

# **Marina District Redevelopment Project**

# **Monthly Report: March 2016**

Through: March 31st, 2016

**Prepared for: Riviera Beach** 

**Community Redevelopment Agency** 

**Prepared By:** 

## **Table of Contents**

## Section # Description

- 1. Monthly Summary Report
- 2. Project Data
  - a. General Project Information
  - b. Site Information
  - c. Project Team
  - d. Weekly Site Observation Reports
  - e. Overall Project Milestone Schedule / Schedule Impacts
  - f. Progress Photos / Monthly Aerial
- 3. Cost Summary
- 4. Local Participation / SBE / MBE / Apprenticeship Reporting

## **Section 1: Monthly Summary Report**

### Accomplishments for the Period 3/1/16 – 3/31/16

- 1. The contractor worked to prepare the MEC for handover. Wiring of MEC electrical panels continued while CCTV cameras, Wi Fi nodes, motion detectors, automated door systems, keyless entry systems, the fire alarm system, and televisions were connected. The MEC grand staircase was tiled, painted, and the glass handrail installed. The HVAC and elevators were programmed. The cupola decorative light fixture and MEC water system was connected. Second floor bathrooms were tiled and fixtures installed. The MEC second floor was tiled and patio handrails installed. Painting continued for inside and outside walls. Second floor lights and bar sinks were installed. The HVAC mechanical yard fence was installed.
- 2. The Restroom Building water system was connected.
- 3. Bicentennial Park landscaping was planted and irrigation system activated. Site furniture (e.g. picnic tables, benches) was installed. The interactive fountain deck was poured and equipment installed. The Band Shell building shade sail cloth and LED lighting was installed. Beach kiosks construction began and sand dunes/landscaping was placed.
- 4. CCTV cameras/poles stucco was applied and site lighting installed/programmed. The central retention wall was completed, ramps/stairs poured, and final stucco coat applied. Central promenade pavers were placed and landscape planted. The central zone electrical panels were wired. The central decorative fountain was completed.
- 5. Band Shell Building electrical fixtures and wiring was installed and power service connected. Trees were planted and transplanted in Bicentennial Park and on the beach. Sidewalks were poured throughout the park and on the beach. CCTV cameras and lights were installed throughout the park and on the beach. Kiosks construction began on the beach.
- 6. The southern parking lot sod was planted and irrigation systems activated. Decorative bollards and the marina work compound lights were installed. The dive storage building fence, gutters and southern property line fence was erected. The Thirteenth Street entrance pavers were placed.

- 7. Avenue C repaving work and demolition of Spanish Courts began. The Gilbane Team construction trailer was demobilized from the site.
- 8. The Construction Manager did not award subcontracts in the month of March. They are striving to provide significant local participation in support of the Board's initiative to maximize involvement of local Riviera Beach companies and residents in this project. The March SBE / MWBE / LOCAL participation within the recommended awards includes approximately 44.57% SBE, 19% M/WBE, and 30.59% local participation.

## **Section 2: PROJECT DATA**

	General Project Information			
Owner	The Riviera Beach Community Redevelopment Agency			
Owners Representative (OR)	Gilbane-CSI-RDBG			
Local OR Site Rep	CSI – David Anderson			
Developer	The Riviera Beach Community Redevelopment Agency			
Architect Design Team	Song + Associates, Inc.			
MEP Engineer	TLC Engineering & Architecture			
Civil Engineer	Calvin, Giordano & Associates, Inc.			
Construction Manager / Contractor	JV Partnership of: The Weitz Company, D. Stephenson Construction, Clearspan Structures			
Delivery Method – Site	Construction Manager at Risk / Guaranteed Maximum Price CMR / GMP			
Delivery Method – Bldg.	Construction Manager at Risk / Guaranteed Maximum Price CMR / GMP			
Original GMP Amount with Weitz	\$25,932,979 = \$7,644,537 (for the Riviera Beach Event Center) + \$6,178,331 (for the Bicentennial Park) + \$12,110,111 (for City Infrastructure and Site work)			
Notice to Proceed	July 14, 2014			
GMP Approval Date	June 25, 2014			
Master Building Permit Issued	August 15, 2014			
LEED Requirement	Silver			

Site Information			
Site Location	Riviera Beach - Marina District – generally bounded by Ave "C" on the West, the Inter-coastal Waterway and Peanut Island on the East, 11 <sup>th</sup> Street on the South and 16 <sup>th</sup> street on the North.		
Address	190 East 13th Street, Riviera Beach, FL 33404		
Site Area (Acres)	23 acres (approx.) including roadways		
Building Information	100 MEC Building 2 story 37,583sf 101 Restroom Building 1,638sf 102 Stage/Pavilion 4,930sf		
Parking spaces	544 spaces		

### **PROJECT TEAM**

RBCRA has contracted with Gilbane-CSI-RDBG to provide Owner Representative Services for the RB Marina Project. RBCRA has contracted with Weitz/DSC/CSS and Song + Associates for design and CM build services. Below is a summary of the team and respective roles in the project:

Project Team – Primary Contacts		
Tony Brown	RBCRA	
Scott Evans	RBCRA	
Jerry Parsons (Gilbane) David Anderson (CSI) Chris Jones (RDBG)	Gilbane / CSI / RDBG - Owners Representative	
Mark lacobucci	Weitz / DSC / CSS - Construction Manager	
Jay Quillen	Song + Associates - Architect	
Jason Stinchcomb	TLC – MEP Engineer	
Patrick Figurella	Calvin, Giordano & Associates - Civil Design	

waterront Community				
(Actual Reports Provided as Separate Attachments)				
Bicentennial Park landscaping was planted and the irrigation system activated. Band Shell building power was connected, beach kiosk construction began, and the shade sail support LED lights run. MEC power, CCTV cameras, motion detectors, and AV equipment was installed. The MEC grand staircase glass handrails were installed. The dive storage building and southern property line fences were installed. Interactive fountain equipment and park light fixtures were installed. The MEC decorative foyer light was activated.				
Site lighting was connected and tested. MEC AV equipment was programed and the second floor tiled. The MEC glass handrail was completed. Park landscape planting continued and the interactive fountain deck was poured. Central promenade paver placement continued, northern and central retaining walls capped and beach kiosk construction continued.				
Southern parking lot sod was placed and the dive storage building gutters installed. Bicentennial Park landscape planting continued, the lower promenade light wiring pulled, sidewalk joint forms removed and joints sealed. MEC Wi Fi, entry pads, first floor televisions, second floor bar sinks installed and elevator utility entries mortared. The interactive fountain deck was poured.				
Site trash cans and picnic tables were installed. Lower promenade planting continued and tree uplighting was installed. The MEC HVAC system was programmed and panel boxes installed. Avenue C grading work began. The remaining southern parking lot sidewalks were poured and site soundscape speakers programmed. The MEC water system was activated and driveway overhang painted				

Weekly Observation Report
3/26/16 – 3/31/16

The Gilbane Team construction trailer was demobilized from the site and Spanish Courts demolition work began. Avenue C road and sidewalk base was graded. The MEC bathroom fixtures were activated, elevators & AV system programmed, foyer deck installed, rotunda painted, and electrical panel wiring trained. Site fixtures (benches and picnic tables) were installed and central promenade pavers placed.

Overall Project Milestone Schedule (To be Confirmed)					
ITEM START FINISH					
Notice To Proceed	July 14, 2014				
MEC Building & Site	August 14, 2014	April 30 <sup>th</sup> , 2016			
FFE for the MEC Building	September 15, 2015	April 30 <sup>th</sup> , 2016			
Bicentennial Park	October 20, 2014	April 30 <sup>th</sup> , 2016			
Parking Lot / Vendor Row	December 8, 2014	Pre-Completion			
Avenue "C"	October 20, 2014	July 12 <sup>th</sup> , 2016			

	Realized Schedule Impacts				
Item	Description	Impact			
1	Electrical Subcontract Award / Bid Protest: The Board's decision to divide the electrical package between two electrical firms was resolved on October 13, 2014. The revised Project completion date is 11/16/2015	63 day schedule impact related to the release of electrical materials and delayed installation of underground electrical. Costs were contained within the GMP but resulted in an offset to contingencies for \$389,591.			
2	<b>2<sup>nd</sup> Elevator Requirements</b> : Per change order #008 the contractor requested 19 additional days for a 2 <sup>nd</sup> elevator at the MEC Building to accommodate a potential restaurant vendor.	19 day schedule impact.			
3	Ave. C Unforeseen Conditions Per change order #12 the contractor requested 14 calendar days to address unforeseen Ave C utility conflicts	14 day schedule impact			

4	<b>Newcomb Hall Demolition:</b> Per change order #19 the contractor requested 50 calendar days to resolve unanticipated delays to the demolition of Newcomb Hall	50 day schedule impact
	Realized Schedule Impacts	146 days

	Potential Schedule Impacts				
Item	Description	Impact			
1	Miscellaneous Delay Factors: A cumulative list of project elements with increasing risk as the project moves towards completion include: a) Spanish Courts work anticipated to begin on March 30 <sup>th</sup> , 2016 with five weeks to complete, b) final configuration of the post indicator valve (PIV) c) delivery/installation of approved FF&E, d) approval and installation of signage, and e) weather delays/VIP party staging. A delay of up to forty days could be expected.	The Gilbane Team is negotiating with the Weitz JV to finalize its delivery dates			
2	Avenue C Utility Conflicts: The contractor encountered a 6" water main along Avenue C that the City directed Weitz JV to remove. Additionally, roadway cover over a 12" water main also running along Avenue C had to be increased. Work was not started until written direction from the City was obtained. Moreover, additional underground utility conflicts and utilities too shallow to allow Avenue C paving were discovered. The contractor has submitted a cost proposal option to address these issues and claimed a delay of 69 days.	The Gilbane Team is negotiating with the Weitz JV to finalize its delivery dates			
	Estimated Project Schedule Impact:	109 days (estimated)			

Note: The actual schedule impacts will be analyzed as the issues are resolved. Many of the potential impacts are concurrent delays. These impacts will be analyzed to determine their impact to the critical path. While an item that is identified as a potential delay may be resolved before it becomes critical and therefore no schedule impact is incurred.

## **Section 3: COST SUMMARY NARRATIVE**

Included in the pay applications is a breakdown of the schedule of values as seen in the "G703" attached. These breakdowns are done to allow the CRA to apply the costs to the appropriate funding sources.

The Construction Manager Weitz / DSC / CSS is currently billing for the month of **March 2016**. The project is approximately **97%** complete for the MEC Building and **86%** complete for all other areas. The billing has been broken into two separate pay applications per billing period:

#### PERIOD TO: March

Pay App #	Description	Current Payment Due
20	MEC Building ONLY	\$ 683,645.18
20	Uplands Development – (Everything but the MEC Building)	\$ 1,677,657.62

### The current **committed costs** to date include:

Design Agreement - Song + Associates \$ 1,832,089.60 Owners Rep. - Gilbane (Work Order # 4) \$ 780,340.00

Original CM at Risk GMP – WEITZ/DSC/CSS \$ 25,932,978

• MEC Building ONLY \$ 7,644,537

• Uplands Development – (Everything but the MEC Building) \$ 18,288,441

		GMP Summary		
Section	Description	Estimate	Changes	Current Value
Α	Original GMP (Weitz / DSC / CSS)	\$25,932,978		
В	Total Change Orders to Date*		(\$-626,468.77)*	
	CURRENT Project GMP			\$ 25,306,510.23
	*Value through Change Order #21			

## Contingency Within GMP Per Period Ending March 31st, 2016

## Section 4: Local Participation / SBE / MBE / Apprenticeship Reporting

See Exhibit A

#### Monthly SBE/MWBE Participation & Apprenticeship Observation Report March1st – March 31st.

#### Report # 20

#### **Monthly Progress March:**

Gilbane is reporting to the CRA on the progress the CM has made during the month of March 2016. Gilbane continued an over the shoulder review of all bid tabulations and recommended awards by Weitz for the month of March. The tabulation and report is an accumulation of all awards through March 31, 2016. Weitz JV is approximately **98%** complete through project buyout.

#### As of 3.31.16

3 packages unawarded:

**Buyout remaining:** 

- 1. 32C Site Furnishing (Kiosks, etc.) not awarded
- 2. 10C Bahama Shutters (Architectural louvers) not awarded
- 3. 10G Awning (sail canopy at the 102 bldg.) not awarded

The monthly awards are based on criteria set by the CRA and given to each respondent prior to the bids being received. The current **YTD** % for SBE/MWBE participation with recommended awards is approximately **44.57**% SBE, **19.00**% MWBE, and **30.59**% local participation.

Currently, there are **13** Riviera Beach based firms participating on the MDS project as subcontractors.

- ESC Florida
- Barron Signs
- JD Anderson
- All Sites
- Newbold Construction
- General Caulking and Waterproofing
- Lotspeich Company of Florida
- Division 7
- Cheney Brothers
- Glasgow
- Thyssen Krupp
- Farmer & Irwin
- Pipeline Utilities

These firms are domiciled in the City of Riviera Beach. They represent a direct economic impact to the City of Riviera Beach and their participation is critical to efforts the City is trying to achieve for local participation.

The current direct local economic impact to the City of Riviera Beach is \$6,927,276, which is approximately 30.59% of the GMP value to date. (Local value means, either the company is based in Riviera Beach, or they have a sub from Riviera Beach or they are purchasing materials locally in Riviera Beach)

The bid tabulation's compiled by Weitz are segregated by Prime/ subcontractor, SBE/ MWBE status, registered Apprentice partner, and local economic impact.

March Awards: No Awards

#### **Project Total:**

Revised GMP Value	SBE Value	MWBE Value	Local Value
\$22,645,371	\$10,092,020	\$4,285,719	\$6,927,276

#### **Workforce Data Summary:**

Total number of employees reported to date: (required CM reporting Apprentices/Journeyman and Riviera Beach residents)

#### Tabulation:

Tracked			
Employees	Apprentice	Journeyman	RB Residents
102	43	49	17

- \* 17% of tracked employees are Riviera Beach residents
- \* 18% of tracked Apprentices/Journeyman are Riviera Beach residents

Note: Total number of employees reported to date: (required CM reporting Apprentices/Journeyman and Riviera Beach residents)/ Some Apprentices maybe RB Residents

#### Apprentice/Journeyman:

As of the reporting date March 1-31, 2016, Weitz JV has included **8 Riviera Beach approved Apprenticeship programs** to participate on the MDS project.

- 1. IBEW
- 2. Southeast Florida Chapter Of Masonry Association
- 3. #630 Plumbers/HVAC
- 4. #402 Ironworkers
- 5. FEAA
- 6. South Florida Roofers
- 7. Florida Apprentices of Painter
- 8. Local Union 821 Fire Protection

#### **Apprentices/Journeyman Union currently on job site**: (Cumulative)

#### **Site Observation:**

#### Gilbane- Christopher Jones

During the month January Gilbane conducted 1 job site visit to determine if any Riviera Beach residents were working on the site. While conducting our investigation we did not verify any new or undocumented Riviera Beach residents participating on the jobsite during our **3.31.16** visit. However, during our site the visit, it was observed that many minorities were present on the site providing various trades.

Gilbane will continue to monitor and spot check the job site on a monthly basis to verify residency reporting.
