All insurance policies shall be issued by companies authorized to do business under the laws of the State of Florida. The Certificates shall clearly indicate that the Independent Contractor has obtained insurance of the type, amount, and classification as required for strict compliance with this ARTICLE and that no material change or cancellation of the insurance shall be effective without thirty (30) days prior written notice to the District's representative. Compliance with the foregoing requirements shall not relieve the Independent Contractor of its liability and obligations under this Contract.

14. The Independent Contractor shall maintain, during the life of this Contract, commercial general liability, including contractual liability insurance in the amount of \$500,000 per occurrence to protect the Independent Contractor from claims for damages for bodily and personal injury, including wrongful death, as well as from claims of property damages which may arise from any operations under this Contract, whether such operations be by the Independent Contractor or by anyone directly employed by or contracting with the Independent Contractor.

19. The Independent Contractor further agrees to indemnify, save harmless and defend the District, its agents, servants and employees from and against any claim, demand or cause of action of whatsoever kind or nature arising out of any conduct or misconduct of the

Independent Contractor not included in the paragraph above and for which the District, its agents, servants or employees are alleged to be liable. Nothing contained in this provision shall be construed or interpreted as consent by the District to be sued, nor as a waiver of sovereign immunity beyond the waiver provided in Section 768.28, Florida Statutes.

20. The Independent Contractor shall not be considered in default by reason of any failure in performance if such failure arises out of causes reasonably beyond the control of the Independent Contractor or its subcontractors and without their fault or negligence. Such causes include, but are not limited to: acts of God; natural or public health emergencies; labor disputes; freight embargoes; and abnormally severe and unusual weather conditions. Upon the Independent Contractor's request, the District shall consider the facts and extent of any failure to perform the work and, if the Independent Contractor's failure to perform was without it or its subcontractors fault or negligence, as determined by the District, the Contract Schedule and/or any other affected provision of this Contract shall be revised accordingly; subject to the District's rights to change, terminate, or stop any or all of the work at any time. If the Independent Contractor is delayed at any time in the process of the work by any act or neglect of the District or its employees, or by any other contractor employed by the District, or by changes ordered by the District or in an unusual delay in transportation, unavoidable casualties, or any causes beyond the Independent Contractor's control, or by delay authorized by the Engineer pending negotiation or by any cause which the Engineer shall decide justifies the delay, then the time of completion shall be extended for any reasonable time the District may decide. In the case of continuing cause of delay, only one (1) claim is necessary.

21. The Independent Contractor does not have the power or authority to bind the District in any promise, agreement or representation other than as specifically provided for in this Contract.

22. The District reserves the right to make changes in the scope of work, including alterations, reductions therein or additions thereto. Upon receipt by the Independent Contractor of the District's notification of a contemplated change, the Independent Contractor shall, in writing: (1) provide a detailed estimate for the increase or decrease in cost due to the contemplated change, (2) notify the District of any estimated change in the completion date, and (3) advise the District if the contemplated change shall effect the Independent Contractor's ability to meet the completion dates or schedules of this Contract. If the District so instructs in writing, the Independent Contractor shall suspend work on that portion of the work affected by a contemplated change, pending the District's decision to proceed with the change.

23. If the District elects to make the change, the District shall initiate a Contract Amendment and the Independent Contractor shall not commence work on any such change until such written amendment is signed by the Independent Contractor and approved and executed by the Executive Director for the District.

24. All materials and/or work to be furnished and/or installed by the Independent Contractor under this Contract shall be guaranteed by the Independent Contractor for a period of one year from the date of final acceptance thereof by the District against defects in design, workmanship, or materials. Upon receipt of notice from the District of failure or defect of any part covered under such warranty/guaranty period, the affected part, parts, or materials shall be

replaced promptly with new parts or materials by the Independent Contractor at no expense to the District. In the event the Independent Contractor fails to make the necessary repairs or replacements within 30 days after notification by the District, the District may accomplish the work at the expense of the Independent Contractor.

25. If applicable, the Independent Contractor shall continuously maintain adequate protection of all work from damage, and shall protect such work and the District's property from injury or loss arising during the term of the Contract. Except for any such damage, injury, or loss which may be directly due to errors caused by the District or employees of the District, the Independent Contractor shall adequately protect adjacent property, as provided by the law, and shall provide guard fences, lights, and any other necessary materials to carry out such protection.

26. Until acceptance of the work by the District, the District's property shall be under the charge and care of the Independent Contractor and the Independent Contractor shall take every necessary precaution against injury or damage to the work by the action of elements or from any other cause whatsoever, and the Independent Contractor shall repair, restore and make good, without additional charge any work occasioned by any of the above causes before its completion and acceptance by the District.

27. This Contract and any dispute, disagreement, or issue of construction or interpretation arising hereunder whether relating to its execution, its validity, the obligations provided herein, performance or breach shall be governed and interpreted according to laws of the State of Florida. Any and all legal action necessary to enforce the Contract will be held in Palm Beach County.

28. No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

29. All parties shall be responsible for their own attorneys' fees, court costs and expenses if any legal action or other proceeding is brought for any dispute, disagreement, or issue of construction or interpretation arising hereunder whether relating to the Contract's execution, validity, the obligations provided therein, or performance of this Contract or because of an alleged breach, default or misrepresentation in connection with any provisions of this Contract. Moreover, in the event of litigation arising from this Contract, all parties voluntarily and intentionally waive any right to a trial by jury. The parties hereunder hereby acknowledge that this waiver provision is a material inducement for each party agreeing to enter into this Contract.

30. In accordance with Palm Beach County ordinance number 2011-009, the Independent Contractor understands that this Contract may be subject to investigation and/or audit by the Palm Beach County Inspector General. The Independent Contractor has reviewed Palm Beach County ordinance number 2011-009 and is aware of its rights and/or obligations under such ordinance. The contractor further understands and agrees that in addition to all other remedies and consequences provided by law, the failure of the contractor or its subcontractors to

fully cooperate with the Inspector General when requested may be deemed by the District to be a material breach of this Contract justifying its termination.

31. This Contract is subject to any and all applicable conflict of interest provisions found in the CITY procurement ordinance (4010), the Palm Beach County Code of Ethics and Ch. 112, Part III, Florida Statutes. During the term of this Contract and any renewals or extensions thereof, Independent Contractor shall continue to disclose to the District any possible conflicts of interests. The Independent Contractor's duty to disclose is of a continuing nature and any conflict of interest shall be immediately brought to the attention of the District.

32. The Independent Contractor shall comply with Florida's Public Records Act, and specifically section 119.0701, Florida Statutes, by agreeing to:

- (a) Keep and maintain all public records that ordinarily and necessarily would be required by the District to keep and maintain in order to perform the services under this Contract.
- (b) Provide the public with access to said public records on the same terms and conditions that the District would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.
- (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.
- (d) Meet all requirements for retaining said public records and transfer, at no cost, to the District all said public records in possession of the Contractor upon termination of this Contract and destroy any duplicate public records that are exempt or confidential and exempt from public record disclosure requirements. All records stored electronically must be provided to the District in a format that is compatible with the information technology systems of the District.

33. Time is of the essence in all respects under this Contract.

34. Failure of the District to enforce or exercise any right(s) under this Contract shall not be deemed a waiver of District's right to enforce or exercise said right(s) at any time thereafter.
