**CITY OF RIVIERA BEACH**

---

---

**TO:** HON. MAYOR, CHAIRPERSON AND CITY COUNCIL

**THROUGH:** JONATHAN EVANS, CITY MANAGER, MPA, MBA, ICMA-CM

**FROM:** TERRENCE BAILEY, P.E., CITY ENGINEER

**SUBJECT:** FDOT MAINTENANCE, LIGHTING, AND MAINTENANCE CONTRACT EXECUTION

**DATE:** CITY COUNCIL MEETING, 6/23/2021

**CC:** GENERAL PUBLIC

---

**Background:**

In 2004, City Staff brought forward Resolution 23-04 codifying the maintenance obligation and reimbursement funding for street lights in the FDOT right of way within the corporate limits of the City of Riviera Beach. The FDOT provides funding allocation and reimburses the City for maintenance expenses for the same street lights.

The proposed contract amendments provide for the increased number of street lights installed within the FDOT right of way and escalating operational expenses. Staff request approval of the execution of this updated maintenance, lighting, and compensation agreement.

**Citywide Goal:**

This item facilitates Goals #1 and 2

Goal #1 Achieve a Prosperous, Resilient, and Sustainable Economy

Goal #2. Create aesthetic improvements with focus on most vulnerable communities

**Budget/Fiscal Impact:**

The maintenance expense of the street lights is funded annually in the operating budget.

**Recommendation(s):**

Approve the revisions to the maintenance, lighting, and compensation agreement between the City of Riviera Beach and Florida Department of Transportation.
