

**RESCUE TRANSPORT PROPOSAL**

DATE: February 17, 2016

This Proposal has been prepared for:  
Riviera Beach Fire Rescue  
600 West Blue Heron Blvd.  
Riviera Beach, FL 33404

We propose to furnish to you one (1), or more, 2016 custom Horton model 623 rescue transport unit on a customer supplied International 4300 crew cab chassis, to be custom built and equipped in accordance with the requirements of the Riviera Beach Fire Department. **Pricing is based on Florida Sheriff's Association Contract #15-11-0116, specification #02.**

Delivery will be F.O.B. Riviera Beach, FL and will occur in approximately 330-365 days after receipt of purchase order.

Terms of payment shall be cash on delivery (COD) when units arrive at Riviera Beach Fire Rescue unless a 100% prepay option is taken. **Chassis payment must be made to Hall-Mark with PO so full chassis payment can be made to Rechtien International.**

The current purchase price for the specified rescue transport (Horton Body and conversion only) is **\$213,421.00 each**. This proposal shall expire March 31, 2016 unless extended in writing.
