Ms. Ruth Jones
City Manager
City of Riviera Beach
600 West Blue Heron Blvd.
Riviera Beach, Florida 33404

Dear Ms. Jones:

Referencing our meeting held at your facility on Thursday, April 28th regarding Mangonia Park's sewage pass through in Riviera Beach. At this meeting we discussed how our rate for this service had more than tripled in the past three years, the last increase occurred in September of 2015.

At our meeting we discussed the possibility of being billed/categorized in the same fashion as Palm Beach Shores. Realizing there are some similarities and some differences in the two municipalities, you had suggested that a "work group" could be established from the Special Utility District Board, Riviera Beach Staff (admin, finance and utilities) and representatives from Mangonia Park (Council/Staff, etc) to evaluate the rate/billing and come up with a solution.

We had anticipated this to be on your June agenda but Mr. Sherman called me and informed that you had decided to not include this. We would very much appreciate this item being included on your Special Utility District Board agenda for Monday, July 18th, if at all possible.

Please feel free to call me at any time to discuss. You may reach me at the number above or on my cell (561) 319-3311. I do appreciate your consideration.

Sincerely,

Kenneth L. (Ken) Metcalf
Town Manager
