chairperson Lanier:** I would like to know that as well. How much..., from the time
1885 that the, the Alphas got this building until now, how much money has been collected in
1886 rents from the nonprofits that have been on that site? Maybe that could be answered
1887 by...

1888 **Councilperson Lawson:** Well, the...

1889 **Chairperson Lanier:** ...by the Finance Director. I'm not sure who...

1890 **Councilperson Lawson:** I think that's what Councilman McCoy was asking for, the
1891 financials. But, in regards to the margins, where did you fi'... Did you get those from...

1892 **Councilperson McCoy:** Well...

1893 **Councilperson Lawson:** ...Staff or is that....

1894 **Councilperson McCoy:** You know...

1895 **Councilperson Lawson:** ...in the backup?

1896 **Councilperson McCoy:** ...I, I, I don't wanna be presumptuous, 'cause I don't know that
1897 they have been charging this, and I don't wanna speak to that, but this is what I've been
1898 provided today as going forward. I don't...

1899 **Chairperson Lanier:** Okay.

1900 **Councilperson McCoy:** [Inaudible].

1901 **Chairperson Lanier:** We'll, we'll, we'll come back to that. Let us let our...

1902 **Councilperson Lawson:** Thank you, Madam Chair.

1903 **Chairperson Lanier:** ...public comment go.

1904 **Ms. M. Shepherd:** Margaret Shepherd, Riviera Beach.

1905 Just the messenger again. This was one of the topics that the lady brought up
1906 about the Judge Rogers Center. Judge Rogers was very close to my family. We always
1907 communicated, went over to Thanksgiving. So, we were very close. And when I saw this
1908 on the Agenda, I think the 1st of the year, it kinda tore me apart because the Alphas and
1909 a/k/a which, I have family members in there. I think they do a excellent job.

1910 A friend of mine, her mother, I think, had COVID. And, she couldn't work because
1911 she had to take care of her mother. And, she went over to see Sister Nelson. I'm just
1912 saying the story that was told to me. And, Sister Nelson helped her. I think they had

1913 clothes over there, I think they had food over there, and she said, Sister Nelson said,
1914 'Anytime you want anything, please come to me.' And that did a lot for her, because she
1915 was closed in.

1916 These are things coming to the City. I enjoy when I go through 13th Street, see the
1917 children rolling around and playing in the grass, playing kickball. And since we're not
1918 doing nothing in the City, everything shut down, for the children, I would hope that we will
1919 not continue. When things come in., I understand they had a few problems, but what,
1920 what really gets me is that the tiki bar, I think you all gave him a half million dollars, just
1921 to build it out.

1922 [Inaudible audience comment]

1923 **Ms. M. Shepherd:** Just to build it out. And then I heard you say you're gonna pay half
1924 for the awnings. To me, I think that man have enough money to do whatever he has to
1925 do. I understand the taxes, but this is nonprofit. This is nonprofit. I don't see why we're
1926 digging., this is wrong, that is wrong. You have to look on the., as my grandmother said,
1927 'The bright side.' And the bright side is making sure that our children are secure.
1928 [Stammer] these men just absolutely resonate greatness.

1929 This is why this program need' to stay over three, the shootings, the killings. If you
1930 can get at least one kid, or two kids, over there and have these people mentor them, I
1931 think this City would be proud and proud. But, we continue to find fault, everything's...
1932 And understand they have problems, I understand. But show me one family that don't
1933 have problems.

1934 And they are nonprofit. So to me, that make' them exceptionally wonderful people,
1935 to me, because they don't have to give their time. They don't have to do fundraisers.
1936 They don't have to do., well, they said they cleaned it up. Well, I, I pretty much seen
1937 them out there working one particular day.

1938 So I hope that we will kind of make sure that whatever we do for one...

1939 [Timer]

1940 **Ms. M. Shepherd:** ...let us do for all.

1941 Thank you.

1942 [Applause]

1943 **City Clerk Anthony:** Madam Chair, Members of the Board, that concludes public
1944 comment.

1945 **Chairperson Lanier:** Mr. McCoy, do you want to continue?

1946 **Councilperson McCoy:** No. I think I'm done.

1947 **Chairperson Lanier:** Mr. Lawson?

1948 **Councilperson Lawson:** I'll come bac, Madam Chair.

1949 **Chairperson Lanier:** Okay. Ms. Miller-Anderson?

1950 **Chair Pro Tem Miller-Anderson:** Well, you know, I was on the Board when this
1951 came up initially and the way in which it was done, you know, there were probably some
1952 issues, some things that could've been hammered out a little more, so that we probably
1953 wouldn't be in this situation. But, I, I do understand that the Alphas have done an
1954 outstanding job, especially with the programs that have been there, the other nonprofits
1955 that are there.

1956 If they have outstanding issues that need to be completed, you know, I mean, Ms.,
1957 Ms. Shepherd did bring up a very valid point. And, and, you know, and that's why we
1958 have to have consistency in, in what we do because people will refer to other things that
1959 have been done. Speaking of the Rafiki Tiki. You know, I mean, there's a lotta
1960 concessions that were given there and when we make decisions, we have to make sure
1961 that we're consistent because people do not forget. And so, we don't want to seem like
1962 we're doing..., we're favoring one group, when we're not favoring the other.

1963 Obviously, if there's any life safety issues that need to be addressed, that is
1964 important. I don't think that's..., we can't negotiate on that.

1965 What, what..., the, the items that have these dates that are listed here, like I see
1966 some for March 1st and... Are those..., are we saying all of those have been met or?
1967 'Cause I can't really determine if it's been met, or if this is just saying what the deadline
1968 was.

1969 **Deputy City Manager McBride:** We can have Mr. Michael Grimm, our Building Official
1970 come forward.

1971 **Chair Pro Tem Miller-Anderson:** Okay.

1972 **Deputy City Manager McBride:** He'll address those.

1973 Thank you.

1974 **Building Official Grimm:** Good evening. My name is Michael Grimm. I'm the Building
1975 Official for Riviera Beach.

1976 I've been at the Judge Rogers Center several times over the last month, checking
1977 on the progress on the, the list of items that I gave to the Alphas to address. To be fair
1978 to the Alphas, these items did predate their tenure there. They've been items that were
1979 falling apart on that prop'..., property for many years due to neglect.

1980 And, so, these..., the list I gave them has a, a lot of suggested deadlines. They're
1981 not written in stone, but they're deadlines that I felt were, were easy to meet. Some of

1982 them could be harder to meet those. Some, some of the siding, could take a longer time
1983 to meet. But, I, I was hoping that they would use that list to prioritize some of the issues,
1984 like the electric, the double detector check valve.

1985 So, I, I can give you some highlights of what they've done there, starting with the
1986 main building. That building was in actually pretty good shape when I went for my first
1987 inspection. And you could tell that they had put all their main efforts into that building
1988 originally, 'cause it had very little wrong with it. The thing that I gave them to fix there was
1989 the roof drainage, which they needed to reconnect some of the leaders and direct the, the
1990 water from the roof, away from the foundation piers. And they did that immediately. They
1991 met that deadline.

1992 The double detector check assembly was leaking, they fixed that. They fixed some
1993 of the electrical issues.

1994 The Florida Fishing Academy had a few electrical issues that they fixed inside.
1995 The, the irrigation valve box, they put a cover on it. I do not think that they fixed the
1996 irrigation there, because it does look a little bit dry. But, they did start fixing a lot of it, the
1997 landscaping outside on the westside of the property. And they started cleaning up a lotta
1998 stuff that had been left there by previous people that had that property. They still have a
1999 ways to go on that, but they did make a significant dent.

2000 The, the skirting. They took all the skirting off of the buildings, which I'm happy
2001 they did that 'cause that's gonna help look at the structural piers and the strapping
2002 underneath there. And I was happy to find out that most of those are in actually pretty
2003 good shape. There's only a few that need to be readjusted.

2004 The walkways. They're relatively sturdy, although they, they do need to be
2005 adjusted. They're not in danger, but they do need to be adjusted and, and change some
2006 of the wood blocking to cement. And, they still need to remove a little bit of the electrical
2007 that's exposed on some of the areas. I do not believe they're live.

2008 They have a, a lot of work to do on the siding, which might take longer than the
2009 deadline that I gave them. But they have made significant progress and I'm, I'm happy
2010 with what they're doing so far.

2011 **Chair Pro Tem Miller-Anderson:** So, in your opinion though, are, are there any
2012 items on here that remain open, where it, it's a danger?

2013 **Building Official Grimm:** Not, not immediate danger. A lot of the electrical items are
2014 just missing., a missing cover plate. Some of the electric is not being used t but they're
2015 supposed to be removed so that you can make sure that it's not an exposed wire. But it,
2016 it appears not to be a live wire, 'cause I went out with some testers. But, I required them
2017 to remove them 'cause, one, they're unsightly and, and you need to be able to look at
2018 something to make sure that it's., it's in the Code that you have to remove unused wiring.

2019 So, there's nothing that I, I felt was of any immediate life safety danger. But there
2020 are violations that need to be taken care of.

2021 **Chair Pro Tem Miller-Anderson:** And, and in, in those rooms, or office spaces,
2022 are there children where these things are exposed? Or are they...

2023 **Building Official Grimm:** No. Mo'.., most of the exposed wiring was on the outside of
2024 the, of the, the buildings, typically in, in rear areas. And, like I said, I brought a tester over
2025 and, and so none of them were live. And.., but I, I do require them to remove them. So,
2026 that we can know, anytime I look at it, that it's, it's not a live exposed wire.

2027 **Chair Pro Tem Miller-Anderson:** Okay. That's it for now. Thank you.

2028 **Chairperson Lanier:** Thank you. Councilwoman Botel?

2029 **Councilperson Botel:** You know, I, I always chuckle to myself when I see Alfred
2030 Fields come up to a microphone worried that he's gonna say, 'She, she voted against us.'
2031 [Chuckle]. In 2018. And I did. I did. I had a lotta questions. But, I've been over there
2032 so much in the [stammer] intervening years and I've seen so many good things going on.
2033 I, I pay regular visits to Pastor Nelson...

2034 [Applause]

2035 **Councilperson Botel:** I, I, I always wanna pick up my saxophone and get involved in
2036 the Sounds of Success.

2037 So, I.., again, my concerns were that there were safety issues, obviously. And I
2038 do actually, too, have concerns about the rents that people are paying. You know, we
2039 are often approached to give community benefit dollars to some of those 501(c)(3)s that
2040 are over there and, and they lament about the rents that they pay there. So, I hope, in
2041 the future, you can take a look at the rents that are being charged. And I know, I haven't
2042 even looked myself at the total number. I'm sure Mr. McCoy, our accountant on Staff
2043 here [chuckle] has taken a look at the total number of rents that have been collected, and
2044 he knows that information. I don't know what it is exactly. But, I do know that it's been a
2045 struggle for some of the people over there and, and I would hope that you'd look at the
2046 rents and say, 'Hey, you know, maybe we can readjust some of them.'

2047 So if they continue to do the good work that I know.., that I know you want them to
2048 continue, I am always, always happy to see that Captain Rich Brochu is working with our
2049 children. He does, as you know.., well know, because you're there, he, he does a
2050 wonderful job with the Florida Fishing Academy, takes many of our kids out, teaches them
2051 how to fish, instructs them about the marine life that we are so used to here in this
2052 community.

2053 So, I, I applaud the work that you're doing, but again, I'm happy that you're, you're
2054 taking a look at the safety issues and I do hope you'll take a look at the rents that are
2055 being charged and see if there's some, some leeway that can be given to the 501(c)(3)s
2056 that are there.

2057 Thanks.

2058 **Chairperson Lanier:** Thank you. Councilman Lawson?

2059 **Councilperson Lawson:** That was everything, Madam Chair.

2060 Thank you.

2061 **Chairperson Lanier:** Thank you. Are there any other questions or comments for
2062 this Item? I wanted to say I was kind of disappointed that all of the issues were not
2063 addressed. That was the deal that we had in our last meeting, that all of the issues that
2064 were brought up would be addressed. And I still have not gotten a figure of the total
2065 amount of money from the time the Alphas took over that building until now in terms of
2066 what has been collected from nonprofits for rent in that area? How.., what, what is that
2067 amount? Somebody?

2068 **Councilperson McCoy:** Madam Chair?

2069 **Chairperson Lanier:** Yes.

2070 **Councilperson McCoy:** Well, you know, I guess we never really... Excuse me. We
2071 never really got that involved. You know, I looked back at the video and I can remember
2072 Board Member Davis Johnson saying if we wanted to terminate this as the City.., and I,
2073 and I, Members, I, I just wanna make sure I get your attention and I'm gonna proffer
2074 something and it's gonna go to the point that you're about to suggest, Board Member
2075 Davis Johnson said, 'There's not even,' and I believe even Ms., Councilwoman Miller-
2076 Anderson also chimed in and said, 'There's no provision that if we as a City wanted to
2077 terminate this, we don't have any ability to do it, unless there is a material default and
2078 they become incompilant. That's the only provision that we can terminate this.' And I'm
2079 not sitting here suggesting that I wanna do that. But, I want, in the spirit of reasoning, be
2080 able to obtain exactly what you're looking for, Councilwoman.., Chairperson Lanier, and
2081 knowing what that is that we're.., what that they're collecting and passing on that co'..,
2082 that rent cost to those users, and then that be worked into a modified agreement.
2083 Because I don't care if there's no provisions now that require them to provide that
2084 information. I think it would just be a gesture of good faith.

2085 But I'm ready to even, you know, at this point, provided that we can get past these
2086 Code issues, I'm really ready to offer that we go back and send the Attorney back to
2087 renegotiate because there's no doubt, not paying in thirty-two months is definitely a
2088 material incompliance. And not having insurance and the safety issues, are obviously a,
2089 a material noncompliance.

2090 So, I mean, I, I don't know what that number is, and I don't know if it's proprietary,
2091 but going forward, I think if we rework the agreement, we can put in provisions that require
2092 them. That would be my suggestion, Madam Chair.

2093 I yield back.

2094 **Chairperson Lanier:** Thank you. And I, I still want to know that number, regardless
2095 of whether it is proprietary or not. I think it is material to what is on the table here. What

2096 is material is the fact that there are serious Code compliances with this [stammer], with
2097 this property. And, the money that has been received was supposed to be put back into
2098 the property. That was the original agreement that, whatever monies that would be
2099 received from nonprofits, that whatever money would be [stammer] earned from them
2100 holding the Lease, and them having subleases, would be put back into the property. And
2101 apparently, that did not happen.

2102 Now...

2103 **Councilperson Botel:** Madam Chair?

2104 **Chairperson Lanier:** ...what...

2105 **Councilperson Lawson:** Madam Chair?

2106 **Chairperson Lanier:** Let me finish, please.

2107 **Councilperson Botel:** Okay.

2108 **Chairperson Lanier:** Now, what I will say is that it is not all on them, that the City
2109 has some..., bears some burden in this issue because there was a lax of oversight, there
2110 was just not..., nothing happening in terms of what the City was supposed to do to ensure
2111 that this project was successful. So, I, I will not sit here and say that this is all on the
2112 Alphas. The City bears a, a significant part in what is transpiring and how we got to where
2113 we are today.

2114 But with that being said, I know that the Alphas do good work. I've seen them at
2115 my alma mater, Florida A&M University, I've seen them here, and I've seen them in, in
2116 different..., in various locations and geographic areas and doing excellent work. So I have
2117 no doubt about that. What I want to happen at this point, is that I want to be able to move
2118 forward, but I want to be able to be clear about what the expectations are from the City,
2119 and from this organization.

2120 So, with that being said, I want the Board to be able to come up with the direction
2121 of where we want to go, how we want to go, and what we want to see in terms of an
2122 amended agreement, in terms of next steps, and in terms of, as Dr. Botel has suggested,
2123 evaluate', evaluative and measurable outcomes. Not just for the nonprofits that are there,
2124 but for the Alpha program itself. What are your measurable objectives? What are you
2125 trying to accomplish at this site, other than being a landlord? And I know that you have
2126 some very good ideas, I know you have some very good programs, and we'd like to see
2127 those flourish and come to fruition.

2128 And, and the City can be a partner in terms of making sure that this happens. But,
2129 I want us to move forward, if we are, if we..., to move forward, with the understanding that
2130 this type of scenario cannot come back before us. This type of missteps..., and I, and as
2131 I'll say again, on our parts as well, that we need to move forward with the understanding
2132 that everybody knows where everybody stands and what the expectations are.

2133 So, ;with that being said, I will turn it over to my colleagues to provide suggestions
2134 and next steps for how we move forward with this project.

2135 Mr. Lawson.

2136 **Councilperson Lawson:** Thank you, Madam Chair.

2137 Attorney Wynn, based on the terms of the Lease, are..., is the Foundation obligated
2138 to provide financials for their organization?

2139 **City Attorney Wynn:** We can request them. It's up to them to tell us if they believe
2140 that they are not..., if they don't want to produce them, and under what provision of the
2141 law they don't have to produce them.

2142 **Councilperson Lawson:** Okay. So, in addition to that, we are not..., we're not entitled
2143 to the sublet lease agreements as well, correct?

2144 **City Attorney Wynn:** We are entitled to the sublease agreements.

2145 **Councilperson Lawson:** So...

2146 **City Attorney Wynn:** We have...

2147 **Councilperson Lawson:** ...we're entitled...

2148 **City Attorney Wynn:** ...them.

2149 **Councilperson Lawson:** And we have not received those?

2150 **City Attorney Wynn:** We have them.

2151 **Councilperson Lawson:** We have them?

2152 **Deputy City Manager McBride:** Mhmm.

2153 **City Attorney Wynn:** Yes, sir.

2154 **Councilperson Lawson:** Okay. Is that what you're gonna be reviewing this week?

2155 **City Attorney Wynn:** Yes.

2156 **Councilperson Lawson:** Okay. So then we'll be able to get financials in regards to
2157 what each organization is being charged?

2158 **City Attorney Wynn:** Yes.

2159 **Councilperson Lawson:** Okay.

2160 **City Attorney Wynn:** Mhmm. We'll...

2161 **Councilperson Lawson:** The...

2162 **City Attorney Wynn:** ...we'll request them.

2163 **Deputy City Manager McBride:** Yeah.

2164 **Councilperson Lawson:** The Foundation is not also obligated to amend the terms of
2165 the Lease, correct?

2166 **City Attorney Wynn:** That's correct.

2167 **Councilperson Lawson:** So, in the event that we wanted to amend the Lease, it would
2168 be comparable to what Councilman McCoy stated, in good faith, working out terms that
2169 are in agreement with the Council and the Foundation?

2170 **City Attorney Wynn:** That's correct.

2171 **Councilperson Lawson:** Okay. So, in good faith, what I would wanna see is having a
2172 discussion, continuation, allowing for it to be the Code violations to be brought up to st'...,
2173 up to standard, for all requirements previously, to be addressed. And then having,
2174 whether it's a possible workshop or discussion, to figure out the process of moving
2175 forward, in good faith negotiating terms that the City Council and the organization can
2176 work forward with.

2177 I do believe that's some measurable should be put in place. I do believe that a cap
2178 or percentage should be put on the nonprofit organizations that are currently being
2179 worked with. But, understanding real estate, finance and operations business and being
2180 in a fraternity myself, the work that the organization does has to be funded. So, the money
2181 that has been put in, the sweat equity and the dollar amount, we need to make sure that
2182 we operate fairly as well.

2183 Visiting the site, I've seen the work that the Alphas are doing. I've seen the work
2184 that the nonprofits in that building are doing, so I want us to continue to be a good steward
2185 and a good partner with each other. So, how we do that is by meeting, discussing it and
2186 coming to an agreement that's gonna work out for all parties.

2187 And I really wanna continue to support this endeavor with this building. We have
2188 about three years..., two years left on this current Lease. But the work that's been done,
2189 I don't want it to be discredited, I want it to continue to make it flourish, and I wanna
2190 continue to support it, because this organization is vital to this community, based on the
2191 Men of Tomorrow, based on the fraternity, Alpha Phi Alpha Fraternity, Incorporated, and
2192 the nonprofits they support there.

2193 So, we can continue to provide support, but possible workshop to discuss the
2194 terms, whereas, the Council discussing exactly what our requirements and expectations
2195 are, and present them to the Alphas and they can counter. Whichever is the easiest
2196 means to get this done in an expedited fashion.

2197 Thank you, Madam Chair.

2198 **Chairperson Lanier:** Thank you.

2199 So, how do we move forward, Board? Are we going to include in this amended
 2200 agreement.., are, are we under the.., are we in agreement that we're going to amend
 2201 this.., amend this contract that we have with the, with the Alphas?

2202 **Councilperson McCoy:** Ma'...

2203 **Chairperson Lanier:** Mr. McCoy?

2204 **Councilperson McCoy:** Well, I guess.., it, it seems that we can agree, but hey have to
 2205 voluntarily agree. So, we need to be asking them would they be amenable to an
 2206 agreement. We can offer it, but unless they want to amend the terms, then it's...

2207 **Chairperson Lanier:** I... Okay. Are you amenable to an, an amendment, Alphas?

2208 **Councilperson Lawson:** Ma'.., Madam Chair?

2209 **Chairperson Lanier:** Hold on a second, sir.

2210 **Unk.:** [Inaudible].

2211 **Chairperson Lanier:** Yes, sir. Please.

2212 **Mr. A. Fields:** Thank you again for the opportunity.

2213 Can I, can I have a statement bore...?

2214 **Chairperson Lanier:** No. I just want you to answer the question, sir.

2215 **Mr. A. Fields:** We're amenable to working with the City, and the...

2216 **Chairperson Lanier:** Are you amenable to a, to an am'.., amended agreement with
 2217 the City, currently? That's the question.

2218 **Mr. A. Fields:** We're, we're willing to sit down and work with the City to try to
 2219 work out our differences in what we're, we're talking about. What those...

2220 **Chairperson Lanier:** So you are amenable to a, a, a, an amendment to your
 2221 contract? That's what I'm asking you. It's...

2222 **Mr. A. Fields:** If...

2223 **Chairperson Lanier:** ...a yes or no question, sir.

2224 **Mr. A. Fields:** If it's reasonable, yes.

2225 **Chairperson Lanier:** Okay. Very good.

2226 **Councilperson McCoy:** Well...

2227 **Councilperson Lawson:** Madam...

2228 **Councilperson McCoy:** ...so...

2229 **Chairperson Lanier:** Mr. McCoy.

2230 **Councilperson McCoy:** So, let me just preface this because here, here, here's the
 2231 thing. We can do it one of two ways. We can declare..., make a motion and declare that
 2232 they've been noncompliant, then basically the Lease ends. Well, actually, it doesn't end.
 2233 Then they'll be... Ms. Wynn, help me out. So, if we declared that they're noncompliant,
 2234 then we can go to them and say, 'Hey, you have to vacate provided the terms in the
 2235 agreement. Otherwise, we seek legal action.'

2236 **City Attorney Wynn:** We have...

2237 **Councilperson McCoy:** However, the other option, if we do declare that they're
 2238 noncompliant, then essentially, if they wanna stay, they have to sit down at the table.
 2239 That's exactly what it is.

2240 Ms. Wynn.

2241 **Chairperson Lanier:** City Attorney.

2242 **City Attorney Wynn:** We have to provide them with the reasons for their
 2243 noncompliance and an opportunity to cure.

2244 **Mr. A. Fields:** Yeah.

2245 **Councilperson McCoy:** Well, we...

2246 **City Attorney Wynn:** Within a certain time period.

2247 **Councilperson McCoy:** But...

2248 **Chairperson Lanier:** We gave them that. We...

2249 **Councilperson McCoy:** [Stammer]...

2250 **Chairperson Lanier:** ...at our last meeting, we had, we had an understanding that
 2251 all the issues that were brought up at that meeting, would be addressed when then come
 2252 back before us. And that is a no answer to have all the issues been cured.

2253 **Councilperson McCoy:** Follow up.

2254 **Chairperson Lanier:** Mr. McCoy.

2255 **Councilperson McCoy:** So, respectfully, Ms. Wynn, I'm gonna disagree because...

2256 [Inaudible dais comment]

2257 **Councilperson McCoy:** ...being delinquent is a material noncompliance. So, once
 2258 that occurred, we don't..., there's nothing to cure about being delinquent in rent. Once
 2259 you are delinquent, that's a noncompliance. So, there's not a provision that we have to
 2260 give them any kind of remedy to cure when they...

2261 **City Attorney Wynn:** They are no longer delinquent. They are...

2262 **Councilperson McCoy:** Ms. Wynn. Ms. Wynn. When I brought this issue to your
 2263 attention last year, nobody... And, and this is exactly what happened. When I brought
 2264 this to your attention, I believe you said to me, or it may have been Mr. Evans, that this
 2265 came up from another Council Member too, so I think it's best to bring it to the body's
 2266 attention.

2267 But, at that point, I asked for a ledger. And at that time, I think nobody knew exactly
 2268 that they were delinquent. So, even if we declare at January 1, 2021, they were in
 2269 material breach, the breach still exists, and that's a, a anticipatory repudiation of the
 2270 contract. I mean, they've already violated the contract.

2271 **City Attorney Wynn:** They cured the breach. We allowed...

2272 **Councilperson McCoy:** [Inaudible].

2273 **City Attorney Wynn:** ...them time to cure...

2274 **Councilperson McCoy:** But...

2275 **City Attorney Wynn:** ...the breach. And they...

2276 **Councilperson McCoy:** But, Ms. Wynn...

2277 **City Attorney Wynn:** ...cured it.

2278 **Councilperson McCoy:** If we declare that they breached the Lease, the Lease is
 2279 breached. You ca'..., even if you went back and cured, that doesn't..., it doesn't remediate
 2280 the actual infraction.

2281 **City Attorney Wynn:** Yes...

2282 **Councilperson McCoy:** Can you point...

2283 **City Attorney Wynn:** ...it does.

2284 **Councilperson McCoy:** ...to it in the contract?

2285 **City Attorney Wynn:** Yes, it does.

2286 **Chairperson Lanier:** We will... The Alphas have agreed to work with the City in
2287 terms of looking at the Lease. I think that we all have our comments in regards to how
2288 we want to move forward with this. We also understand that there has to be some
2289 changes made. The current contract, where it stands, the way..., [stammer] where the
2290 Code compliance is not in compliance at this, at this moment. It has to be cured. We
2291 understand that we want to move forward, we understand that we want to be able to keep
2292 the Alphas as a partner, but not to the detriment of the City.

2293 So, with that, we will direct the City Attorney to work with the Alphas to come up
2294 with an agreement that we can all be happy with and that as we mo'..., as, as we're moving
2295 forward, that everybody knows where everybody stands with this project.

2296 Is there anything else that we can get from the Board at this moment? Alright.
2297 Very good.

2298 **Mr. A. Fields:** Madam Chair?

2299 **Chairperson Lanier:** Thank you, sir. We are going to move forward. You are going
2300 to meet with the Attorney and we're going to work out an agreement. Thank you so much.

2301 **Councilperson Lawson:** Ma'..., Madam Chair?

2302 **Chairperson Lanier:** Thank you...

2303 **Chair Pro Tem Miller-Anderson:** Madam Chair?

2304 **Chairperson Lanier:** ...Alphas...

2305 **Councilperson Lawson:** Madam Chair?

2306 **Chairperson Lanier:** Hold on a second. Hold on a second. I am not finished.

2307 Thank you, Alphas, for your work with the City. Thank you for continuing to try and
2308 be partners with us, and we hope that we can work this out.

2309 Yes.

2310 **Councilperson Lawson:** Thank you, Ma'...

2311 [Clapping]

2312 **Councilperson Lawson:** Thank you, Madam Chair.

2313 **Chair Pro Tem Miller-Anderson:** Madam Chair?

2314 **Councilperson Lawson:** I know we're trying to move the, the Agenda expeditiously and
2315 we wanna continue to progress forward but I do wanna hear the closing statement from
2316 the Alpha President, Mr. Fields, in reference to how we're moving forward because the

2317 direction that we're giving to our Staff, I wanna make sure that we are good stewards and
2318 partners with the organization.

2319 And, being that we've asked them to come and present to us, I do wanna give him
2320 at least thirty mor second to give his final statement. If that is okay with you...

2321 **Chairperson Lanier:** Thirty seconds...

2322 **Councilperson Lawson:** ...Madam Chair.

2323 **Chairperson Lanier:** ...it is. Thirty seconds.

2324 **Councilperson Lawson:** Thank you, Madam Chair.

2325 **Chairperson Lanier:** Thank you.

2326 **Mr. A. Fields:** We have provided financials, and we are more than happy to
2327 provide financials at any time. Our books are open. We have no secrets. We're not
2328 making any money on this property. The utilities are all covered under that price. We
2329 have maintenance, there's all kind of expenses that are there. Our organization has taken
2330 no money from rents to run our programs, or enrich any member of the organization, for
2331 the record.

2332 Thank you.

2333 **Chairperson Lanier:** Thank you, sir. If there are no questions, let us move on to
2334 our next Item. Madam Clerk.

2335 **PUBLIC HEARINGS**

2336 **ITEMS TABLED**

2337 **REGULAR**

2338 **8. City Clerk Anthony: RESOLUTION NUMBER 22-21 A RESOLUTION OF**
2339 **THE CITY OF RIVIERA BEACH, PALM BEACH COUNTY, FLORIDA, ADOPTING NEW**
2340 **SPECIAL EVENT FEES, AND PROVIDE FOR AN EFFECTIVE DATE.**

2341 **MARSHA NOEL, ASSISTANT TO THE CITY MANAGER, 561-812-6590**

2342 **City Clerk Anthony:** Madam Chair and Members of the Board, we do not have
2343 public comments on this Item. The acceptance of public comments on this Item is now
2344 closed.

2345 **Councilperson McCoy:** So moved.

2346 **Councilperson Lawson:** Second.

2347 **Chairperson Lanier:** We have a motion that has been made and seconded. Mr.
2348 Evans.

2349 **City Manager Evans:** Madam..., excuse me, Madam Chair, if I can have Assistant to
2350 the City Manager, Ms. Marsha Noel, make this presentation.

2351 **Assistant to the City Manager Noel:** Thank you, Mr. Evans. Good everyone. And
2352 just to note, the slides were up a little early because we've been having technical issues
2353 lately, so we just wanted to make sur that we didn't run through that issue with my
2354 presentation. So, we apologize if it gave you a sense of a rush, but you have plenty of
2355 time.

2356 But, with that being said, we have now reached the final leg of our special event
2357 permitting process project because City Staff has been working diligently to provide for a
2358 better permitting process than what has existed in the past. And so, with that being said...
2359 There we go. In March, we successfully have our special events Ordinance passed, with
2360 revisions to it, which provides for new special even fees.

2361 And so, at my very first presentation, on the first reading, I did say that as part of
2362 our plan we would come back with a Resolution with the special event fees that we would
2363 like to add to what will be called our Special Events Policy and Procedures Manual.

2364 [Inaudible audience discussion]

2365 **Assistant to the City Manager Noel:** Okay. So, why the fees? So, as you can see in
2366 the backup material, there are four fees that are being introduced, three of which are
2367 mentioned in the new Ordinance, and one of which is being added [stammer] and being
2368 offered by Staff in addition to those three.

2369 And, we are requesting for this for two basic reasons. The first being to ensure
2370 adequate compensation for services that are not yet covered in the current Special Event
2371 Fee Schedule. And then secondly, we also want to curb any unfavorable behavior
2372 oftentimes experienced with applicants during the permitting process that causes
2373 inefficiencies. As stated in my previous presentation, we receive about a hundred and
2374 twenty to a hundred and thirty applications a year. So, we wanna make sure that we have
2375 things in place to hopefully prevent some of the behaviors that oftentimes can stifle the
2376 process.

2377 Okay. So, I'm just going to basically go over some..., well, all of the fees with you,
2378 just a brief explanation. So, as I said, there's four fees. The first is the appeal fee.
2379 According to the Ordinance..., so, the appeal fee is a fee that will be applied if the applicant
2380 is denied the, the permit after application due to not meeting the requirements of the
2381 application, or any element of the Ordinance or policies. Or two, if the event permit is
2382 revoked due to violation to the policies. And we're simply asking for a three..., for three
2383 percent of the security deposit, but not less than fifty dollars, if an appeal is requested by
2384 the applicant.

2385 The second fee is the rush or priority fee. And, in this instance, this fee would be
2386 applied when in the occasion that the City Manager decides to waive the filing deadline
2387 for a particular applicant. That, if they're gonna do so, we are asking for the same fee,
2388 which is three percent of the security deposit, but not less than fifty dollars. In a scenario
2389 where we may see a rush or priority applicant, is when, let's say for instance..., 'cause the
2390 current manual will basically state that the new deadline is to supply..., is to provide the
2391 application at least sixty days before the event.

2392 Currently, we're doing it at thirty days before the event but, like I've said in
2393 previous..., in my previous presentation, that's just not enough time given the breadth of
2394 work and the activities associated with the permitting process. So we're essentially
2395 expanding that and, if at any point in time the City Manager decides to waive that fee,
2396 meaning that Staff will work within a shorter period of time to address that application,
2397 then it will be..., we'll apply this fee to make up for the extra constraints, effort, time and
2398 attention oftentimes that those scenarios will cause.

2399 The third fee is a date change fee. This is a flat rate, which is just a hundred
2400 dollars. So, anytime during the process, after a date, an event date has been established
2401 and agreed upon between the City and the applicant, if there's a core request to change
2402 that date, we're requesting for a charge of a hundred dollars to do so, and that again is
2403 just to compensate for the extra work that's often associated with adjusting the date.

2404 And then lastly, we have a com'..., the cancellation fee. And this is kind of broken
2405 down into three subcategories. But the first is more so referencing a refund so, you a
2406 hundred percent refund of refundable fees for any cancellation request that's received, in
2407 writing, fifty to sixty days prior to the first day of the event.

2408 The second piece is that fifty percent refund for refundable fees, will be submitted
2409 to the applicant if their cancellation is received forty-five days prior to the first day of the
2410 day.

2411 And then lastly, you have events cancelled less than forty-five days, will forfeit a
2412 hundred percent of all fees, deposits and applicable charges. And by refundable fees,
2413 we're talking about those nonfinal sale items. So, any permits, licenses or things where
2414 a service or product was rendered, that will not be refunded but your security deposit, if
2415 you had already paid to reserve for police, fire personnel, facility rentals, things of that
2416 sort where you have not yet been given that service, you will be able to, to receive a
2417 refund on those items.

2418 And then lastly, what you see here is the Fee Schedule. It's gonna be a quite
2419 comprehensive fee schedule. And, it's a pretty important piece to the entire document
2420 because, essentially what this is going to allow the applicant to do before they submit an
2421 applicant, is basically look at all the fees that are associated with the process so that they
2422 can estimate what it may cost them to do an event in the City.

2423 No other city guidelines that I've looked at, and I've looked at close to a dozen of
2424 them, actually have a comprehensive fee schedule. And we want to stand out, we want

2425 to be the example and also assist the applicant in the same way. And so, what we're
2426 going to do is that, if this Resolution is passed, those four fees will be added to the existing
2427 fee schedule. So, where you see at the top left, under general fees, that's where they will
2428 be added. And, as you can see, there's other fees as well for our Fire Department, Police
2429 Department and our Parks facility rentals.

2430 And that's about it. So Staff recommends your approval of this Resolution. If you
2431 have any questions, I'm here to answer them.

2432 **Councilperson Lawson:** Madam Chair?

2433 **Chairperson Lanier:** Thank you, Ms. Noel. Councilman Lawson.

2434 **Councilperson Lawson:** Thank you, Madam Chair.

2435 Thank you for the presentation, Ms. Noel. Are we able to include some additional
2436 detailed information for the applicants for events in regards to the Fire and Police
2437 personnel? Understanding exactly what the number of required staffing would be.

2438 **Assistant to the City Manager Noel:** Right.

2439 **Councilperson Lawson:** Because they can't give an ex'..., you can't have an expected
2440 cost for your event if you don't know what the number of personnel you're gonna be
2441 required to host.

2442 **Assistant to the City Manager Noel:** Right.

2443 **Councilperson Lawson:** So, if we're gonna have a specific number, maybe we can
2444 incorporate that, and make that adjustable based upon our Department or City Manager.

2445 **Assistant to the City Manager Noel:** Right. And that's a good point that you made
2446 because we know that that is an issue sometimes with applicants, is understanding how
2447 many personnel do we need and how much will that cost us?

2448 **Councilperson Lawson:** Mhmm.

2449 **Assistant to the City Manager Noel:** And so, what we can do on the front end at best,
2450 is at least provide them an idea through the table, for instance. I know for Fire, they
2451 require that you have a minimum of two Fire personnel. And then, of course, it provides
2452 the hourly rate. But, by the end of the day, our special event committee, which in'...,
2453 includes the Fire Department, specifically the Fire Chief or designee, who will then specify
2454 how many they will actually need once they actually go through the details of that
2455 application. Because one person may think I need two, and it's just, you know, a hundred
2456 people that'll attend, it's a small event but it's the Fire Department that has the expertise
2457 and the understanding to actually provide the specifics.

2458 So then, through that, you know, conversation, hopefully, or meeting with the
2459 applicant, with the special event committee, they can provide them more of an accurate
2460 understanding.

2461 Does that answer the question?

2462 **Councilperson Lawson:** No, Ms. Noel. The...

2463 **Assistant to the City Manager Noel:** Okay.

2464 **Councilperson Lawson:** ...concern I have is that we wanna put an expected number
2465 attached to how many guests you're going to attend, possible road closures or possible
2466 concerns that may add additional personnel. 'Cause an event with a hundred people
2467 versus an event with five thousand people is gonna have a different number of personnel.

2468 **Assistant to the City Manager Noel:** Right.

2469 **Councilperson Lawson:** So there's no expected amount. So, possibly incorporating
2470 into this fee schedule...

2471 **Assistant to the City Manager Noel:** Uhuh.

2472 **Councilperson Lawson:** ...the number of officers or the number Fire personnel needed
2473 for the number of attendants visiting this activity.

2474 **Assistant to the City Manager Noel:** Yeah. We can look into that. I can...

2475 **Councilperson Lawson:** So that...

2476 **Assistant to the City Manager Noel:** ...see how we can...

2477 **Councilperson Lawson:** ...that would be a recommendation, 'cause as of right now, if,
2478 if we're going to set the precedence, we wanna fill it out comprehensively.

2479 **City Manager Evans:** [Stammer]...

2480 **Councilperson Lawson:** And understand exactly what is the expected cost? I know
2481 that we're still working on that and it's kinda difficult to assess that. Our, our, our
2482 departments heads do that. But, trying to come up with a standard practice so that we
2483 can kind of compete ahead of these other municipalities and other facilities that are
2484 hosting these events.

2485 So, I do wanna give them an opportunity to know if they're gonna look at this Fee
2486 Schedule, they can know what to expect in regards to that cost. 'Cause it can be a
2487 substantial cost if you're talking about thirty-five dollars per officer, when you have a
2488 variance of ten, twenty officers.

2489 **City Manager Evans:** Madam Chair, if I may?

2490 **Chairperson Lanier:** Yes. Mr. Evans.

2491 **City Manager Evans:** With regards to the cost for Public Safety, we can certainly put
2492 in what a cost for an officer and, and what the matrix is. My only concern is that if you
2493 enumerate it in the actual policy and have a number associated with the amount of
2494 persons, it then becomes exactly what we have to follow, where we want to have some
2495 flexibility that maybe through additional conversations and clarity that's provided by the
2496 event organizers, that number can shift and modify so, it provides for more flexibility.
2497 'Cause, invariably, the most, most expensive element associated with any special events
2498 is your cost for Public Safety.

2499 And we may also look at a situation whereby an entity may want to have event
2500 staff, and then have, you know, law enforcement augment that, to help reduce the cost.
2501 And so, I just want us to be very careful with placing it in the Fee Schedule because then
2502 we have to stick to it, and it provides no flexibility.

2503 So, maybe by virtue of it, the application process, there's a preapplication meeting
2504 that we provide them with a copy of the anticipated matrix of what the costs are. Because
2505 there, there needs to be some factoring into that decision, whether they're gonna have
2506 an event in our community because that will make or break an event, as it relates to the
2507 financial viability, based on the cost for Public Safety.

2508 I just want us to be careful about enumerating it in the policy.

2509 **Assistant to the City Manager Noel:** And...

2510 **Chair Pro Tem Miller-Anderson:** Madam Chair?

2511 **Assistant to the City Manager Noel:** Madam Chair?

2512 **Chairperson Lanier:** Hold on one second, Ms., Ms. Noel.

2513 **Chair Pro Tem Miller-Anderson:** On the CRA side, on the Fee Schedule, do they
2514 have similar to this, in terms of not putting how many attendees will determine the amount
2515 of Public Safety?

2516 **City Manager Evans:** [Stammer] yes. It's, it's very..., it's, it's fluid on the, on the CRA
2517 side as well. But the CRA..., whatever we adopt here and put into place, the CRA will
2518 adopt the same type of process to ensure that there's consistency.

2519 **Chair Pro Tem Miller-Anderson:** And when you all... You..., did you look at... I
2520 know the School District has..., they do a lot of... Well, it's not a..., I mean, [inaudible],
2521 basically. But, did you check with them in terms... I mean, did you look at other
2522 examples?

2523 **Assistant to the City Manager Noel:** Other examples. Not the, the School District.

2524 **Chair Pro Tem Miller-Anderson:** Yeah. 'Cause I, I do believe they have it where
2525 they kinda put a number there. Maybe just see... I'm sur they won't want..., don't like to
2526 get locked in either, but...

2527 **City Manager Evans:** Yeah.

2528 **Chair Pro Tem Miller-Anderson:** ...if you can just kinda take a look at that and
2529 see if that's something that may be similar to what Mr. Lawson is speaking of, but not so
2530 much to lock us in.

2531 **City Manager Evans:** Yeah. We, we can, we can easily put a table on, average the
2532 cost is, you know, it's one officer per five hundred persons. But then some flexibility that
2533 it is subject to change by, you know, the Chief of Police, as this is just an estimate. But it
2534 gives us the flexibility to adjust and modify based on further discussions and explorations
2535 with the event organizer.

2536 Director Blankenship.

2537 **Parks & Recreation Director Blankenship:** For clarity, we already have that table.

2538 **City Manager Evans:** Mhmm.

2539 **Parks & Recreation Director Blankenship:** So, if the event calls for 'x' number of
2540 people, we have a chart that shows, okay, you can expect this number of officers with a
2541 supervisor, with this number of vehicles. But it still, like the City Manager says, it gives
2542 us the flexibility, based on our special events team meeting, to adjust that up or down.
2543 But they are given a chart to give some type of idea of what that's gonna cost.

2544 **Councilperson Lawson:** Madam...

2545 **Chair Pro Tem Miller-Anderson:** Okay.

2546 **Councilperson Lawson:** ...Chair?

2547 **Chairperson Lanier:** Yes, Mr. Lawson.

2548 **Councilperson Lawson:** Thank you.

2549 And, and that's what I was asking for, if we can incorporate that into the actual Fee
2550 Schedule, and then just putting a, a notice or note in there to say that...

2551 **Assistant to the City Manager Noel:** Yes.

2552 **Councilperson Lawson:** ...it can be adjusted by Police or Fire Chief, or department
2553 heads or City Manager.

2554 So, just giving them an idea and expectation, and include that with the schedule
2555 without having us locked in, saying that it's adjustable.

2556 **Assistant to the City Manager Noel:** Yep. That's exactly what I was actually gonna
2557 follow up with is, similar to how we have it with PD, 'cause I was told that during certain
2558 seasons and times, their rates may actually change so we specifically added a note.

2559 This is still a work in progress. The concept really is to help the individual estimate.
2560 And if they need to fill out a preapplication, which was something else also that we're
2561 working on, then they can certainly do that before they invest any monies so that they can
2562 have a better understanding.

2563 **Chairperson Lanier:** Very good. Mr... I'm sorry, Councilman McCoy.

2564 **Councilperson McCoy:** Thank you, Madam Chair.

2565 Ms. Noel, you said a work in progress. I, I don't know what that means.

2566 **Assistant to the City Manager Noel:** [Chuckle].

2567 **Councilperson McCoy:** I mean, is this currently our Fee Schedule or not? I mean, is
2568 it a work in progress or is this already in place?

2569 **Assistant to the City Manager Noel:** So yeah. So, for the most part, the entire, like,
2570 the Fee Schedule is final in terms of the numbers, because these are number'..., well,
2571 except, obviously, the fees that we've presented to you. We're hoping that if you pass
2572 the Resolution, those fees will be added to the Fee Schedule, but everything else are the
2573 ex'..., is..., are the existing numbers that we currently have, and have been using. We're
2574 just providing it on this document.

2575 And, as you heard, there are some suggestions in terms of what we can do to add
2576 to our existing Fee Schedules in terms of specifically noting some things that may be
2577 more..., may be of more assistance to the applicant.

2578 **Councilperson McCoy:** Okay. So, the, the ones that's already existing, how was that
2579 established? Because I was looking for a reference to a previous Resolution where the
2580 previous fees were adopted, and I don't see any reference of that.

2581 So, can you give some background on how that was done?

2582 **Assistant to the City Manager Noel:** Alright. So, it's... I'm under the impression that
2583 there was an approval by the Board in the past. Maybe Mr. Blankenship, since he's kinda
2584 been participating in this a lot longer than me.

2585 **Parks & Recreation Director Blankenship:** Good evening again. Richard
2586 Blankenship, Parks & Recreation.

2587 It is my understanding that all of these fees were approved quite a while ago, prior
2588 to both my..., my arrival and Ms. Noel's. I have not looked it up, I've taken it on face value,
2589 but...

2590 **Councilperson McCoy:** Follow up.

2591 **Parks & Recreation Director Blankenship:** ...that's my understanding.

2592 **Councilperson McCoy:** I...

2593 **Chairperson Lanier:** Mr. McCoy.

2594 **Councilperson McCoy:** I, I have this real suspicion that this was never a situation
2595 where fees were established by the Board. This was done Administratively by the City
2596 Manager. But, I don't see that this has been something that's been handled by the City
2597 Council before.

2598 **Parks & Recreation Director Blankenship:** That's..., [stammer], it's my recollection
2599 that we provided this to possibly Finance, and they take it to the Board. Or maybe... I..
2600 But...

2601 [Chuckles]

2602 **Parks & Recreation Director Blankenship:** ...nonetheless...

2603 [Inaudible dais comments and chuckles]

2604 **Councilperson McCoy:** Absent of anything... You know, I can only assume that
2605 because, you know, when we looked at the..., we looked at the policy on street naming,
2606 you would've thought that that was done by City Council. It wasn't. That was actually a
2607 policy that was executed by Ruth Jones at the time. And, like many of those policies,
2608 they never actually came to the Board.

2609 And, you know, I, I kinda wanna take a step back because I don't know that I wanna
2610 be in this level of detail. Because the one provision, and I looked at the Resolution. It
2611 doesn't speak to anything historical, as to what the current, current fees are. So, that's
2612 what leads me to believe that there was no prior Resolution.

2613 Additionally, you know, I'm, I'm all okay for canceliz'..., cancellations, right? And
2614 that there are Staff time and costs, but there's no provision for force majeure when you
2615 have an Act of God or something significant that's beyond the control of anybody that
2616 happens at thirty-two days out, that literally shuts down like the pandemic did everybody.

2617 **Parks & Recreation Director Blankenship:** Well, that's on...

2618 **Councilperson McCoy:** Do we, do we. And this Resolution it's silent on it, but then do
2619 we assume that, because it's not in here, then that person is entitled to a hundred
2620 percent? We can't, because it's not explicitly stated here.

2621 **Parks & Recreation Director Blankenship:** But it's in the policy.

2622 **Assistant to the City Manager Noel:** Yeah. And...

2623 **Councilperson McCoy:** In what policy?

2624 **Parks & Recreation Director Blankenship:** It's not in the...

2625 **Assistant to the City Manager Noel:** Well, we'll...

2626 **Parks & Recreation Director Blankenship:** ...Resolution but it's in the policy.

2627 **Councilperson McCoy:** See, that's...

2628 **Chairperson Lanier:** Hold on...

2629 **Councilperson McCoy:** ...my question.

2630 **Chairperson Lanier:** ...hold on...

2631 **Councilperson McCoy:** It's in what...

2632 **Chairperson Lanier:** ...hold on.

2633 **Councilperson McCoy:** ...policy? The same policy that nobody can put their finger
2634 on...

2635 **Parks & Recreation Director Blankenship:** The one that was approved a few weeks
2636 ago.

2637 **Assistant to the City Manager Noel:** Can I clarify?

2638 **Councilperson McCoy:** But...

2639 **Assistant to the City Manager Noel:** I'm sorry.

2640 **Councilperson McCoy:** But, but with... But, Mr. Blankenship, I guess... I'm speaking
2641 of, you wanna add Sections 1, 2, 3 and 4 to the policy. We're adding it to what policy?
2642 Obviously, there are already a fee policy somewhere, or a Fee Schedule is out there
2643 somewhere. And, if there is, how was that Fee Schedule and our fee policy, established?
2644 Is my, my, my very simple question.

2645 **Chairperson Lanier:** Mr. Blankenship, do you wanna answer his question?

2646 **Parks & Recreation Director Blankenship:** Well, first of all, as far as how the fees are
2647 approved. In my tenure, we have brought fees to the Board for approval, as I was of the
2648 dir'..., of the understanding that that's how it was done, that that was by Charter how we
2649 had to do it.

2650 As far as, [stammer] any other cancellations or any'..., that's all addressed either in
2651 the, in the, in the policy or in the Code that we recently passed. But, well, not necessarily
2652 in what you're looking at tonight because that's just four diff'..., additional fees.

2653 **Councilperson McCoy:** Yeah, well, I can tell you right now, this is very much
2654 disconnected. Because if you're saying that the force majeure is, is addressed in the
2655 Ordinance but we got a separate provision in what we're being asked to pass as a
2656 Resolution, we clearly are doing two different things and it doesn't make sense. We can't
2657 enforce, or we can't enact half of a policy by way of Ordinance, and then go and a caveat
2658 by Resolution.

2659 I'm not gonna support this Item. I need to know some history. Like, I mean, I need
2660 to know exactly how we initially started those fees. And, here's why, because if you look
2661 at everything else, specifically, and I know Mr. Sherman can speak to this, Business Tax
2662 Receipts follow the Code of Ordinances. It always has, and that's the process. And you
2663 can go back and trace it from the actual Ordinance.

2664 And then, when there was something done back in 2008 regarding the change
2665 from calling Business License to, to, to Business Tax Receipts, you obviously could follow
2666 the change, or the progress. But, you can't., and I don't know how we can even try to
2667 attempt to do this if you don't know where we come from, as far as these fees are
2668 concerned.

2669 **Chairperson Lanier:** Alright. Thank you, Mr. McCoy, for your comments. Any other
2670 thing from you, Ms. Noel?

2671 **Assistant to the City Manager Noel:** Yeah. Just, Madam Chair, just one quick note.
2672 To the note, to the point that Mr. McCoy mentioned about, I guess those Act of God cir'...,
2673 circumstances. The policy and procedures manual that I presented at the very first
2674 presentation, I provided an outline of what that document would contain and, specifically,
2675 it does have a cancellation policy section, which [stammer], excuse me, specifies what
2676 our cancellation policy is, to include situations where they [stammer] may be a Act of God
2677 circumstance. And under those situations, the applicant can move their event, for free,
2678 in those circumstances, or when the City would have to cancel it, for whatever reasons,
2679 i.e., situations like a pandemic, for, for instance, the City could move those dates or cancel
2680 the event, but we would be as accommodating as possible to allow them to, to reschedule.

2681 **Councilperson McCoy:** Well what about...

2682 **Assistant to the City Manager Noel:** So, just to address...

2683 **Councilperson McCoy:** ...a refund?

2684 **Assistant to the City Manager Noel:** ...that piece. But, the manual itself is not yet
2685 published publicly. It's been worked on, on the backend with Staff.

2686 **Councilperson McCoy:** So...

2687 **Assistant to the City Manager Noel:** But, we provided the outline so you had an
2688 understanding as to what you can expect in terms of the topics that'll be covered.

2689 **Councilperson McCoy:** So, so... Follow up, Madam Chair.

2690 This is exactly why I'm so confused. If you haven't even solidified the manual,
2691 you're asking us to give you a key component of what the refund and the fee.., what your
2692 saying is really becoming more convoluted and I can't support this because you're going
2693 to work on something in the.., in what you call the background, but you're being ask us..,
2694 you're asking us to publicly approve only four components?

2695 Aside from what's already in place, Mr. Sherman can't, or nobody.., I'm sorry, Mr.
2696 Blankenship can't identify where it comes from, you're gonna work on something in the
2697 background, but publicly, us as a Board, are gonna adopt only four items?

2698 Members, this is too convoluted, and we need to send it back.

2699 I yield.

2700 **Chairperson Lanier:** Thank you, sir. Are any other questions from the Board?
2701 Council...

2702 **Chair Pro Tem Miller-Anderson:** Yeah. Madam Chair?

2703 **Chairperson Lanier:** ...Miller-Anderson.

2704 **Chair Pro Tem Miller-Anderson:** So, the part that you're talking about working on,
2705 when, when do you expect to bring that back to us...?

2706 **Assistant to the City Manager Noel:** Yep. So, what I can do is, I can actually meet
2707 with you all individually. This is a very large document. You're looking at several pages
2708 to include appendixes, so I can work with you in'.., you know, individually, to go through
2709 that document, before it's publicly released.

2710 And, if you would like, we can then bring it back for a discussion.., maybe as a
2711 discussion Item, because it's something that's being done so more so under operations.
2712 But, we can bring it back as a discussion Item at a meeting, if that's what you prefer. But,
2713 I can meet with you individually to kinda go through it, getting the other suggestions you
2714 may have, that we can bring back to the group at large, or the team, the special events
2715 committee specifically, to maybe incorporate some the suggestions.

2716 **Chair Pro Tem Miller-Anderson:** But in terms of the items, the fees that you
2717 brought before us tonight, those...

2718 **Assistant to the City Manager Noel:** Right.

2719 **Chair Pro Tem Miller-Anderson:** ...are the only things that you're asking for us to
2720 approve so that you can insert it into the larger document that you have?

2721 **Assistant to the City Manager Noel:** Correct.

2722 **Chair Pro Tem Miller-Anderson:** So, we could possibly, at least give approval on
2723 that, and then you will at least be able to put that, along with the other...

2724 **Assistant to the City Manager Noel:** Yep.

2725 **Chair Pro Tem Miller-Anderson:** ...stuff that you have. And then you..., if, if the
2726 Board feels they need to see the rest of the stuff, then that, that would fine with me. But,
2727 if we're, we're only talking about these fees here, I, I mean...

2728 **Assistant to the City Manager Noel:** Yeah. Just the four.

2729 **Chair Pro Tem Miller-Anderson:** I'm fine with that. With approving this part
2730 tonight. If that other stuff is already in place, I mean, if it's been there forever and nobody
2731 ever knew or questioned it before, I would imagine that, that's something that can be
2732 brought back to us. And... If necessary. I mean, if it's not something we need to vote
2733 on, we needn't do that either.

2734 But, if that's all you're talking about tonight, I'm fine with that.

2735 **City Manager Evans:** Madam Chair, if I may?

2736 **Chairperson Lanier:** Yes, Mr. Evans.

2737 **City Manager Evans:** I would like for Staff to certainly bring back all the fees
2738 associated with the events, because we do..., if there is not a Resolution or a policy that
2739 was adopted by the Board that speaks to the fees, invariably, you're gonna be the ones
2740 that gets the calls about the fees, and so, we need to do a little bit more research and
2741 bring you back the complete Fee Schedule.

2742 Now, if the Board chooses to move forward with this, those are things that can be
2743 set aside separate and apart, but holistically, I think we need to find the document that
2744 actually speaks to all these fees. Because conceivably, you may want to have a
2745 discussion or modification to some of those fees, or provide additional flexibility or
2746 restrictions, and we don't wanna look at it, you know, part and parcel. I think we have to
2747 look at it holistically.

2748 So, that's something that we can, you know, Staff can research and find out, hey,
2749 there is nothing or there is something, and then provide some recommendations to the
2750 Board for consideration, probably at your, you know, maybe not your next meeting but
2751 the meeting following that meeting.

2752 **Chairperson Lanier:** Thank you, Mr. Evans. Are there any other questions for Staff
2753 for this Item? [Pause]. Madam Clerk.

2754 **Councilperson Lawson:** Ma'...

2755 **City Clerk Anthony:** Cou'... Council'...

2756 **Councilperson Lawson:** I apologize. Madam Char?

2757 **Chairperson Lanier:** Yes.

2758 **Councilperson Lawson:** So, we're gonna go ahead and vote this up or down or are we
 2759 gonna instruct Staff to just bring this back?

2760 **Chairperson Lanier:** We're going to...

2761 **Councilperson Lawson:** Because if we...

2762 **Chairperson Lanier:** ...[inaudible]

2763 **Councilperson Lawson:** ...vote it up or do'...

2764 **Chairperson Lanier:** ...up or down.

2765 **Councilperson Lawson:** Okay. 'Cause I, I think a recommendation would be to just
 2766 bring this back because, as of right now, I can't support this Item because I just don't
 2767 wanna piecemeal it, comparable to what Mr. Evans just stated. So, I wouldn't want to
 2768 vote it down to start it over, I'd rather just allow for them to bring it back at the next meeting,
 2769 or the meeting after.

2770 **Chair Pro Tem Miller-Anderson:** Madam Chair?

2771 **Chairperson Lanier:** Councilman..., Councilwoman Miller-Anderson.

2772 **Chair Pro Tem Miller-Anderson:** Well, you know, after..., if Mr. Evans is saying
 2773 that they can bring it back, I'm fine with waiting for it but, I mean, as of tonight, I'm, I'm...,
 2774 I mean, that's not gonna change for me in terms of the, the fees that's there. But if the
 2775 Board is comfortable with it coming back and it still fits within our timeline of trying to get
 2776 this done, that's fine with me as well.

2777 **Chairperson Lanier:** Very good. Could we get...

2778 **Councilperson Botel:** Madam Chair?

2779 **Chairperson Lanier:** ...a motion to table this until the... What would that be? May?

2780 **City Manager Evans:** Your, your first meeting...

2781 **Unk.:** Postpone?

2782 **City Manager Evans:** Yeah. Yeah. Postpone until...

2783 **Councilperson Lawson:** Postpone and table.

2784 **City Manager Evans:** ...your first meeting...

2785 **Chairperson Lanier:** Okay.

2786 **City Manager Evans:** ...in May.

2787 **Chairperson Lanier:** Okay. Postpone until..., can I get a motion..., entertain a motion
 2788 to postpone this Item until the first meeting in May?

2789 **Councilperson Botel:** I make a motion to postpone this Item until the first meeting in
 2790 May.

2791 **Councilperson Lawson:** Second.

2792 **Chairperson Lanier:** Madam Clerk.

2793 **City Clerk Anthony:** Councilperson McCoy?

2794 **Councilperson McCoy:** Yes.

2795 **City Clerk Anthony:** Councilperson Botel?

2796 **Councilperson Botel:** Yes.

2797 **City Clerk Anthony:** Councilperson Lawson?

2798 **Councilperson Lawson:** Yes.

2799 **City Clerk Anthony:** Pro Tem Miller-Anderson?

2800 **Chair Pro Tem Miller-Anderson:** Yes.

2801 **City Clerk Anthony:** Chair Lanier?

2802 **Chairperson Lanier:** Yes.

2803 **City Clerk Anthony:** Motion approved.

2804 **Chairperson Lanier:** Thank you, Ms. Noel.

2805 **9. Chairperson Lanier:** Madam Clerk, next Item.

2818 **City Clerk Anthony:** Madam Chair, Members of the Board, we do not have public
 2819 comment on this Item. The acceptance of public comment on this Item is now closed.
 2820 And Madam Chair, Members of the Board, please be mindful of the time.

2821 **Chairperson Lanier:** Can I get a motion to approve Resolution 31-21?

2822 **Councilperson McCoy:** So moved.

2823 **Councilperson Botel:** Second.

2824 **Chairperson Lanier:** Thank you. Also, before we get started, Mr. Sherman, can we
 2825 get a motion to extend our meeting for fifteen minutes?

2826 **Chair Pro Tem Miller-Anderson:** Well, we still have another It'..., couple Items left.
 2827 And...

2828 **Councilperson Botel:** [Inaudible].

2829 **Chair Pro Tem Miller-Anderson:** Extend it...

2830 **Chairperson Lanier:** Thirty minutes.

2831 **Chair Pro Tem Miller-Anderson:** ...until we finish?

2832 **Chairperson Lanier:** Thirty minutes?

2833 **Chair Pro Tem Miller-Anderson:** Finish the Agenda?

2834 **Chairperson Lanier:** Huh?

2835 **Chair Pro Tem Miller-Anderson:** 'Til we finish the Agenda?

2836 **Chairperson Lanier:** [Ugh sound]

2837 **Councilperson Botel:** Until we finish.

2838 **Councilperson McCoy:** Move to...

2839 **Chairperson Lanier:** Alright.

2840 **Councilperson McCoy:** ...extend indefinitely.

2841 **Chairperson Lanier:** Fine.

2842 **Chair Pro Tem Miller-Anderson:** Second.

2843 **Chairperson Lanier:** Madam Chair. I'm sorry. Madam Clerk.

2844 **City Clerk Anthony:** Was that a mo'..., motion to...

2845 **Chairperson Lanier:** A motion to...

2846 **City Clerk Anthony:** ...move until...

2847 **Chairperson Lanier:** ...extend until we're finished.

2848 **City Clerk Anthony:** Okay. Thank you. Councilperson Botel?

2849 **Councilperson Botel:** Yes.

2850 **City Clerk Anthony:** Councilperson McCoy?

2851 **Councilperson McCoy:** Yes.

2852 **City Clerk Anthony:** Councilperson Lawson?

2853 **Councilperson Lawson:** Yes.

2854 **City Clerk Anthony:** Pro Tem Miller-Anderson?

2855 **Chair Pro Tem Miller-Anderson:** Yes.

2856 **City Clerk Anthony:** Chair Lanier?

2857 **Chairperson Lanier:** Yes.

2858 **City Clerk Anthony:** Motion approved.

2859 **Chairperson Lanier:** Mr. Sherman.

2860 **Finance and Administrative Services Director Sherman:** Yes. Good evening again.
 2861 Randy Sherman, Finance Director.

2862 Yes. The Item you have before you is a transfer Resolution of some project
 2863 balances. We have some balances coming from sector funds. So, thank you,
 2864 Councilman McCoy. Thank you, Councilwoman Miller-Anderson for...

2865 **Chair Pro Tem Miller-Anderson:** Well... Yeah. I had a question...

2866 **Finance and Administrative Services Director Sherman:** ...sharing your sector
 2867 funds.

2868 **Chair Pro Tem Miller-Anderson:** ...about that. I didn't get recognition for...

2869 **Finance and Administrative Services Director Sherman:** [Chuckle].

2870 **Chair Pro Tem Miller-Anderson:** ...using that but District 1 did but no 2. I thought
 2871 you all changed your mind.

2872 **Chairperson Lanier:** [Chuckles]

2873 **Chair Pro Tem Miller-Anderson:** It's not written there. So, how..., where...,
 2874 where's the breakdown of... 'Cause it looks like it's all coming from 1.

2875 **Councilperson McCoy:** Well, you know, they're used to hittin' me up anyways.

2876 [Chuckles]

2877 **Chair Pro Tem Miller-Anderson:** [Stammer] I mean, it didn't...

2878 **Finance and Administrative Services Director Sherman:** That...

2879 **Chair Pro Tem Miller-Anderson:** ...even reference...

2880 **Finance and Administrative Services Director Sherman:** That, that...

2881 **Chair Pro Tem Miller-Anderson:** So I thought you all changed your mind.

2882 **Finance and Administrative Services Director Sherman:** That, that should say 2.

2883 **Chair Pro Tem Miller-Anderson:** I...

2884 **Finance and Administrative Services Director Sherman:** We should have sector 2 in
 2885 here.

2886 **Chair Pro Tem Miller-Anderson:** Yeah. [Inaudible]...

2887 **Finance and Administrative Services Director Sherman:** But again...

2888 **Chair Pro Tem Miller-Anderson:** ...for that.

2889 **Finance and Administrative Services Director Sherman:** ...you, you saw the
 2890 Reimagine Riviera Beach presentations from Mr. Freeman and Ms. Grimsley earlier this
 2891 evening. These dollars are to pay for the furniture, fixtures and equipment that'll be going
 2892 into 2129 Congress.

2893 **Councilperson McCoy:** So...

2894 **Finance and Administrative Services Director Sherman:** And I can answer any
 2895 questions.

2896 **Councilperson McCoy:** So, Madam Chair?

2897 **Chairperson Lanier:** Yes. You're recognized.

2898 **Councilperson McCoy:** I offer an amendment to include District 2 into...

2899 **Chair Pro Tem Miller-Anderson:** Aww.

2900 **Councilperson McCoy:** ...this Resolution.

2901 [Chuckles]

2902 **Chair Pro Tem Miller-Anderson:** But how much was it? Is it the seventy-five?

2903 **Finance and Administrative Services Director Sherman:** It was sev'.., the \$72,000.

2904 **Chair Pro Tem Miller-Anderson:** Seventy-two? Okay.

2905 **Finance and Administrative Services Director Sherman:** Yeah.

2906 **Chair Pro Tem Miller-Anderson:** Thank you so much, Mr. McCoy.

2907 **Chairperson Lanier:** There's a motion been made.

2908 **Chair Pro Tem Miller-Anderson:** I second that.

2909 **Chairperson Lanier:** Madam Clerk.

2910 **City Clerk Anthony:** Councilperson...

2911 **Councilperson McCoy:** [Inaudible]...

2912 **Chair Pro Tem Miller-Anderson:** Wait, wait, wait.

2913 **Councilperson McCoy:** So, so.., I'm sorry, Madam Chair. So, I was ready to offer the
 2914 motion to include District 2, and then for approval as well. Is there anything more that we
 2915 have to discuss?

2916 **Chairperson Lanier:** No, sir.

2917 **Councilperson McCoy:** So, I offer the motion to include District 2 for the stated amount
 2918 by the Finance Director, and Resolution No. 31-21, for approval.

2919 **Chairperson Lanier:** You have a second for...

2920 **Chair Pro Tem Miller-Anderson:** Second. Yeah.

2921 **Chairperson Lanier:** ...[stammer] Miller-Anderson?

2922 **Chair Pro Tem Miller-Anderson:** Mhmm.

2923 **Chairperson Lanier:** Madam Clerk.

2924 **City Clerk Anthony:** Councilperson Lawson?

2925 **Councilperson Lawson:** Yes.

2926 **City Clerk Anthony:** Councilperson Botel?
2927 **Councilperson Botel:** Yes.
2928 **City Clerk Anthony:** Councilperson McCoy?
2929 **Councilperson McCoy:** Yes.
2930 **City Clerk Anthony:** Pro Tem Miller-Anderson?

2931 **Chair Pro Tem Miller-Anderson:** Yes.

2932 **City Clerk Anthony:** Chair Lanier?

2933 **Chairperson Lanier:** Yes.

2934 **City Clerk Anthony:** Motion approved.

2935 **Chairperson Lanier:** Thank you.

2936 **Finance and Administrative Services Director Sherman:** Thank you.

2937 **DISCUSSION AND DELIBERATION**

2938 **10. Chairperson Lanier:** Next Item, Madam Clerk.

2939 **City Clerk Anthony:** **DISCUSSION OF EARL PLEASANT AND MARGARET**
2940 **PLEASANT REQUEST TO RELEASE MORTGAGE AND RESTRICTIVE COVENANT.**

2941 **DEIRDRE JACOBS, ASSISTANT CITY MANAGER, 561-812-6590**

2942 **City Clerk Anthony:** Madam Chair, Members of the Board, we do not have public
2943 comment on this Item. The acceptance of public comment on this Item is now closed.

2944 **Chairperson Lanier:** Mr. Evans.

2945 **City Manager Evans:** Madam Chair, Members of the Board, if I can have Assistant
2946 City Manager, Ms. Deirdre Jacobs, present this Item.

2947 **Assistant City Manager Jacobs:** Good evening, Madam Chair, other Members of
2948 the Council, Mr. Evans and Mrs. Wynn. For the record, my name is Deirdre Jacobs. I'm
2949 the Assistant City Manager here with the City of Riviera Beach.

2950 This evening I'll be presenting to you an Item..., actually, it was a request from Mr.
2951 Earl Pleasant that the City consider releasing a mortgage, a promissory note and a
2952 restrictive covenant from a property that wherein the City granted him \$297,000 in order
2953 to construct a building, located at 2701 President Barack Obama Highway. The loan was
2954 actually an EDI grant that the City received from the Department of HUD. The transaction
2955 took place in February of 2011.

2956 However, there was a condition that [inaudible] occupancy was the date that would
2957 be triggered in order for the restrictive covenant to become effective. That date was July
2958 the 16th of 2012, so there is approximately fifteen months left in order for those security
2959 documents to be satisfied. Mr. Pleasant is asking if you would please consider releasing
2960 those security documents now so that he can go ahead and.., I believe he's about to sell
2961 the property. It's my understanding that, even if he does sell the property, it will continue
2962 to be used as a commercial property. And I believe there are no other conditions besides
2963 those, the use of the, the property to remain as a co'.., a commercial use.

2964 And Mr. Pleasant is here in the event that you have any questions. Staff is just
2965 asking if you would please give us direction as to how to move forward.

2966 **Councilperson Botel:** Madam Chair?

2967 **Chairperson Lanier:** Yes, Councilwoman Botel.

2968 **Councilperson Botel:** So, the mortgage has been satisfied and there's no.., there's
2969 nothing else owed to the City? It's just a matter of releasing the restrictive covenant?

2970 **Assistant City Manager Jacobs:** No, ma'am. The, the mortgage has not been
2971 satisfied.

2972 **Councilperson Botel:** Oh.

2973 **Assistant City Manager Jacobs:** There is a time period. What, what would trigger
2974 the satisfaction of the mortgage would be the ten-year requirement that won't mature until
2975 July of next year. So, he's about fifteen months out, in terms of the mortga'.., mortgage,
2976 excuse me, actually maturing. So, what you can do is, you can release the mortgage, but
2977 it's not technically satisfied. What you would do is release it, if you decided to do so.

2978 **Chairperson Lanier:** Any other questions?

2979 **Assistant City Manager Jacobs:** Mr. Pleasant is here as well if you would like to
2980 hear any comments from him with regards to what he intends to do with the property.

2981 **Chairperson Lanier:** Yes. You can provide that to us, Mr. Pleasant.

2982 **Mr. E. Pleasant:** Okay. My name is Earl Pleasant. I'm a citizen of Riviera Beach since
2983 1961. I graduated John F. Kennedy High School, I served in the military. I bought
2984 property on A.C. Evans in 1975. I'm a resident since 1975.

2985 This is my blessing ceremony at Pleasant Plaza, which was the, the first new retail
2986 construction in Century Center in more than twenty years. What didn't happen is, the
2987 reason I'm trying to, to sell the property. This is a letter, and Deirdre, would you read this
2988 letter for me, please?

2989 **Assistant City Manager Jacobs:** Sure.

2990 For the record, the letter reads: To who it may concern, I am Earl Pleasant, the
2991 proprietor of Pleasant Plaza, located at... For the past years, I have maintained the
2992 property, mainly at my expense. Although the units at the property have been
2993 successfully rented for the last year, there have been breaks in occupancy. There have
2994 also been substantial repair cost due to an improperly sealed roof, and [stammer] and
2995 inadequate HVAC units.

2996 During this period, I was able to maintain the property and incurring costs due to
2997 income from Earl Pleasant Tile, my primary source of income. So, when COVID-19
2998 caused my..., caused our economy and our communities to shut down, I was forced to
2999 shut down my tile business as well. As a tile contractor, I work in residential homes and
3000 businesses but social distancing and stay at home orders that become impossible.

3001 Even now, as the country and our community reopens, I have few opportunities for
3002 work, which greatly impacts my ability to cover costs and maintain the property. COVID-
3003 19 is an undeniable cause of concern for me and my business, however, it is not the only
3004 factor.

3005 Over the last few years, I have also had to deal with some underlying health issues
3006 that have contributed to my inability to work, primarily having a knee replacement and,
3007 most recently, having eye surgery, have spent time away from my tile business to
3008 recuperate.

3009 It is due to these factors, these major factors, that I request the option to sell the
3010 property, known as Pleasant Plaza. Although I have only fifteen months left on the
3011 contract, I believe now would be the best time for me to sell. I currently have a buyer who
3012 has shown great interest in purchasing the building. The potential buyer has an occupant
3013 in one of the units from the opening, and has been consistent in paying their rent.
3014 Therefore, I ask that you consider my quest to sell the property.

3015 Thank you for your time and attention to this matter.

3016 Sincerely, Earl L. Pleasant

3017 **Mr. E. Pleasant:** And I also [stammer] spoke with Mr. McCoy, and he had some, I
3018 believe he had some remedy. If he would state those remedies? If he...

3019 **Councilperson McCoy:** Madam Chair?

3020 **Chairperson Lanier:** Yes, Mr. McCoy.

3021 **Councilperson McCoy:** Thank you, Mr. Pleasant. Thank you for reaching out.

3022 There was a provision in the agreement that you provided to me that calls for an
3023 assignment. And I did bring it to the Manager and the Assistant Manager's attention
3024 yesterday about exercising the option of allowing you to assign your interest over. And, I
3025 believe Ms. Jacobs, your response was that the mortgage has been satisfied, but it hasn't
3026 been released. Correct?

3027 **Assistant City Manager Jacobs:** No. Actually, I went back and reread it this
3028 afternoon. The mortgage and.., the mortgage and the promissory note, as well as the
3029 restricted covenant, they all call for the fi'.., July, July 16th date, in order for the property
3030 to be.., for any of those documents to be complexly satisfied.

3031 So, the only way to actually assist Mr. Pleasant with getting rid of any of those
3032 documents, would be for you to release those documents absent the fifteen months, or if
3033 he decided to sell the property, you could still release the mortgage and allow the res'..,
3034 restrictive covenant to remain on the property for the business to continue to stay there
3035 and operate [inaudible].

3036 **Councilperson McCoy:** Well, well... And I appreciate your analysis, but specifically,
3037 in his [inaudible] it provides him the right to do an assignment. So, whatever interest he
3038 has, he can go to whoever his seller is and assign it right over to him and that person
3039 assumes the same provisions that he would have normally had to meet, the mortgage
3040 and the restrictive covenant, and all of it. So that's why I offered Mr. Evans and Ms.
3041 Jacobs the options of doing the assignment.

3042 But, but here's what I wanna suggest at this point, Ms. Wynn, and I want your
3043 attention on this. Being that this is probably going to be a sale that you're gonna have to
3044 do a title.., title work on, it would seem to me, and Ms. Wynn, I want some direction from
3045 you, if this is gonna be something that you're trying to consummate a sale, I think,
3046 perhaps, going into negotiations and figuring out exactly what the title company will
3047 accept... Oh, I'm sorry. I forgot I got the realtor right next to me. I mean, if they want to
3048 stipulate.., if you can get a release from... I, I wanna make sure whoever this is on the
3049 end, whoever your buyer is, can get the exact language. Because I don't think we should
3050 take action before the title company says, 'Well, you got a release, but I want a
3051 satisfaction.'

3052 So, I wanna make sure that it works without us taking action first and if they into
3053 neogt'... Ms., Ms. Wynn, you're nodding your head, but I'm hoping that we can actually
3054 figure out exactly what the title company will accept to consummate the sale. As opposed
3055 to us taking action and you go to the title company and find out if they want it done a
3056 different way.

3057 That would be my recommendation, because that would really shortcut it
3058 altogether, in my opinion. If that, if that is [inaudible].

3059 **Chair Pro Tem Miller-Anderson:** Madam Chair?

3060 **Chairperson Lanier:** Yes.

3061 **Chair Pro Tem Miller-Anderson:** I just have a question. If this was similar to a
3062 form of a grant? When you get.., when you.., say when you have, like, a first-time
3063 homebuyer's grant, and you've maintained it for the ten years and then at.., it goes away,
3064 but if you try to get rid of it before then, it's prorated. Is that an option for the fifteen
3065 months for.., if the sale goes through, for them to pay us the fif'.., the fifteen months that's
3066 still on it?

3067 **City Attorney Wynn:** I mean, I guess you could...

3068 **Assistant City Manager Jacobs:** Actually...

3069 **City Attorney Wynn:** ...modify the restriction. It does not currently say that so it
3070 would cau'..., it would call for a modification of the restriction. Again, we, we come to you
3071 with this for..., we brought this to you so that we could seek direction. Because, we can't
3072 make that decision, only the Council can make that decision.

3073 So, whether it's your suggestion that we can go back and look into, which we had
3074 not thought of. I don't..., I mean, I know I had not, I don't know about Ms. Jacobs.

3075 **Assistant City Manager Jacobs:** Actually, we had thought of it, but we decided,
3076 because there are so many things that you can do to be creative, we wanted to just bring
3077 it to you for your discussion. But, you could prorate the dollar amount.

3078 **City Attorney Wynn:** We would..., yeah. And we would just have to amend the
3079 document. But also, we could do, as Mr. McCoy suggested, Mr. Pleasant can go to a title
3080 company to see, he could have his realtor do that, and see what would be required.
3081 Whether the new buyer would assume these restrictions for another year and a half, and
3082 then we would bring that back to you, and we'd assign that to the new buyer.

3083 So, all of your ideas we can look into, we just need direction.

3084 **Chairperson Lanier:** Let me say this. Ms. Jacobs, what is your suggestion or
3085 recommendation for this Item?

3086 **Assistant City Manager Jacobs:** [Pause]. Hmm.

3087 **Chairperson Lanier:** [Chuckle].

3088 **Unk.:** I don't think she...

3089 **Assistant City Manager Jacobs:** You know...

3090 **Chairperson Lanier:** I mean, [stammer] the reason I ask is that, when people bring
3091 Items here, either they have a, a feeling one way or other, about it. And I understand that
3092 you brought it to us to be able to have some discussion about it, and I can, I can respect
3093 that. I just wanted to get your take on us moving forward with this.

3094 **City Manager Evans:** Madam Chair...?

3095 **Chairperson Lanier:** Hold on a second, Mr. Evans.

3096 **Assistant City Manager Jacobs:** That's a tough one.

3097 **Chairperson Lanier:** [Chuckle].

3098 **Assistant City Manager Jacobs:** I, I wasn't in the mindset of trying to take the
3099 authority away from the Board.

3100 **Chairperson Lanier:** Right. Very good. Mr. Evans.

3101 **City Manager Evans:** To, to Mrs. Jacobs' point, we, we believe that it is the intent of
3102 the Board to look to try to resolve the issue to effectuate the sale. And so, I think based
3103 on the discussion, if in fact that's the position of the Board, that gives us direction that you
3104 want us to look at some remedies and then bring that back to you as to what is the most
3105 appropriate and expeditious way to resolve it. We just wanted to see, conceivably, was
3106 the Board willing to make the modifications to the agreement to allow for the transaction
3107 to occur.

3108 So now that if the legislative intent from the Board is there, then Staff can work
3109 together, with Mr. Pleasant, to find out what's the most appropriate way to facilitate the
3110 transaction and come back with some recommendations for you to consider.

3111 **Councilperson Botel:** Madam Chair?

3112 **Chairperson Lanier:** Yes.

3113 **Councilperson Botel:** Can I make a motion that we direct Staff to work with Mr.
3114 Pleasant to find a, an agreeable solution to this problem?

3115 **Councilperson McCoy:** Second.

3116 **Councilperson Botel:** Thank you.

3117 **Chairperson Lanier:** Okay. Madam Clerk.

3118 **City Clerk Anthony:** Councilperson McCoy?

3119 **Councilperson McCoy:** Yes.

3120 **City Clerk Anthony:** Councilperson Lawson?

3121 **Councilperson Lawson:** Yes.

3122 **City Clerk Anthony:** Councilperson Botel?

3123 **Councilperson Botel:** Yes.

3124 **City Clerk Anthony:** Pro Tem Miller-Anderson?

3125 **Chair Pro Tem Miller-Anderson:** Yes.

3126 **City Clerk Anthony:** Chair Lanier?

3127 **Chairperson Lanier:** Yes.

3128 **City Clerk Anthony:** Motion approved.

3129 **Chairperson Lanier:** Thank you.

3130 **Councilperson McCoy:** Ms. Wynn...

3131 **Mr. E. Pleasant:** Thank you, Council.

3132 **Councilperson McCoy:** Ms. Wynn, including the title. 'Cause I don't wanna...

3133 **City Attorney Wynn:** Yeah.

3134 **City Manager Evans:** Yeah.

3135 **Councilperson McCoy:** ...spin our wheels with coming...

3136 **City Attorney Wynn:** Right.

3137 **Councilperson McCoy:** ...back here and then...

3138 **City Manager Evans:** Yeah.

3139 **Councilperson McCoy:** ...you know, he hits a roadblock.

3140 **City Attorney Wynn:** We'll look at both..., the two suggestions that we received, and
 3141 I guess if we come up with anything else, we'll look at all of that and bring it back to you.

3142 **Councilperson McCoy:** Thank you.

3143 **Chairperson Lanier:** Thank you.

3144 **Councilperson Lawson:** Madam Chair?

3145 **Assistant City Manager Jacobs:** So... Excuse me...

3146 **Councilperson Lawson:** Madam Chair?

3147 **Assistant City Manager Jacobs:** ...Madam Chair, I have a question. So...

3148 **Chairperson Lanier:** Yes.

3149 **Assistant City Manager Jacobs:** If we were to speak to Mr. Pleasant and his offer
 3150 was to have the documents released, would that be acceptable?

3151 **Chairperson Lanier:** That's an, that's an option. Yes.

3152 **Assistant City Manager Jacobs:** Thank you.

3153 **Chairperson Lanier:** Thank you.

3154 **Councilperson Lawson:** Madam Chair?

3155 **Councilperson McCoy:** Yes, but... [Stammer] Madam Char?

3156 **Chairperson Lanier:** That, that is...

3157 **Councilperson Lawson:** Ma'...

3158 **Chairperson Lanier:** She asked..., because he wanted to have the, the, the, the...

3159 **Councilperson McCoy:** I understand.

3160 **Chairperson Lanier:** ...the item re'..., the item released. Now, we are..., we, we sat
3161 here and just agreed that we would bring back options. That could be one of the options.

3162 **Councilperson McCoy:** But I, I also wanna make sure that we're clear that the
3163 restrictive covenant is separate from the lease..., from the release. Correct, Ms. Jacobs?

3164 **Assistant City Manager Jacobs:** It can be.

3165 **Councilperson McCoy:** Well, can you bring us back options?

3166 **Assistant City Manager Jacobs:** Sure.

3167 **Councilperson McCoy:** 'Cause I don't wanna release the restrictive covenant,
3168 because if that's the case, then we gotta do it for all the other mortgages that's..., that the
3169 City currently holds.

3170 **Assistant City Manager Jacobs:** Madam Chair? Mr. McCoy, you are basically
3171 saying we..., that, that you would like for us to consider releasing the mortgage and the
3172 note, and the restrictive covenant remaining in place for the next fifteen months.

3173 **Councilperson McCoy:** Correct.

3174 **Assistant City Manager Jacobs:** Thank you.

3175 **Chairperson Lanier:** And we..., and that is an option.

3176 **Assistant City Manager Jacobs:** Yes, it is.

3177 **Chairperson Lanier:** Thank you.

3178 **Councilperson Lawson:** Madam Chair?

3179 **Chairperson Lanier:** Yes.

3180 **Councilperson Lawson:** Motion to extend meeting ten minutes.

3181 **Chairperson Lanier:** We've already done that, sir.

3182 [Chuckles]

3183 **Councilperson Lawson:** I missed that?

3184 [Chuckles]

3185 **Councilperson Lawson:** [Inaudible].

3186 **Chairperson Lanier:** Yeah. We've already done that, sir.

3187 **Councilperson Botel:** I think you voted...

3188 **Councilperson Lawson:** Thank you.

3189 **Councilperson Botel:** ...yes.

3190 **Chairperson Lanier:** Thank you so much.

3191 **Councilperson McCoy:** [Inaudible].

3192 **Chair Pro Tem Miller-Anderson:** [Inaudible].

3193 **Councilperson Lawson:** I voted on that?

3194 [Chuckles]

3195 **Councilperson Botel:** You voted on it.

3196 **Chairperson Lanier:** Thank you so much.

3197 **Councilperson Lawson:** Okay.

3198 [Inaudible comment]

3199 **Chairperson Lanier:** Next Item, Madam Clerk.

3200 **City Clerk Anthony:** He wasn't here.

3201 [Chuckles]

3202 **Councilperson Lawson:** I must've missed that.

3203 [Inaudible dais comment]

3204 **Councilperson Lawson:** [Chuckle].

3205 **11. Chairperson Lanier:** Next Item, Madam Clerk.

3206 **City Clerk Anthony:** DISCUSSION TO TRANSFORM THE LINDSEY DAVIS
3207 **COMMUNITY CENTER LOCATED AT 1550 WEST 28TH STREET INTO A**
3208 **COMMUNITY POLICE SUBSTATION.**

3209 **NATHAN OSGOOD, CHIEF OF POLICE, 561-845-4130**

3210 **City Manager Evans:** Madam Chair and Members of the Board, just to provide some
3211 clarity. We are not transfor'..., transforming the Lindsey [chuckle], the Lindsey Davis
3212 Center. We're transforming the YEP facility, not the entire recreational facility. So, just
3213 for clarity for those that are at home.

3214 If I can have Major Josh Lewis make the presentation with regards to the
3215 transformation that we're looking to contemplate in the YEP facility.

3216 Major Lewis.

3217 **Major Lewis:** Thank you, sir. Major Lewis, on behalf of Chief Osgood.

3218 The purpose of this...

3219 **Chairperson Lanier:** Mr... I'm sorry to, to interrupt you. Why is Mr. Osgood not
3220 presenting this?

3221 **City Manager Evans:** He had a, a medical appointment that could not be present.

3222 **Chairperson Lanier:** Thank you.

3223 **Major Lewis:** The purpose of this discussion is the establishment of a police
3224 substation at the Lindsey Davis Center. As the Manager said, it is not the entire building,
3225 it is simply the area vacated by the Youth Empowerment Center, that is now vacated.

3226 The benefits of having this is tremendous. For one, it complements the
3227 Department's community policing efforts, it gives us a location that we can engage with
3228 the community, it allows us to have roll call, meetings, engaging with citizens, and City
3229 meetings. The substation also would be in a strategically placed area where
3230 approximately one-third of all violent took place in 2020. During the pandemic, we actually
3231 played around with this and we had some roll calls at this location, and we received
3232 tremendous responses from the community.

3233 Have any questions?

3234 **Chairperson Lanier:** Um...

3235 **Councilperson McCoy:** No. That's real good. I don't have any questions. That
3236 sounds good.

3237 **Chairperson Lanier:** Mr. McCoy, are you in agreement with the substation
3238 [inaudible]...

3239 [Inaudible dais comment]

3240 **Councilperson McCoy:** Oh yeah. Absolutely. I, I want..., I want an office there too.

3241 [Chuckles]

3242 **Chairperson Lanier:** Oh really?

3243 **Unk.:** Yeah.

3244 **Major Lewis:** We have two, two floors.

3245 **City Manager Evans:** [Chuckle].

3246 [Inaudible dais comments]

3247 **Councilperson Botel:** Madam Chair?

3248 **Chairperson Lanier:** Yes, Ms. Botel.

3249 **Councilperson Botel:** I'd like to make a motion that we agree to transform that
3250 portion of the Lindsey Davis Community Center into a community police station...,
3251 substation.

3252 **Chairperson Lanier:** Do...

3253 **Chair Pro Tem Miller-Anderson:** Second.

3254 **Chairperson Lanier:** Alright. There's a second from Councilwoman Miller-
3255 Anderson. Are there any questions about this Item? [Pause]. None being heard. Madam
3256 Clerk.

3257 **City Clerk Anthony:** Councilperson Lawson?

3258 **Councilperson Lawson:** Yes.

3259 **City Clerk Anthony:** Councilperson McCoy?

3260 **Councilperson McCoy:** Yes.

3261 **City Clerk Anthony:** Councilperson Botel?

3262 **Councilperson Botel:** Yes.

3263 **City Clerk Anthony:** Chair Pro Tem Miller-Anderson?

3264 **Chair Pro Tem Miller-Anderson:** Yes. [Pause]. Yes.

3265 **City Clerk Anthony:** Chair Lanier?

3266 **Chairperson Lanier:** Yes.

3267 **City Clerk Anthony:** Motion approved.

3268 **Chairperson Lanier:** Thank you...

3269 **Major Lewis:** Thank you.

3270 **Chairperson Lanier:** ...sir.

3271 **Major Lewis:** Thank you. Thank you.

3272 **Chairperson Lanier:** Our next... There are no more Items on the Agenda. We will
 3273 move into...

3274 **Chair Pro Tem Miller-Anderson:** No. No. The Council security.

3275 **Chairperson Lanier:** Oh yes. There's another Item. The last Item is in regards to
 3276 Council security.

3277 Mr. Evans could you lead this discussion in regards to there was a memo that was
 3278 sent in regards to how we would look at security for the Council, for this room, for this..,
 3279 for the Council in general. Mr. McCoy wanted to add a caveat to this discussion to
 3280 include... What was that, Mr. McCoy?

3281 **Councilperson McCoy:** Gidden Se'.., Gidden Security. But, I think I'm gonna push
 3282 back. I just want their agreement.

3283 **Chairperson Lanier:** Alright. Very good. So, Mr. Evans, could you please give us
 3284 some background about why we are having this discussion and what that means for the
 3285 Council and the public?

3286 **City Manager Evans:** Madam Chair and Members of the Board, Staff has put in
 3287 place some additional security measures to ensure that the elected officials, as well as
 3288 the public, is safe when attending public meetings. We have increased our security
 3289 presence, as well as law enforcement, and have put in some additional procedural
 3290 elements that ensure better safety for those that are attending meetings here. And, all
 3291 that in the backdrop of COVID-19 and making sure that we're compliant with social
 3292 distance requirements, et. cetera.

3293 There is some thoughts with regards to enumerating some of these changes in a
 3294 written policy, as well as looking at what other communities are doing and how they
 3295 handle safety and security of all persons that would be attending the meeting.

3296 So, Staff would like the opportunity to have a more robust discussion with the
 3297 Board, looking at public safety at, not just our City Council meetings, but at some of our
 3298 City facilities. Florida statute does allow for us to go into what would be considered a
 3299 shade session to talk about security elements whereby we have the privacy to have

3300 discussions about some safety procedures and protocols, and things that we would like
3301 to put in place, especially with some of our new facilities that will be coming online here
3302 very soon. We do wanna have the discussion with the Board as to access points, who
3303 has access, scantrons, what are.., what's the appropriate way to handle the security of
3304 our visitors to our community, and our residents, as they access some of our City facilities.

3305 So, that is kind of the backdrop of the entire conversation. We've done some things
3306 to modify the, the safety protocols but nothing that comes into policy. So Staff's
3307 recommendation would be to have a, a shade session with the Board to talk about
3308 security, holistically looking at all our different facilities and entry points into our
3309 community.

3310 And then, from that discussion, then bring back some policy recommendations for
3311 adoption and consideration by this Board.

3312 **Chairperson Lanier:** Are there any questions or comments from the Board in
3313 regards to this? I want us to move forward with this security issue. Not just for, for the,
3314 the Board itself, but for the public in general, coming into this building and any of the City
3315 facilities. We understand that people coming into this building have to be.., go through a
3316 metal detector, and that should be for everyone. So I want us to be able to have this
3317 conversation about, not only having the security for the public, but for Board Members as
3318 well.

3319 But, what I want to do is, I want to have this discussion so that we can look at some
3320 of the legal ramifications. There has to be a policy that we implement ourselves and how
3321 we're going to move forward, ensuring not only the security of the public, but of the Board
3322 Members themselves.

3323 **Councilperson McCoy:** Madam Chair?

3324 **Chairperson Lanier:** Mr. McCoy, yes.

3325 **Councilperson McCoy:** So, let me clarify. I think you misspoke because I know they're
3326 not gonna wanna hear this but let me go ahead and clear the record. There is no
3327 requirement, under state law, that you have to submit yourself to a security screening in
3328 order to enter into a public building. Doing so will be an unreasonable search. Unless a
3329 government agency or law enforcement has a reasonable suspicion or probable cause
3330 that a crime has taken place, you cannot require or force a person to submit to a security
3331 screening.

3332 **Chairperson Lanier:** Those are the issues that we will discuss at our...

3333 **Councilperson McCoy:** Well, you can discuss it, but I'm tell you right...

3334 **Chairperson Lanier:** And that's...

3335 **Councilperson McCoy:** ...now it's...

3336 **Chairperson Lanier:** And that's...

3337 **Councilperson McCoy:** ...the law.

3338 **Chairperson Lanier:** And that's what we will do, sri. We will discuss those issues.
3339 And, you have the opportunity at that time to be able to have your say, as you, as you do.

3340 **Councilperson McCoy:** I'm not..., it's already established in the Constitution.

3341 **Chairperson Lanier:** And, that is fine. And we will still have that discussion.

3342 Thank you.

3343 Mr. Evans, is there anything else about this issue?

3344 **City Manager Evans:** No, Madam Chair.

3345 **Chairperson Lanier:** Alright. Very good Thank you.

3346 **DISCUSSION BY CITY MANAGER**

3347 **Chairperson Lanier:** Any discussions by yourself, Mr. Evans?

3348 **City Manager Evans:** Yes, Madam Chair.

3349 Obviously, at this point, the Board and the community knows about the tragic loss
3350 of Mr. Terrance Holland, a phenomenal young man. Our heart is broken as an agency.
3351 Our employees are hurting. Our community is hurting, and that family is certainly hurting.
3352 And, having to be at the hospital with that family and have the conversations that we've
3353 had to have with them, has been undoubtedly the hardest thing that I've ever had to do
3354 as a professional.

3355 And, I can tell you that for our employees out there that experienced that, that went
3356 through that, and that family and those kids that this agency will not forsake that loss and
3357 will do everything in our power to support that family and our employees. And it's just
3358 been a, a challenging couple of..., couple of weeks for the agency and, and Staff. And
3359 there's not a day that doesn't go by that I don't think about it, and I know others in the
3360 agency don't, don't think about it.

3361 And so, we certainly..., our thoughts and prayers are with the family. He was a
3362 remarkable young man, and we were fortunate to have him as, not just an employee, but
3363 a friend of this agency, and a resident of this community.

3364 And, thank you, Mr. Mayor, for reading the Proclamation and doing the
3365 Proclamation for Mr. Holland and his family. And, we certainly look forward to seeing our
3366 community and that family as they go through the grieving process and being there to
3367 support them and our fellow co-workers.

3368 Because the challenging part is that the, the things that those employees were
3369 exposed to and, and what they went through, they're not programmed to be able to, to
3370 process that as Public Safety is accustomed to seeing those things. And so, I'm really
3371 concerned about those employees and, and we're trying to facilitate as much support and
3372 assistance as we can for them, and, and for the agency as we look to, to process this.

3373 And so, to the, to the family, know that' you're, you're loved one is, is loved and
3374 respected and admired by many people and I'm fortunate to have the opportunity to have
3375 worked alongside with him. And, certainly you know that we're always here to assist in
3376 any conceivable way.

3377 So, I just wanted to take that time to, to recognize the, the life and the legacy of a
3378 phenomenal human being and a [stammer] phenomenal young man, and he certainly will
3379 be missed by this agency and this community.

3380 Thank you, Madam Chair.

3381 **Chairperson Lanier:** Thank you, sir.

3382 **DISCUSSION BY CITY ATTORNEY**

3383 **Chairperson Lanier:** City Attorney.

3384 **City Attorney Wynn:** No comments, Madam Chair. Thank you.

3385 **CITY COUNCIL COMMITTEE REPORTS**

3386 **Chairperson Lanier:** We'll start with Councilwoman Botel.

3387 **Councilperson Botel:** I just have a couple of committee reports. The Tourism Task
3388 Force has continued to meet and we're almost at the end of our deliberations. We're
3389 preparing a report for Council, I think at the June meeting.

3390 On March 12th, Mr. Evans and I attended the Government Affairs Committee
3391 meeting, the Palm Beach North Chamber, and we did our report from the City of Riviera
3392 Beach. We talked about the capital improvements, Reimagine Riviera Beach goals, et.
3393 cetera.

3394 I also attended the Economic Development Committee meeting on March 25th. I
3395 don't wanna go into all the details, but I asked Mr. Evans to provide you all with the slides.

3396 Do you want me to do Council comments too?

3397 **Chairperson Lanier:** No, no. You can just go ahead and do your [stammer]
3398 committee reports.

3399 **Councilperson Botel:** Okay.

3400 **Chairperson Lanier:** Are there any other committee reports from the Council?
3401 [Pause]. Seeing none...

3402 **STATEMENTS BY THE MAYOR AND CITY COUNCIL**

3403 **Chairperson Lanier:** : We will start with the Mayor for his statements.

3404 **Mayor Felder:** Thank you, Madam Chair.

3405 **Chairperson Lanier:** Thank you.

3406 **Mayor Felder:** And again, just echoing the sentiments of Mr. Evans. My
3407 condolences to the Holland Family. We're here to support you and we're praying for you.

3408 April is Child Abuse and Neglect Prevention Month,. On February..., I mean, April
3409 9th we'll be..., I'll be out with Bridges of Riviera Beach placing pinwheels in front of City
3410 Hall to bring awareness to, to the..., bring awareness and prevention.

3411 We'll also be having a water tower art project community meeting to choose two
3412 women for the project. The meeting will be held on April 19, 2021 from 6:00 p.m. to 8:00
3413 p.m. The meeting will also be broadcasted on Channel 18 as well. I hope to see you
3414 there.

3415 Thank you, Madam Chair.

3416 **Chairperson Lanier:** Thank you, sir. Other Council statements, starting with
3417 Commissioner Miller-Anderson.

3418 **Chair Pro Tem Miller-Anderson:** Thank you.

3419 I just wanted to echo what everyone else has stated previously regarding Mr.
3420 Holland. Our thoughts and prayers go out to the family. Also, keeping Congressman
3421 Hastings' family in prayer as well due to his passing on yesterday.

3422 And the..., a question I had, I think a gentleman came up earlier to the podium
3423 about the 24th Street, with the flooding. I know we spoke some time ago about doing
3424 the..., prioritizing the streets. But, was that one that we would be looking at, in terms of
3425 priority? Even though it's causing some flood'..., major flooding?

3426 **City Manager Evans:** Yes, Madam Chair. The analysis will be looking at all the
3427 streets throughout the City and grading them based on their condition and their
3428 infrastructure, and the condition of the infrastructure that is associated with those
3429 roadways in our community.

3430 **Chair Pro Tem Miller-Anderson:** Now, is that the ro'..., is that the same street, and
3431 Ms. Wynn and Mr. Bailey, I think you all..., or maybe Lina is very familiar with the issue
3432 with the wall...

3433 **City Manager Evans:** Yes.

3434 **Chair Pro Tem Miller-Anderson:** ...that was put up there. Is that he same?

3435 **City Manager Evans:** That, that is the same street. Yes, ma'am.

3436 **Chair Pro Tem Miller-Anderson:** What's going on with that wall that was put up
3437 there, that [stammer].., from my...

3438 **City Manager Evans:** So...

3439 **Chair Pro Tem Miller-Anderson:** ...understanding, shouldn't've been put there.

3440 **City Manager Evans:** So, right now, Staff is looking at a couple of options to have
3441 the discussion with the, the residents of the community. We did stop the, the project from
3442 continuing until we have subsequent conversations with the community. They
3443 communicated some of the thoughts and perspectives that they have, that they'd like to
3444 see occur at the end of that stretch of roadway. So, there will be a conversation with them
3445 and then we'll bring that back to the Board for some additional discussions, if it warrants
3446 that discussion with the Board.

3447 **Chair Pro Tem Miller-Anderson:** Okay. And then the situation regarding the trash
3448 pickup, I believe, on that same area. I don't know. Mayor and Mr. Bailey, from the email
3449 the, the young lady is constantly sending? I'm just trying to figure out, is that something
3450 that the City is supposed to be doing, or is that more of a community type maintenance
3451 of the cleaning of that area?

3452 **City Manager Evans:** I, I think that's more of a, a community-initiated activity, but
3453 they have asked for some support. And so, based on whatever the need is, we've helped
3454 other agencies and other persons in the community with providing them some basic
3455 necessities for community cleanups and, and things like that.

3456 But, I think the, the request was for some additional support to clean up the
3457 particular area.

3458 **Chair Pro Tem Miller-Anderson:** Okay. Alright. That's it.

3459 Thank you.

3460 **Chairperson Lanier:** Thank you, Councilman Miller-Anderson. Councilwoman
3461 Botel.

3462 **Councilperson Botel:** Yeah. I also wanna add my condolences to the family and
3463 friends of Mr. Holland. By, by all accounts, he was an outstanding young man. And as
3464 well to the family and friends of Congressman Hastings.

3465 I'm planning another Singer Island town hall meeting for May 20th at 6:00 o'clock
3466 at the Ambassador Center. I think we'll also do it in part virtual.

3467 I want to announce that we'll be graduating forty students from our Riviera Beach
3468 Palm Beach State College cohort in logistics and transportation. Well not, I should say,
3469 fourteen of those will graduate with a business specialist and logistics and transportation
3470 manager, CCC, and twenty-five more will graduate with a business specialist or logistics
3471 and transportation.

3472 And we'll be reaching out to various businesses in the community, to just Tropical
3473 and UPS, Chaney and those businesses who are really looking for trained people in the
3474 logistics field to, to help us find positions for these people who have been trained by the
3475 Palm Beach State College courses. So, if you're listening and you need skilled workers,
3476 please, please, please contact Sam Brown for more information. He's at
3477 stbron@rivierabeach.org. And I'll be looking for, for assistance in finding jobs for these
3478 folks.

3479 I think that's it for now.

3480 Thank you.

3481 **Chairperson Lanier:** Thank you.

3482 **Councilperson Botel:** Oh, oh. I was.., I'm sorry. Very sorry. I was asked to
3483 announce that there will be a COVID vaccine at New Macedonia. Hang on, let me find
3484 the text. I'm sorry. A COVID vaccine, April 10th, that's Saturday. It's the Johnson &
3485 Johnson, one shot, ages eighteen up. There's no appointment necessary.
3486 Preregistration is optional at 561-247-2713. And that's a New Macedonia, which is 748
3487 West 9th Street.

3488 Thank you.

3489 **Chairperson Lanier:** Thank you. Councilman McCoy.

3490 **Councilperson McCoy:** No, Madam Chair.

3491 **Chairperson Lanier:** Councilman Lawson.

3492 **Councilperson Lawson:** Thank you, Madam Chair.

3493 With it being Second Chace Month and Reentry Month, April 24th, we're gonna be
3494 hosting.., gonna be hosting a, an expunction festival where we'll be doing expungements,
3495 voter registration and it'll be right in front of City Hall. It'll be 9:00 a.m. to 3:00 p.m.

3496 And.., as well as echo the sentiments of my colleagues. I wanna offer my
3497 condolences and prayers to the family of the Hollands. And, to Congressman Hastings'
3498 family as well. And, these are great men and great leaders from this community, and they
3499 are gonna be missed.

3500 Thank you, Madam Chair.

3501 **Chairperson Lanier:** Thank you.

3502 Where's the..., that 4-24 event will be held here?

3503 **Councilperson Lawson:** Yes, ma'am. It's gonna be held at City, in the..., it'll be in the
3504 front of City Hall, in the parking lot. It'll be an outdoor festival. And it'll be...

3505 **Chairperson Lanier:** [Inaudible].

3506 **Councilperson Lawson:** ...and expunction workshop. We're gonna be expunging
3507 records of, of residents from the community, for drug offenses.

3508 **Councilperson McCoy:** Felonies?

3509 **Councilperson Lawson:** Mhmm.

3510 **Chairperson Lanier:** Thank you, sir. Ms. Miller-Anderson.

3511 **Chair Pro Tem Miller-Anderson:** I did just want..., I just wanted to mention, I know
3512 there's an event that's gonna be held here. I know the CRA is the one that kinda runs...,
3513 that do it, but I just wanted to make sure that we aren't getting any calls, that the COVID
3514 guidelines and everything is being enforced in terms of, you know, the spacing and all of
3515 that. Can you just kinda mention how that it is going to go, so that the public is not freaking
3516 out and...

3517 **City Manager Evans:** Yeah.

3518 **Chair Pro Tem Miller-Anderson:** ...blowing out phones up?

3519 **City Manager Evans:** Yes, Councilperson.

3520 We've had the, the opportunity..., we've got a, a couple events since we've phased
3521 into some of our reopening. Each particular event that is occurring in our community has
3522 to submit and get approved, a COVID plan. They have to get that plan approved by Public
3523 Safety, Fire Rescue, as well as Parks & Recreation. So there is guidance and direction
3524 that's being provided. They're also, in a lot of cases, having to reduce their capacity of
3525 the events. So, the event that is occurring this weekend has complied with the COVID
3526 guidelines, has submitted a COVID plan, and has been approved by all the appropriate
3527 parties. It is a event on CRA or City property, but it is a private event, that is a ticketed
3528 event, but they have complied with what the requests of Staff have been.

3529 Other events that you will also see happening, there's some other events that will
3530 be occurring, I believe Jeeps on the Island, as well as a triathlon as well, that will be
3531 occurring in our community. Both those events had to comply with COVID restrictions.
3532 And a lot of these events, realistically, are just doing the event to continue to have their,
3533 their staple events in the community, and start moving into some form of normalcy. But
3534 they are doing a lot of work and spending a lot of dollars as it relates to ensure the safety
3535 of all persons that are at the event.

3536 If you do feel uncomfortable or you have any questions, obviously, there's going
3537 to be event coordinators and Staff that's going to be onsite to assist and, and provide any
3538 clarity that persons may have. But, I think the event organizers have done a good job on
3539 making sure people are safe and masks are provided, and the like.

3540 So, they do have to submit an..., a, a..., they have to go through a pretty extensive
3541 process that's approved by Staff before they can even have the event, so it is compliant
3542 with... And I think some of them have reduced their capacity to at least fifty percent of
3543 what they've done. Even more, so maybe even seventy percent of what they've done in
3544 the past as it relates to their events.

3545 **Councilperson McCoy:** Madam Chair?

3546 **Chairperson Lanier:** Yes, sir.

3547 **Councilperson McCoy:** So, Mr. Evans, on those reduced capacity events, do we
3548 reduce our fee that we charge those folks? Because obviously, if you got a ticketed event,
3549 and this solely for the purposes of them being able to, you know, admit a certain number
3550 of people, have we adjusted the prices?

3551 **City Manager Evans:** We haven't adjusted the prices for events. And, and we
3552 actually looked into what other entities are doing. There isn't a situation where they're
3553 reducing prices, but one of the things we do wanna come back and have the discussion
3554 with the Board, is their opportunity to co-sponsor events, whereby, by co-sponsoring, you
3555 know, certain hard costs that the event organizers are used to absorbing, would be
3556 absorbed by the City.

3557 So those are some things that, you know, we would bring back in another
3558 discussion with the Board to try to lure and retain some of the events that we have here
3559 in the community. But there's no reduction in fees that have been offered to those event
3560 organizers.

3561 **Councilperson McCoy:** Follow up? And...

3562 **Chairperson Lanier:** Yes.

3563 **Councilperson McCoy:** ...and, and then, Mr. Evans, I don't know if you have the
3564 answer, but you remember we did the fencing in Park & Rec. Is that being offered a part
3565 of these packages and these deals that these folks are...

3566 **City Manager Evans:** I can't speak on specificity, but as it relates to the fencing that
3567 was acquired, but I know that the event that's occurring this weekend, there is some
3568 fencing that is being utilized in areas that are being sectioned off because I know I've had
3569 conversations with law enforcement as street closures and some of the things. So they're
3570 really confining the spaces that they'll be utilizing. But I don't know if they're utilizing the
3571 fences that we have, or if they got it from a private provider.

3572 **Councilperson McCoy:** Thank you.

3573 **Chairperson Lanier:** Thank you.

3574 With that being said, my comments include a clean'..., Great American Cleanup,
3575 April 17th, 8:00 a.m., 928 7th Street. This is a cleanup that I'm doing in conjunction with
3576 the [stammer] Riviera Beach CDC and CRA. And this is going to put some focus on the
3577 areas of 1st through 7th Streets in Riviera Beach, on that side of town where we want to
3578 be able to start doing new homes and getting first-time homebuyers involved in that area.

3579 The second item is, of course, you heard the Reentry Program, the Reentry Month
3580 is April 13th, here at the Marina. We have the Reentry Awareness Night. That will include
3581 a, a, a, a movie and a panel discussing our reentry for Riviera Beach.

3582 The third thing is that, as you all know, that since I've been sitting on this Board
3583 and before that, I have been very, very vocal about the traffic on 13th Street. And I'm sure
3584 you've heard this a hundred times, but we are still working on trying to make sur that
3585 these large, overlarge [stammer] trucks are not coming down 13th Street. We had a
3586 community meeting about two weeks ago in regards to this issue.

3587 There are about three or four options that the, the committee..., not the committee
3588 but the community came up with. They include everything from partial road closure to
3589 permanent road closure, to traffic circles, to signs to chicanes. And we're gonna have,
3590 next month, another community meeting in the community, actually, actually in the
3591 community, on the street to be able to get people in that neighborhood involved in making
3592 a decision about how we're going to traffic calm that area.

3593 And, of course, the fourth thing I want to speak about before I sign off, is the crime
3594 in Riviera Beach. I live in Federal Garden, and there have been a significant amount of
3595 shootings in this area in the past week or so. And, I want to be able for this community...,
3596 because I know that the police cannot do it by themselves, but what we have is a nerve-
3597 racking issue for everybody who lives in the City, and specifically, in my neighborhood. It
3598 has gotten out of control. And we need to be able to address the crime in this City. I
3599 don't know what we need to do, but we need to do something. This has gotten ridiculous.
3600 I am nerve-racked with Police, Fire, EMT down my street every single day.

3601 People who don't live, you know, who live maybe way out from the City, don't hear
3602 these sirens and these firetrucks and these EMTs every day, twice a day. It is nerve-
3603 racking. And something has to be done. And I want this community, I want the Police
3604 Department to be able to come up with [stammer] some solutions about what is happening
3605 in this City because we cannot get anybody to come and move here, we cannot get
3606 anybody to bring their children to school here, if we are having this continuous shootings
3607 and crime in the City. And I want, not just the Police, and not just more Police, but the
3608 community to get involved in how we're going to address this issue.

3609 And you will be hearing something from the Chief, and from the City Manager,
3610 about this issue because something has to be done. It is enough for me. It, it, it's been
3611 enough. And I want the community, and not just say more police and not just say the
3612 police should do it, this has to be a community issue. Period. There are more than one

3613 way to skin a cat. And we have to come up with some solutions in how we're going to
3614 address crime in this community, and in Riviera Beach.

3615

3616 **ADJOURNMENT**

3617 **Chairperson Lanier:** And with that being said, the meeting is adjourned.
