To Whom It May Concern,

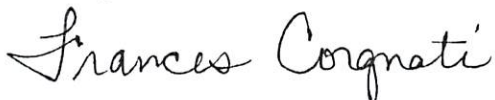

Thank you so much for offering me the opportunity to apply for a position on the Riviera Beach Library Board.

I am interested in serving on the Riviera Beach Library Advisory Board. Libraries are and should continue to be a central hub for the members of communities. I moved from Massachusetts to Riviera Beach on July 2, 2021. On my first visit to the Riviera Beach library, I was very impressed to find that the staff are so dedicated to serving us, very knowledgeable and interested in providing continued service to the community. Ms. Gloria Thomas informed me about the possibility of serving on the Advisory Board, so I am sending you my application and resume which are attached to this email.

It would be an honor to serve in any capacity that allows me to contribute and assist with this extremely important service. Since I am retired, I have the flexibility of rendering service to my community and look forward to serving as a volunteer in some capacity, hopefully, related to the library.

Thank you for your consideration of the possibility of my being of service to the library by serving on the Advisory Board. I look forward to hearing from you.

Sincerely,

Frances Corgnati
