Good afternoon,

PBC 911 Services will reimburse 50% of the logging recorder cost. This will cover the percentage of 911 use for the equipment.

If you have any questions, please let me know.

Dan

**Importance:** High

Per our conversation, I am seeking confirmation of the getting reimbursed for 50% of the costs of our Logging Recorder upgrade. The attached proposal is for \$95,757.00. I also need the itemized FY2016 approved 911 Budget for Riviera Beach.

Thank you

A. Chief Madden,

Please see the attached requested proposal for recording the Motorola P25 RoIP (radio over IP) traffic. The option presented would replace the existing 5 year old recording system while migrating all of your existing recording to the
