**SUBJECT:** SELECTION OF WOMEN FOR THE WATER TANK ART PROJECT

**DATE:** MAY 19, 2021

**CC:** GENERAL PUBLIC

---

**Background**

At the April 21, 2021 City Council Meeting, it was discussed that I would engage the community on the selection of two African-American women to be featured on the water tank mural. They will be added to the two African-American men that were approved by the City Council previously. Therefore, two women are being offered to the City Council for approval as well.

The Office of the Mayor received a list of women from members of the community for a community vote. Therefore, two community meetings were held and a survey was released to gain feedback on the two most preferred women for the mural.

**City Goals:**

Community Engagement and Empowerment

**Fiscal/Budget Impact:**

There is no fiscal impact.

**Recommendation:**

The Office of the Mayor recommends approval by the City Council to proceed forward with the addition of the two African-American women that are being offered to be added to the mural.
