Subject: **RECOMMENDATION: FLORIDA SHERIFFS ASSOCIATION CONTRACT 15-13-0904 CAB & CHASSIS TRUCKS & OTHER FLEET EQUIPMENT**

Consistent with the City of Riviera Beach **Code of Ordinance (Section 16.5-267)**, Purchasing has obtained a piggyback contract for cab & chassis trucks & other fleet equipment from Florida Sheriffs Association Invitation for Bid (IFB) 15-13-0904. The Florida Sheriffs Association awarded the contract to multiple vendors to include Xylem Dewatering Solutions d/b/a Godwin Pumps of America, Inc. to provide the trucks and fleet equipment.

On September 29, 2015 the Utility Special District received permission from Xylem Dewatering Solutions in regards to piggybacking their cab & chassis trucks & other fleet equipment contract. The Florida Sheriffs Association contract states, "Bids will be extended and guaranteed to any and all units of local governments/political subdivisions including but not limited to county, local county board of public instruction, municipalities and/or police agencies, other local public or public safety agencies or authorities within the State of Florida, and the state universities and colleges. In addition, bids will be extended and guaranteed to any other entities approved by manufacturers to participate in this contract."

Accordingly, the Purchasing Department recommends the agreement be awarded to Xylem Dewatering Solutions to provide the dri-prime pumps for the Utility Special District.
